*A dream of building,
Of young men and women,
A dream of knowledge to be won.*

Then it was a plan
In the hands of the builder,
A plan for the future,

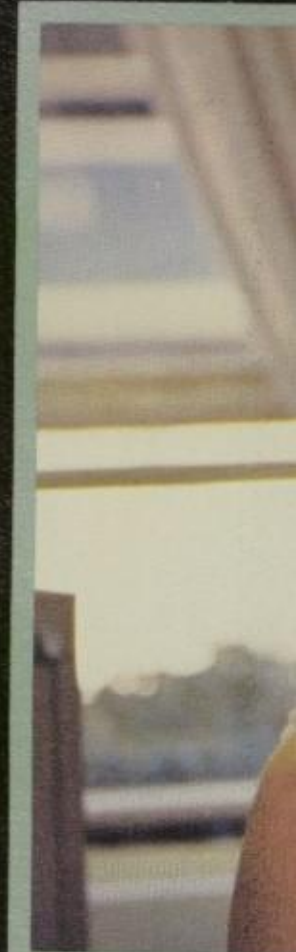

*A plan to help mankind,
A plan to make us ready
To meet the outer world.*

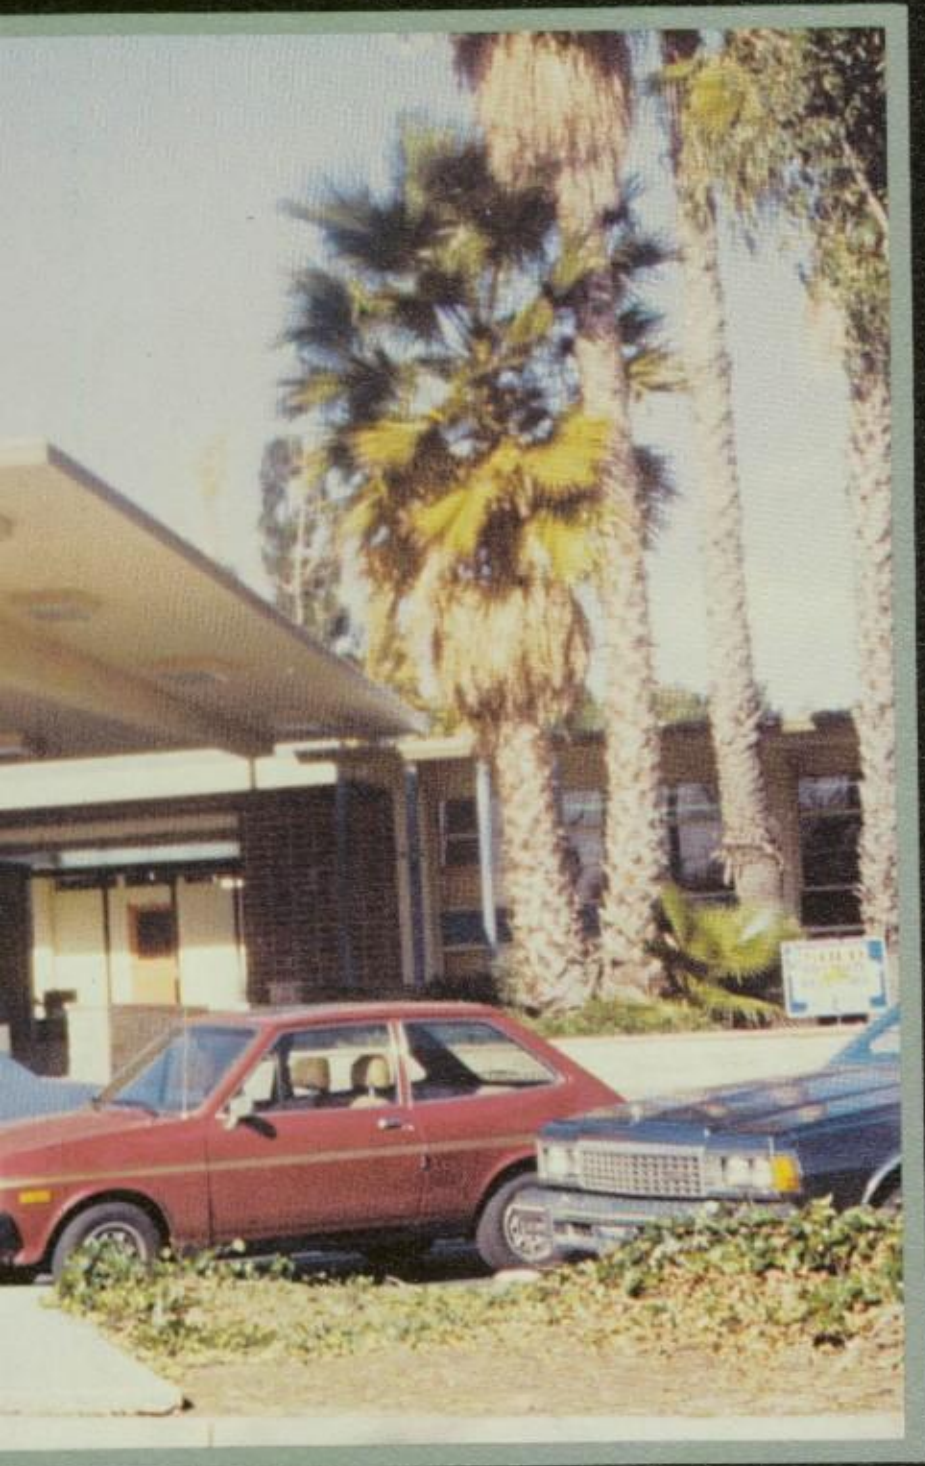

*Now a reality,
In the hands of youth,
For us to make the most of . . .*

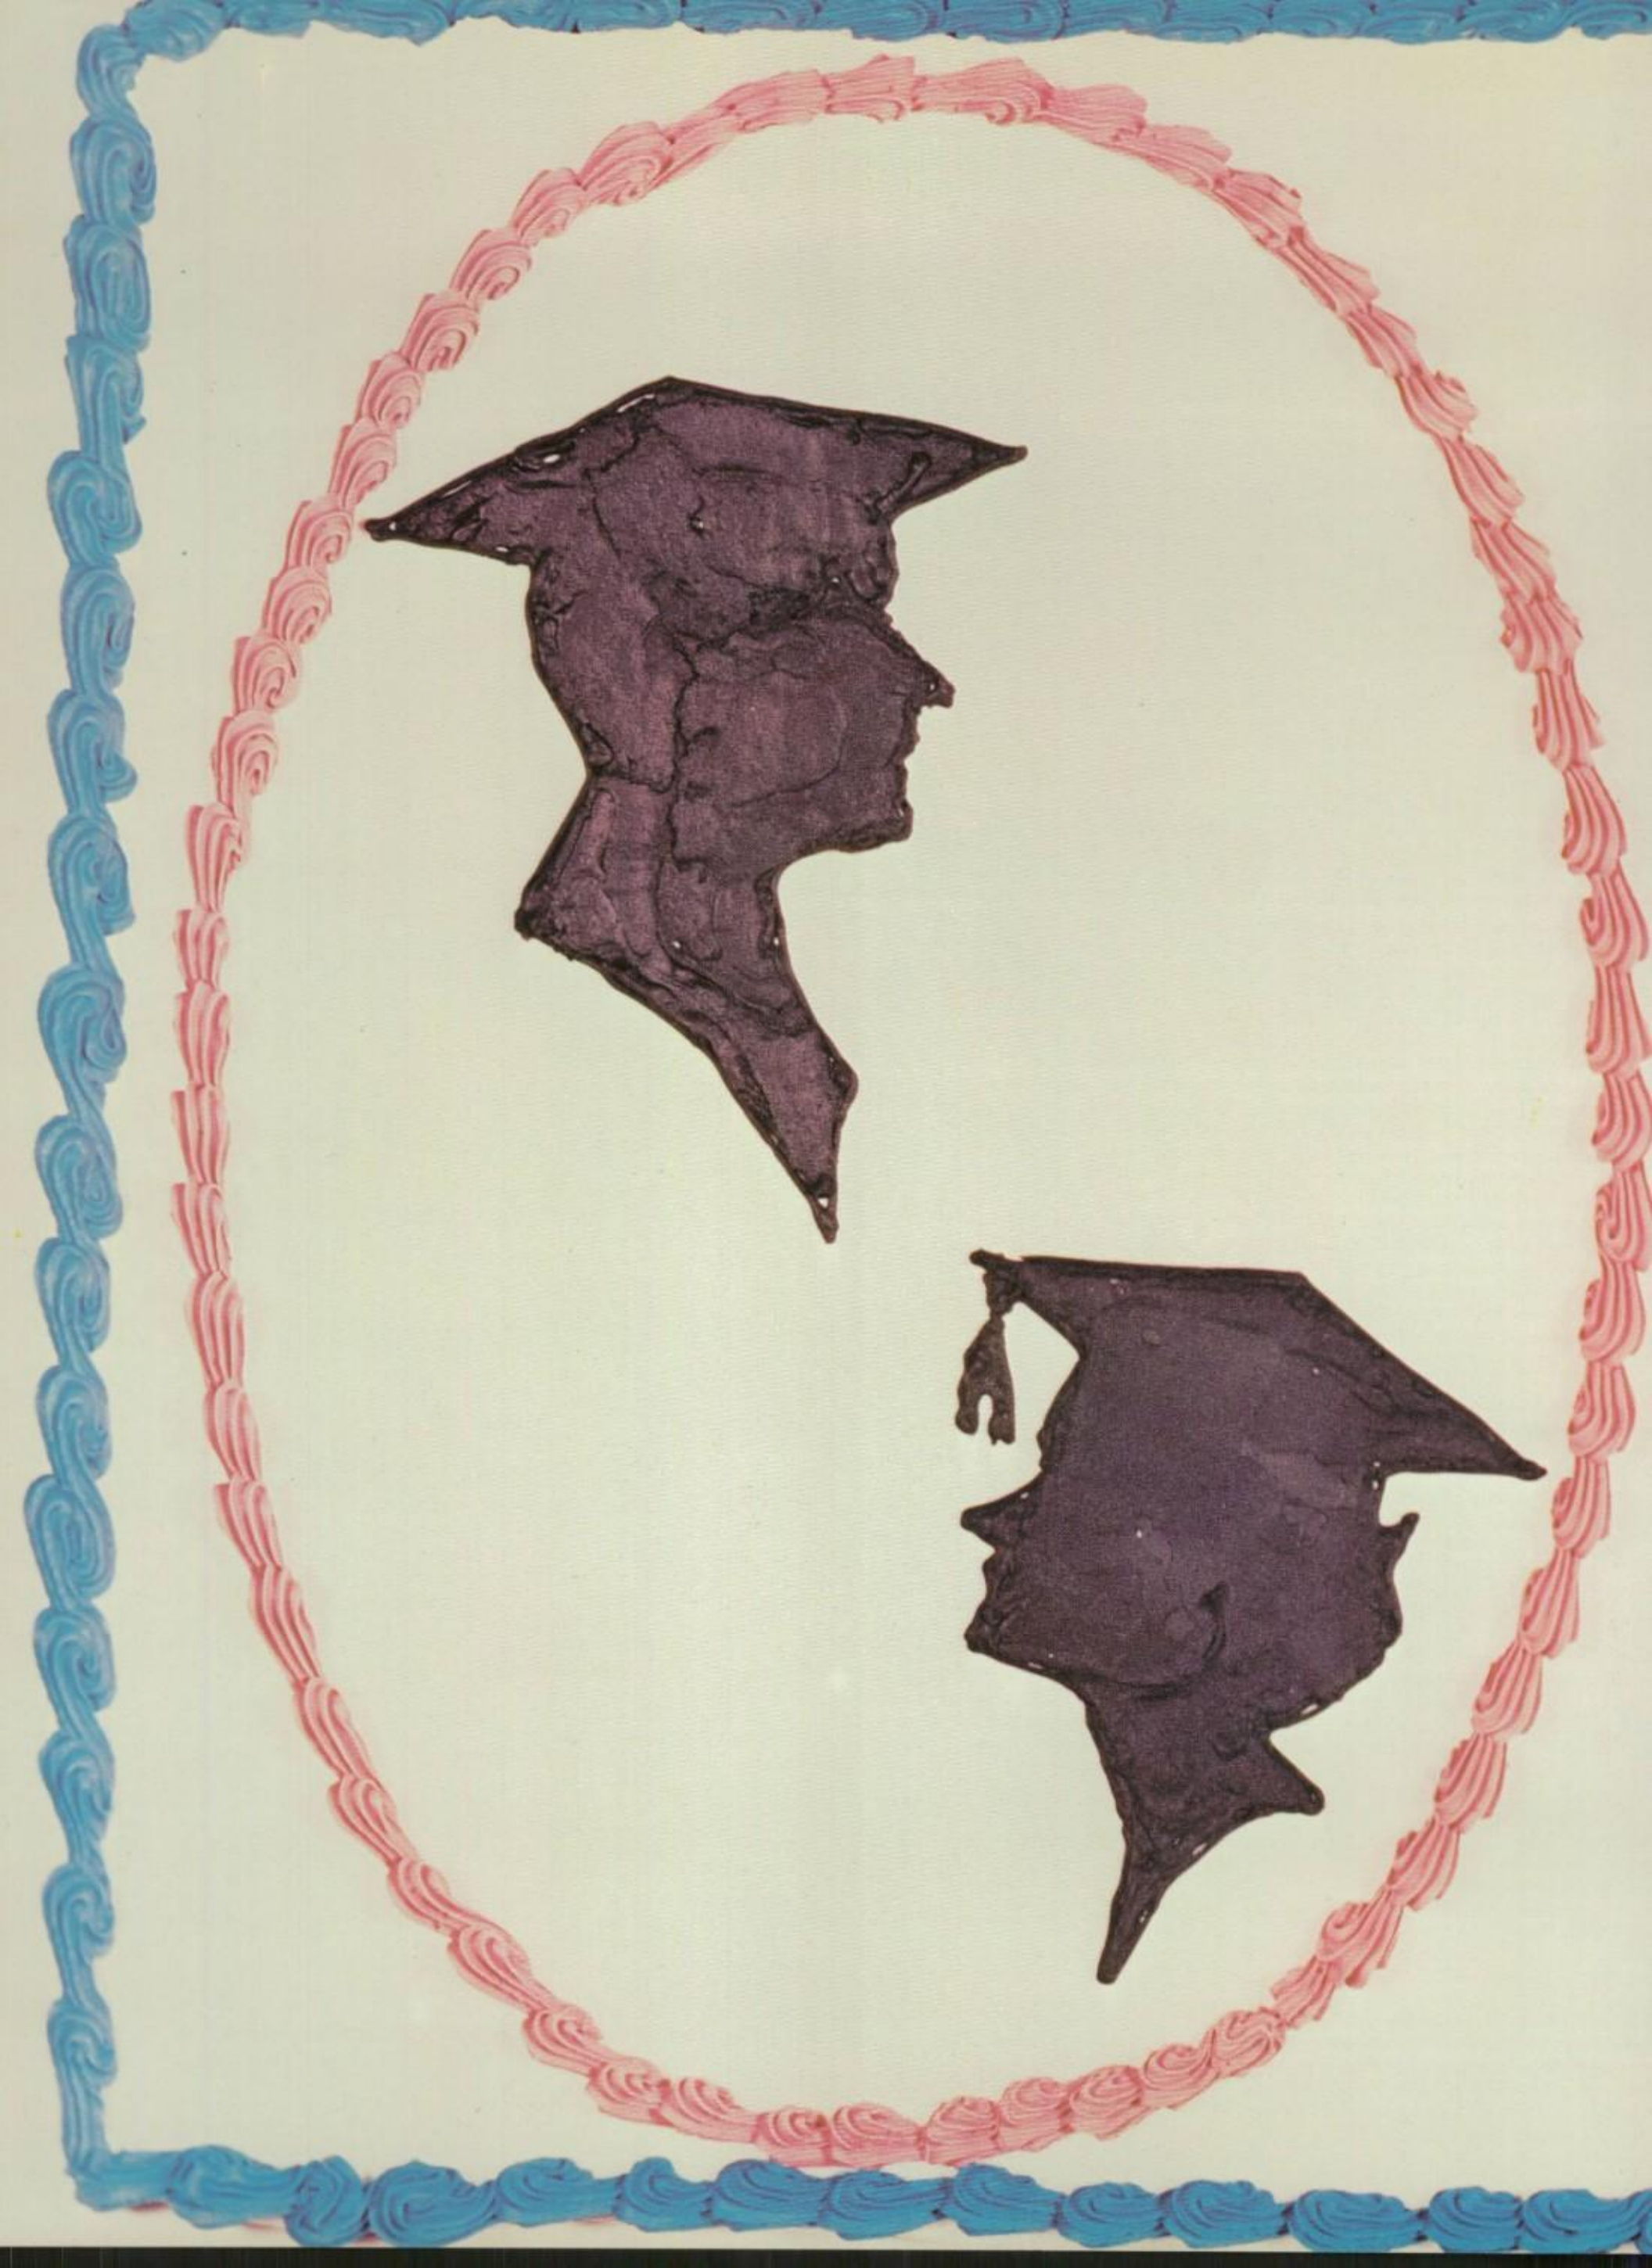

To make the
dream come true.
Now, a reality.
This is our school.

'79 Treasures Their Memories

The class of '79 has been an active one. The main events their Freshman year were car washes and bake sales. They sold food at the 1976 A.S.B. nominating convention. They raised as much money as they could. Burger King was an excellent place to hold car washes, and a free coke was included in the deal.

As Sophomores they were interested in raising money for the Valentine's Dance. The dance was a success, but a lot of hard work. At the end of their sophomore year they ordered their class rings.

A bike-a-thon to La Mirada Regional Park was a main fund raiser for them as Juniors. Their class rings arrived in October of 1977. The Juniors sold candy grams for Halloween and T-shirts arrived with Tigger on them! The Junior's Prom was held at the Montebello Country Club with the theme- "Sands of Time". Breakfast was a success at the Buena Park Convention Center Hotel.

As seniors, the class of 1979 was in charge of Homecoming '78. This was the school's 25th Anniversary and they kept this in mind while they planned homecoming. "A Night of Silver Memories" was the theme with both halftime and the dance relating to it. Their next event was Senior Week and the Senior Slave Sale, which was very lucrative. The Grad night was the last gathering of the class of 1979. They went on a cruise to Catalina Island.

The class of 1979 will always treasure their memories of high school. Good Luck to the class of 1979, and may the rest of your years be as happy as the ones at La Habra High School.

Pam Massey was a transfer student to La Habra from Warren High in Downey. She made quick comparison of the two schools by saying, "Warren was more business ori-entated then La Habra, but at Warren they had never even heard of having an agricul-ture department."

Since becoming a Highlander in 1976, Pam has become very involved in two major activities. One is the Reflections Committee where she is on the program and set com-mittees. The other activities is the Ecology Club. This year Pam is very involved with the club since she is the President. She explains the Ecology Club as a social group, with common environmental ideologies, which gets together for outdoor activities. With Mr. Polkinghorn as their advisor, the club has gone on many hikes, a few bike trips and to the zoo. At this time, they are hoping to rent a cabin for a couple of days in the mountains.

Pam also feels the teachers at La Habra High are very helpful to those students inter-ested in doing special projects, especially the science teachers. They are very willing to donate time and are very supportive during hard times.

Pam's last words of wisdom are "anything you get involved in can be worthwile - you just have to take the initiative to get involved."

Track has been the most exciting part of Carolyn Slater's high school years. She has been in many meets and has won numerous awards in those meets. In sports, Carolyn also enjoyed three years of volleyball and ran cross-country as a Freshman.

Carolyn was also involved with Scotscapades. She thinks that Scotscapades is wonderful because it provides a chance for students to perform in front of large audiences. Another part of Scotscapades which Carolyn enjoyed and felt was educational was the preparation and making of costumes.

Carolyn has also been involved with G.A.A. In her Junior year, she was the Treasurer and this year, her Senior year, she was the President. As president of G.A.A. Cabinet, one of Carolyn's responsibilities was to put on the Christmas Dance. Carolyn felt that this was a large responsibility. The band, decorations, the publicity, pictures and just setting up were a large jobs, even for all of G.A.A.

Getting involved has made Carolyn's days in high school much more enjoyable. She now feels she is ready to move on to college.

Music and Peer-counseling: these are Christina Lundin's favorite activities at La Habra High School. She has been involved with music in her sophomore year, when she was part of Mixed Chorus. In her junior and senior years, Christina was involved Concert Choir. Scotscapades was also a big part of her high school life. She thought that her involvement in the music department was very exciting and she will miss it after graduation.

Christina has also been in peer counseling since she was a sophomore. Peer Counseling is group therapy by students and for students. Students who have problems, at home and at school, are counseled by other students through this program. Christina feels that she has not only helped other students, but she has learned about people and how emotions affect life. Christina also thinks that more students should get involved in this program.

Dorrie Leos came into La Habra High School with a basic idea of what things would be like. For the most part, they have gone that way, and this has made Dorrie's four years most enjoyable. She felt that there were some bad times and problems, but the majority of the time she spent was most enlightening. Dorrie commented that a major plus to La Habra's campus is the faculty. She recalled, on numerous occasions, joking and laughing with Mr. Warner and the Counseling Office. She also found Mrs. Ashby to be a super person and one who helped Dorrie immensely through her years at La Habra. Dorrie had only one concern for La Habra, this was for certain teachers who would stereotype her. She felt badly when teachers were shocked to see good work from her. This has all been put aside, though, as Dorrie will be leaving La Habra High School with good impression of the school, and the school has received a good impression from Dorrie

Mike Murphy's biggest involvement at La Habra was in the music department. He says that La Habra's fine arts faculty is one of the best in Southern California. In fact, Mike was taught so well that a major Hollywood Studio is interested in his technical abilities, which he learned at La Habra.

Mike is mostly a "man behind the scenes" who works backstage with lighting and other technical jobs, but he loves to entertain people and to make them laugh. He feels that the students at this school are friendly and so he enjoys La Habra.

Scott Shoup was involved in many aspects of this school. Of all the activities he seems to feel he enjoyed the music department the best of any. He commented, "the music department at La Habra is unsurpassed by any school." Scott feels this way because the students are allowed to put on their own productions, such as "5th Ovation". This allows students to expand their minds into the many opportunities open to them in the stage production profession. Along side the student production there are the very large productions, like Scotscapades, which are carefully arranged by students and faculty working in unity.

Scott also feels that La Habra has an excellent athletic department due to outstanding and fair coaches. Along side the athletics, Scott feels La Habra's pep units are superb. "They provide enthusiastic spirit for the school to follow," stated Scott.

In school academically, Scott feels he has taken a broad range of courses which will help him to prepare for any field he chooses to go into. He feels he was well prepared by L.H.H.S. to move on to college.

Reza Azizoddin has a very interesting heritage, because he moved here from Iran. Reza found school here very different than what he was used to; for instance, Iranian students take fourteen subjects a year, and there are no semesters. He has taken as many as four math classes in one year. In addition to this, schools in Iran are much more difficult and they are not co-educational. Reza found that the hardest classes he took this year were American P.B. and U.S. History, because of the difficulty he had in translating English. Surprisingly enough, he found Algebra II easy because he did not have problems with language. Reza is very grateful to all of his teachers for the extra help and kindness that they gave him.

Lori Gembka is going off to college next year, but really isn't sure what she wants to do. Many people are in her same position; however, Lori feels that La Habra has prepared her very well for college. She took a college preparatory curriculum and will feel very confident going into college.

Since Lori's Sophomore year, she has enjoyed participating in track. She has received many close friendships and good experiences from track. Therefore track has been more to her than just a sport, but more of a life style: a style which Lori has truly enjoyed and will never forget.

Gloria Cambren is a person with great expectations. She is graduating at the end of this year, her Junior year. She feels very happy that she has had the chance to graduate from high school. Although she would not recommend early graduation, for a select few it provides an excellent chance to move on to other future plans. Gloria's future plans are where her great expectations come in. Gloria plans to move to Mexico after graduation and study medicine. After completion of this, she would like to move to a convent and put her education to use. She has chosen a convent because she is very interested in learning more about her religion and she wants to be able to read, write and speak her language more prolifically.

La Habra High School, Gloria feels, has prepared her well for her pursuit of education. She took the required classes and found them most useful. She also felt the students of La Habra were most helpful because of their friendliness. Gloria has had to work during school in order to pay for her move to Mexico. She found Work Experience a very helpful structure on campus. "The Work Experience faculty works hard to find jobs that are best suited to an individual's situation," says Gloria. It is also beneficial to the student because it provides school credits.

Gloria recommends to students that they should keep up with their education.

Tim Rise has had many great experiences at La Habra, but two of his most memorable were football and Scotscapades. The first of these, football, is something that Tim has been involved in since he was a Freshman. He feels that football was enjoyable because of the good coaches and facilities. Tim says that the coaches are extremely dedicated and that they truly care about the students. He also said that there is one hundred percent more spirit this year than in the past.

The other activity that Tim has enjoyed at La Habra was Scotscapades. "Scotscapades," said Tim, "is fantastic because just about everyone is active in it." He has met many of his closest friends while participating in Scotscapades.

Tim says that the reason that football and Scotscapades are so much fun is that the faculty is involved and they can understand the students. He feels that this school could be improved if more teachers had this caring attitude.

Bob Collar has been very involved in two areas at La Habra: music and academics. During his Freshman, Sophomore and Senior years, he played in the band, which he enjoyed immensely. In his own words, "it was an experience never to be forgotten." Bob also put much time into preparing for his future career as a geologist. He has often had to curtail other activities to spend studying, but he feels that this work was worth the effort, as it prepared him for college.

Donna Short was a transfer student from Sierra High School to La Habra in her Sophomore year. She has much to say for La Habra High School. Donna feels it is very important to get involved with the school and school activities. She left a school with all of her friends she had grown up with and came into a school knowing virtually no-one. By getting involved, she was able to find people she now calls true friends. Her method of becoming active was through track, but Donna feels there are many organizations a student can chose from to get involved in to meet the many people on campus. Donna feels very strongly that the student must take the initiative and from there on La Habra's students are very accepting. Donna has been very thankful to the students of La Habra High School for making her two years here most enjoyable.

One of the many college bound students at La Habra High School is David Baxter. He is planning to get a four year degree, possibly in Computer Science, and then go on into business. Dave has expressed a strong interest in the career center. He feels it is a very positive attribute to the school. In his experiences, he has been provided with much information on many different topics. For example, anyone can go to the career center and take an interest survey. These surveys are usually quite accurate and most helpful for those who are unsure of what they plan to do when they graduate from high school. Once an interest area has been chosen, there are many sources to help associate someone with the particular area of choice. Dave, for example, looked into the engineering field and found wonderful results. The career center was also able to assist Dave one step further, it was able to help him sort out among the many colleges. It has a very complete library of college material describing their attributes and advantages. Dave added, "I think more people should take advantage of all the benefits the career center has to offer."

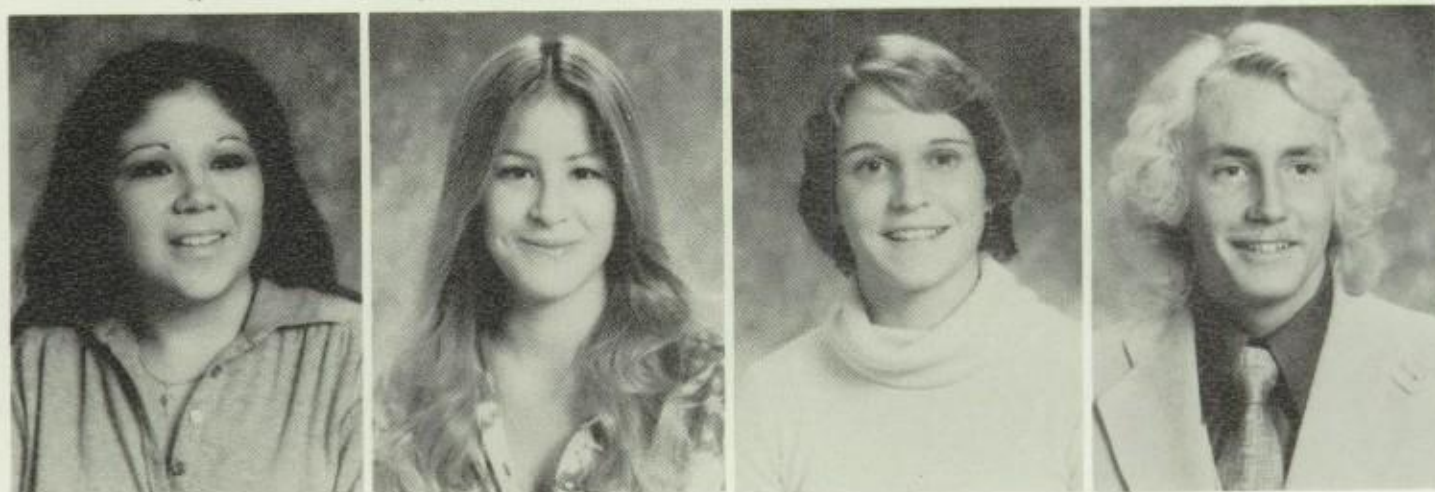

Dave also felt that college night was a big success. It provided a good chance for students to talk to college representatives and get college bulletins. David Baxter is anxious to move on in schooling and life. He feels high school restricts people in many ways because the pace of the classes is too set. He is looking forward to college. Good luck Dave!

Felicia Potter's three main interests at La Habra were sports mainly volleyball and basketball, math, and foreign language. Of the sports program, she said that with the coach's knowledge and experience, the volleyball and basketball teams were able to go to C.I.F. last year. Felicia said that the program couldn't have been better.

In math, her teachers have taught her well in several ways. For instance, she was able to learn math easily and she picked up good study habits. She feels that this information will also help her other classes.

Felicia enjoyed taking foreign language. Not only was the basic program great, but for a final they saw a movie of the country. This way she learned much more about the culture and language of the country than if she had a written test! Felicia thinks that the sports, math, and foreign language programs at La Habra are excellent.

If everyone were of the friendly type, everyone would be like Junior Acuna. Junior, who is a senior, has been most satisfied with his four years at La Habra High School. The friendliness of the people was one of the most fascinating things to Junior. He also felt the teachers were very friendly and personable. He seemed to always be able to get help from teachers whenever needed. He added the entire campus was a terrific social experience for him.

Junior enjoyed the metal and auto shops the most, as far as classes go. He felt that they were well organized, well taught, and that students could get a great deal out of them. Junior will be going to college next year, and he hopes it will be as gratifying as were his high school days.

Melanie Kopatz has had many varied experiences at La Habra. In her Freshman year, she was on the swim team, she has been in Concert choir and she has been involved in Scotscapades for the past three years. Melanie especially enjoys to show her school spirit at football and basketball games, and she also likes to attend social events such as dances. Her favorite pastime is to talk to friends that she made at La Habra . . . because she finds the people very friendly.

Lora and Jeff Represent Seniors

Lora Kristjanson and Jeff Golden were both selected to represent La Habra High School at California Girls' and Boys' State sponsored by the American Legion. Every year a representative girl and boy are selected from the senior class of almost every high school in California. The students participate in forming a miniature "state and creating their own government. Involved in this process is learning about government by practical application.

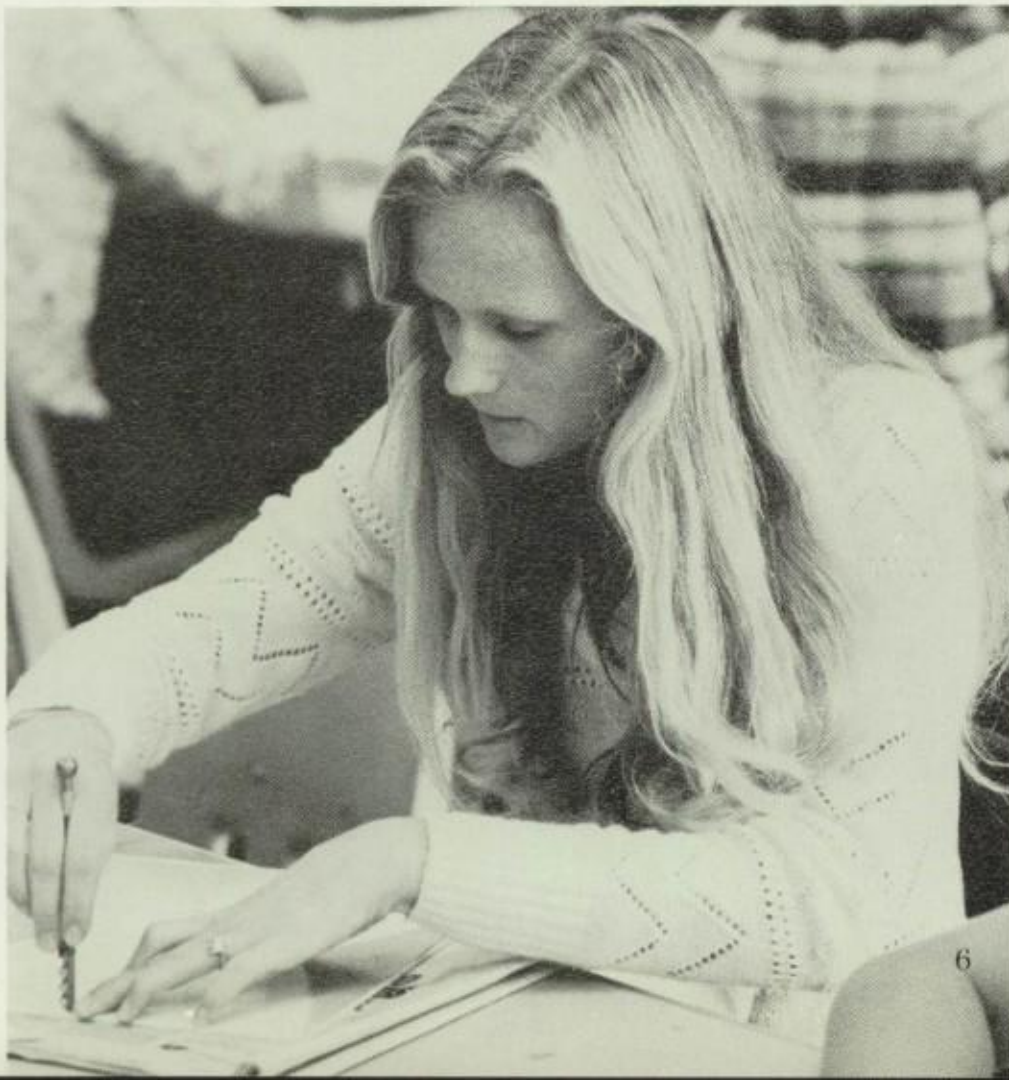

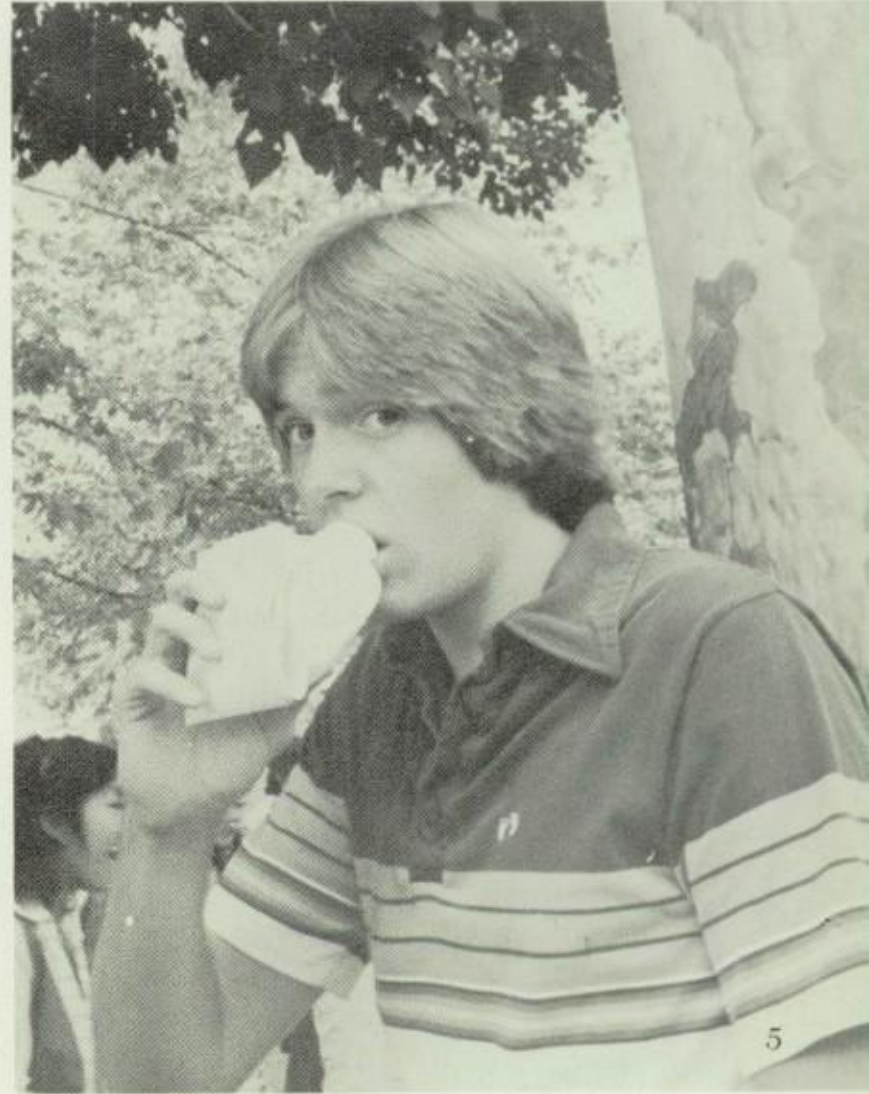

The one week sessions were held at California State University at Sacramento where they had full use of the campus. By utilizing the dorms and individual halls, they were able to separate the large groups into cities and counties. The cities and counties operated just as cities of today operate. Each city held official elections and created and lived by their own ordinances.

Both Lora and Jeff expressed the fact that the week provided a most memorable education experience, but most important were the lasting friendships that will never be forgotten.

Defense Did a Great Job

La Habra has been noted for having a tough and aggressive defense. This year was no exception. Randy Clayton led the defensive unit to a successful season by accumulating a total of 82 tackles and assists; a school record.

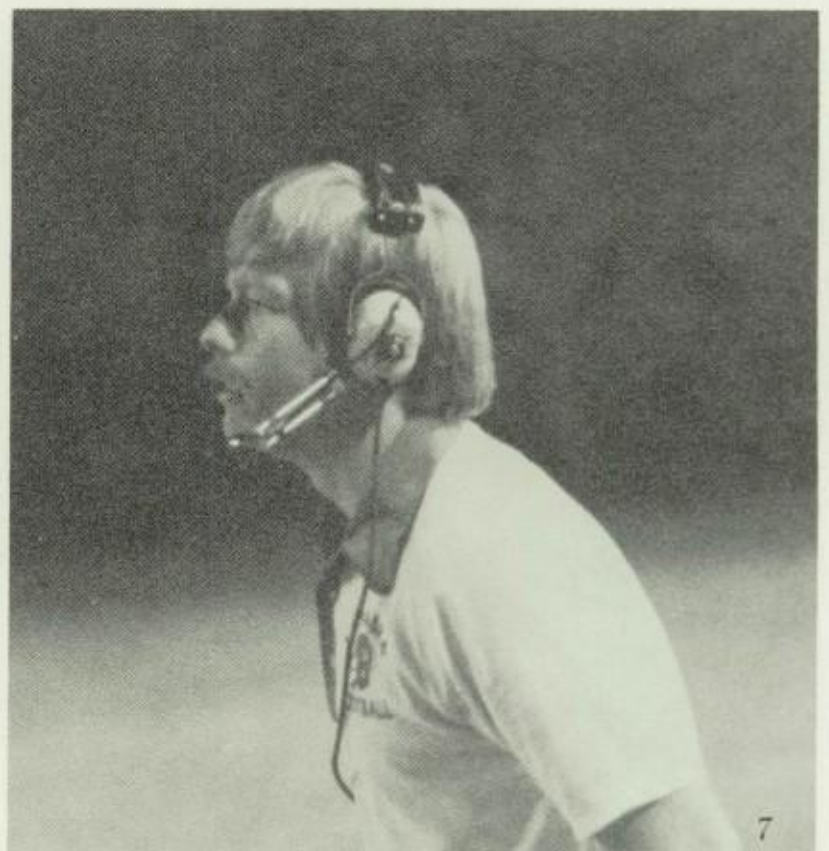

The team defense played strongly this year, allowing only 224 yards and 12 points per game. They also forced a total of 26 turnovers including 5 interceptions by Dennis Bryan.

Two high points for the defense were the shutouts against Sierra and Valencia High Schools, permitting them only 28 total yards to Sierra and 75 to Valencia. The defense did a great job.

The offense did well this year out scoring the opponents 125 to 112. The high points for the offense were 34 point games against Sierra and Bonita, and a school record: 1 41 yard field goal by Kevin Lockhart. Roger Hovey had a season high of 811 yards of total offense. The offensive unit was successful this season.

Coach Senik Brings Class to La Habra

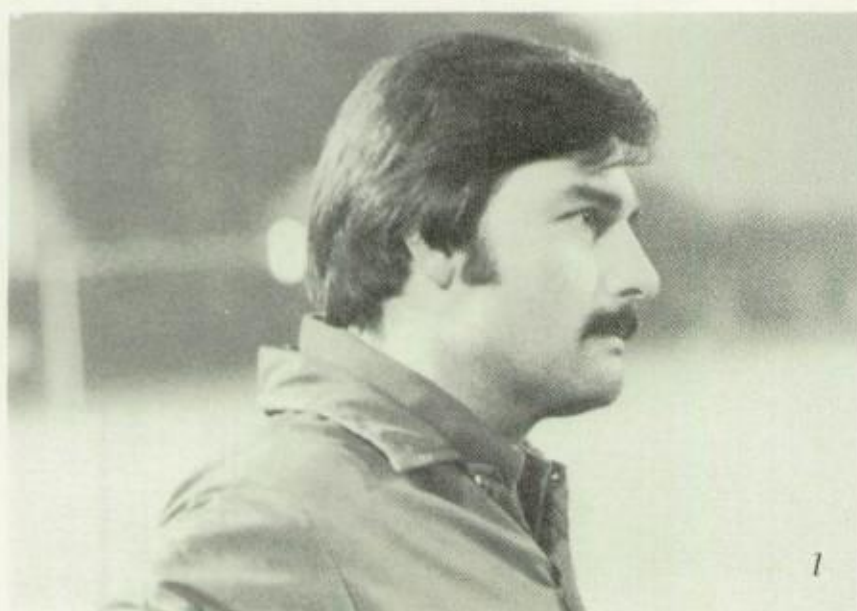

First year head coach Vince Senik brings class to La Habra. Coach Senik, who has been at La Habra the past four years as assistant coach, has instituted a classy operation by having the team show fair play on and off the field. The players reflected this in the classroom and in the games.

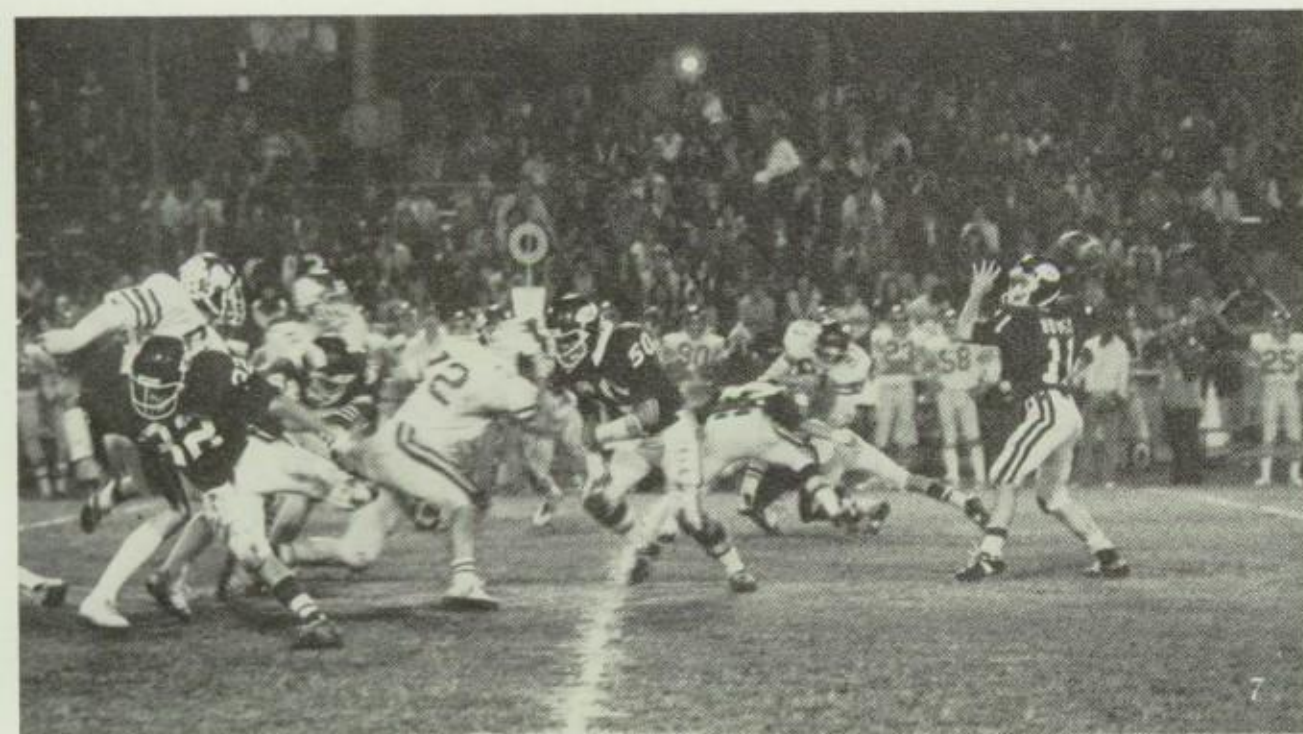

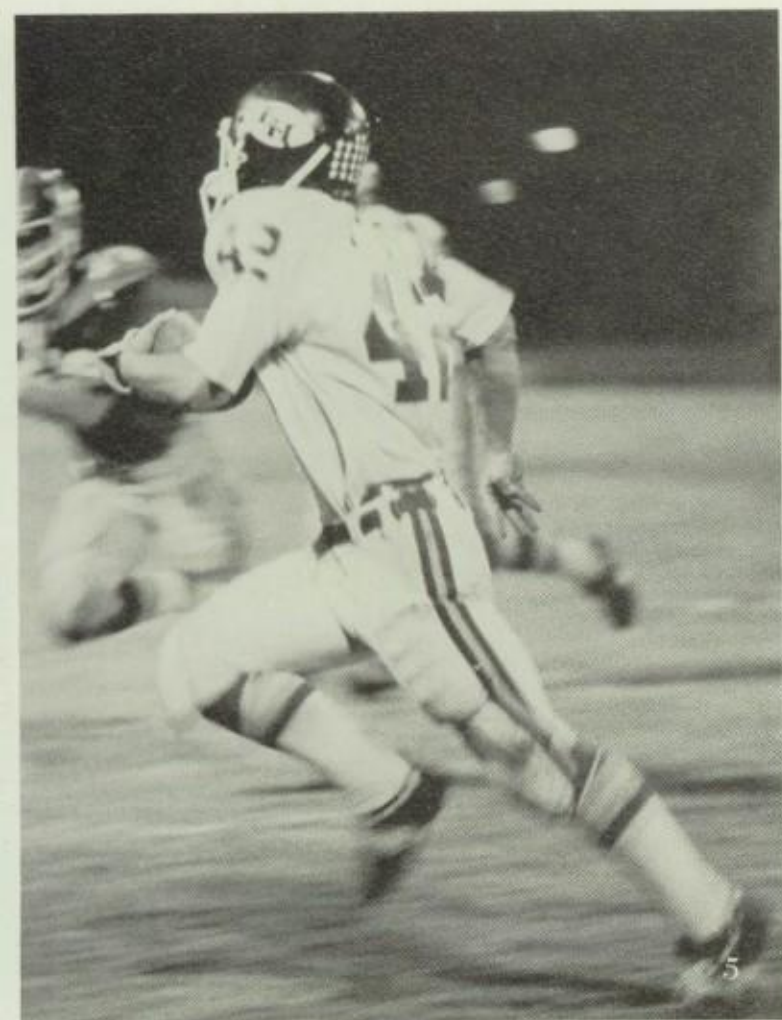

Coach Senik allowed the assistant coaches to take on more responsibilities. He gave the coaches control over their specialized areas and he was more flexible with the offense by listening to advice given by the assistant coaches.

Coach Dave Torbert, defensive coordinator, led the defensive unit to a very successful season. La Habra's history has shown excellent defense play and much of this credit must go to him.

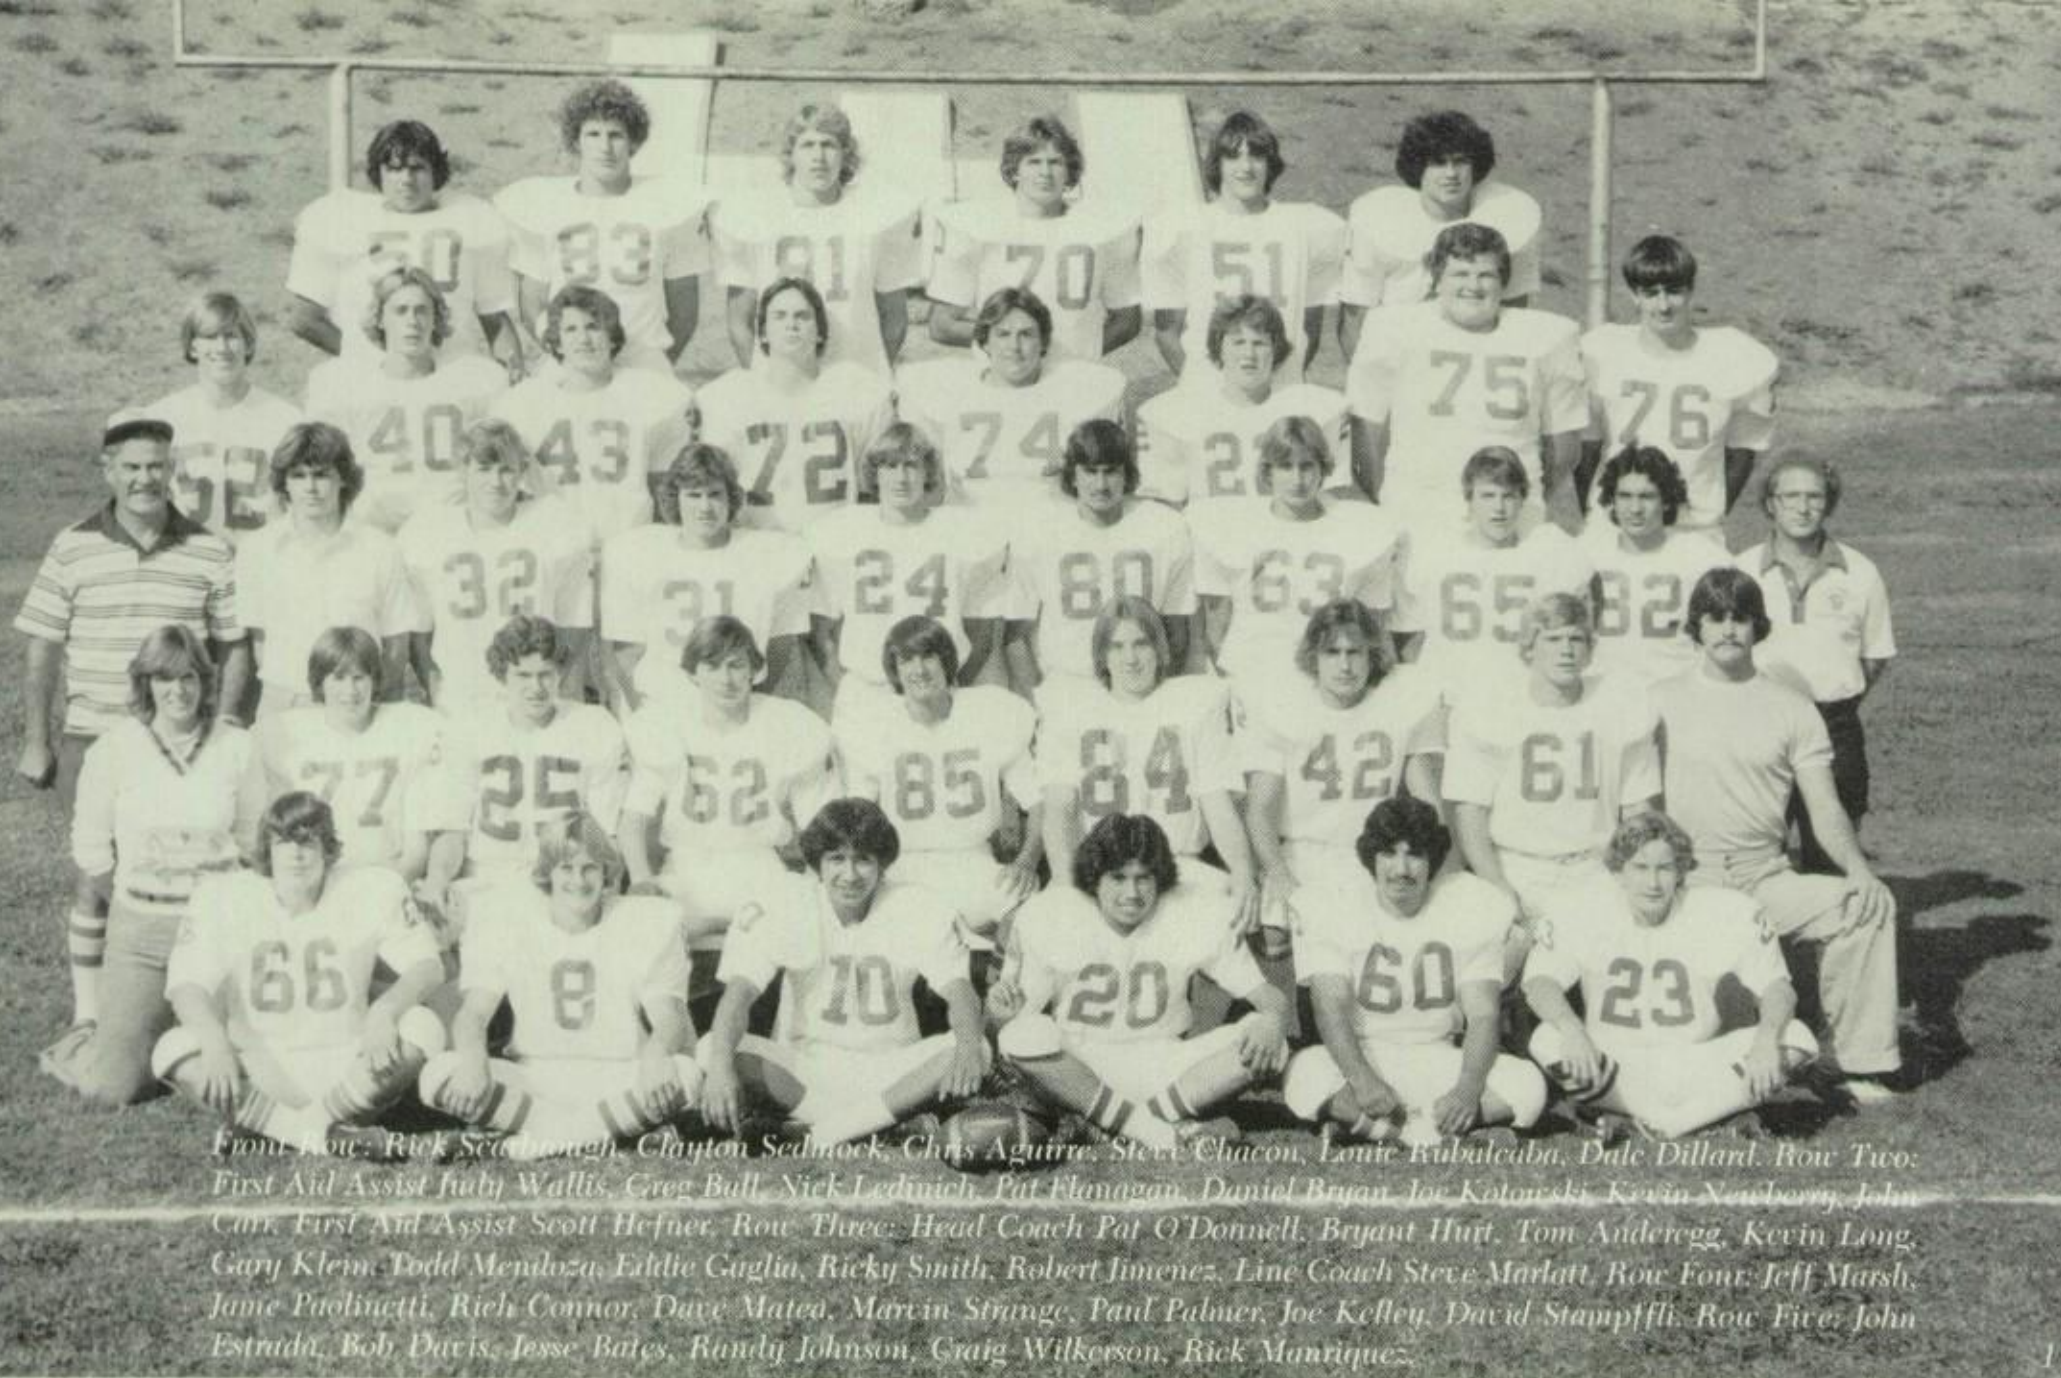

Receiver coach, Harry Dolen worked his receivers hard and in doing so helped our passing game immensely. He has turned out many good receivers.

This year's sophomore football team, coached by Mr. Pat O'Donnell and Steve Marlatt, ended a highly successful season with five wins and four losses. This was good for a fourth place finish in league competition. Head Coach O'Donnell commented that this year's sophomore team was outstanding as well as being one of the best teams he has coached since 1973. "It was each individual on the team that made it a good year. They were a hard hitting team that never gave up." Two of the many outstanding athletes on the team were Kevin Long, who led the running game, and Steve Chacon, who led the passing game. The backfield had many powerful running backs that were ready for anything. The sophomore team was helped by assistant coach Steve Marlatt. Before Steve came to LHHS he spent two years at Corona High and four years at North Hills, and one year at Ramona, where he was line coach for the Varsity football team. This was Steve's first year at LHHS, and he coached the offensive and defensive lines. The defensive line had three shutouts throughout the season and really stuck it to their opponents. The offensive line improved as the season progressed by opening the holes, and finished the season strong. Much time and effort was put in by the coaches, as well as by the players who showed much potential. With their tremendous enthusiasm, they should provide excellent teams in the future.

This year's freshmen were a big team with a positive attitude. In league the Highlanders defeated the Brea Wildcats in a frenzied battle. At this point their record was 2-1 and things were looking bright. Although they lost the next six games, coaches Joe Quesada and Randy Worthington saw many bright spots. One of these was tailback John Patlian's four long runs and his one return for touchdowns. Another strong point was the play on both offense and defense of Most Inspirational Player, Doug Denhart. Scott Wilke was chosen the Most Valuable Player for his leadership and countless tackles. Even with a 2 and 7 record the Highlanders are still the team to beat in future contests.

Cross Country Wins League

La Habra's, Varsity Cross Country team proved to be one of the best, as they went undefeated in preseason and Orange League play. They compiled an 8-0 record while winning the Orange League crown. The team was led by Mike Tobin and Paul Croft who finished third and fourth respectively at league finals. They were closely followed by juniors Dave Short and Warren Gates who finished tenth and twelfth at league finals. Glen Pyne as a first year runner finished fourteenth in league. All five of these runners were named to the All League Team. Some of the other runners were, Senior Larry Hurd and Juniors Kent Santillan, Edd Maris, Jeff Coons and Jim Collins.

Other high spots for the harriers were that they finished third as a team at the Sonora Invitational. They also finished second at Mt. Sac and fourth at Buena Park Invitationals.

Glen Pyne was injured at league finals and was unable to run in CIF Prelims. The harriers took fifth in their race at CIF Prelims. The top four teams in each race qualified for CIF Finals. But overall they had a great year.

Sophomores Did Outstanding Job

This year's Sophomore team did an outstanding job all season long. They ran just as well or better than expected. They compiled a 5-2 league mark and 6-2 overall. This was good enough for a third place finish in league. The top runners for the sophomore team were Allen Fueng and John Kirylo. John Kirylo finished second in league, even though this was his first year. He was followed by Paul Garay, Allen Fueng and Todd Thompson, who finished in the top fifteen at league finals. Chris Hause ran very well, especially since this was his first year. The team gained a lot of experience, even though they had several first year runners. With a lot of effort and dedication, they could be contenders for the league championship next year.

Freshmen Gain Experience

Danny Kirylo, David Campos, Scott Richman, Brian Crandall, Charles Martinez.

The Freshmen didn't compile any kind of record because they ran with the Sophomores. Even though they ran with the sophomores, they did an outstanding job. Running with older people gave them a lot of experience, which they will need in future years. Brian Crandall along with the other Freshmen, helped the Sophomores to a winning season. If they keep up their hard work and dedication, they will be very strong runners in their Senior year.

Water Polo: a Unique Game

Water Polo is a very unique game. There are seven positions on each team, goalie, two posts, point, two wings, and hole.

The Goalie stays back at the far end of the pool to protect the goal.

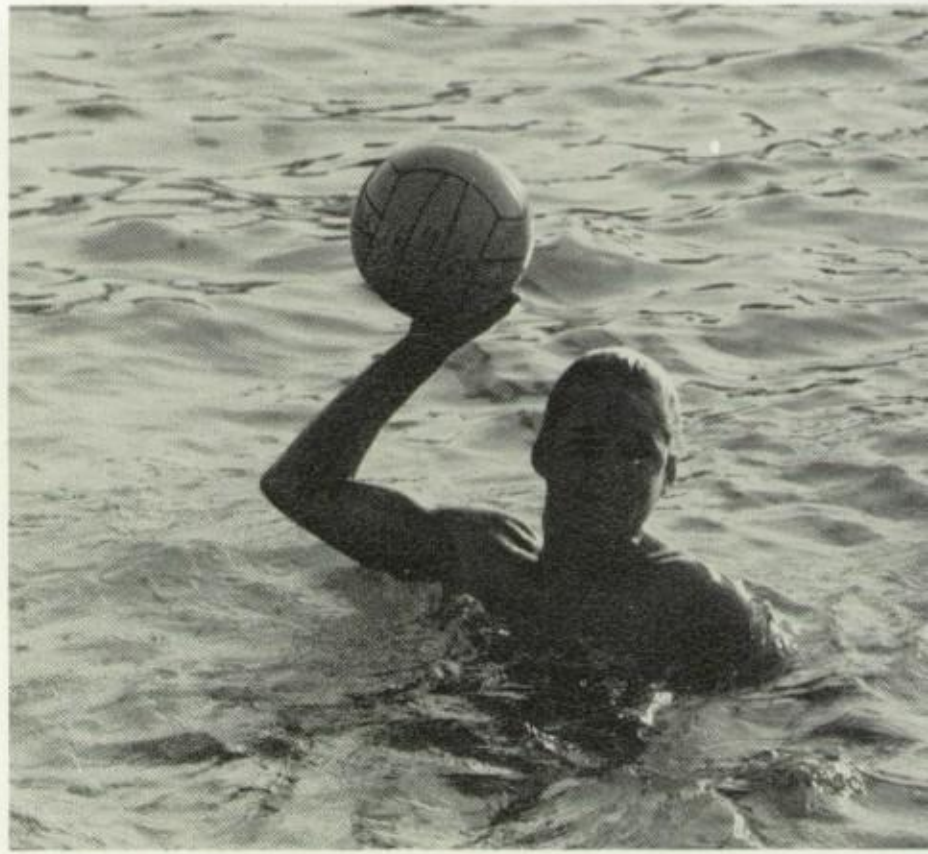

The point stays to the rear of the group and coordinates the offensive attack. Point also drives and shoots whenever there is an opportunity for a goal.

There are two post positions, and both play around the middle of the pool on either the far right or the far left. A post will either drive or shot.

There are also two wings, who are positioned toward the opposing teams side. A wing's duty is to pass to attain the best chance to score.

The hole is positioned in the center of the team. He can pass or shoot. Hole has a good view of the game situation, so his passes and shooting are important.

The object of the game is to out score the opponent by throwing the ball into the opposing team's goal. This game is very fascinating, unusual, and exciting to watch.

This year's water polo team did well, considering its setbacks: namely youth, and a quick change in coaching. They improved each game at the skills and team co-operation

Their youth was shown by only having one senior on the team, Dave Reilly. He helped the team as much as possible. Dave was also the team captain and played hole and wing. Dave was also honored in being elected a member of the All League Water Polo Team.

Brent Cross was another very exceptional member, he was also elected into the All League Team. Brent's positions were post and hole, making him a very effective offensive player.

This year's team had many talented players which will be key assets to future teams. Mike Glandorf, a very valuable point, drove and shot for many of his teams points.

Bill Bacon was very instrumental to the team. Bill played goalie and saved a great many would-be goals. Bill was a very valuable member.

Paul Jahn, Chris Peterson and Paul Gibbons all played wing and did a great job in passing at the right times in order to score.

Dave Yoshihara rotated and did well at the many positions he played.

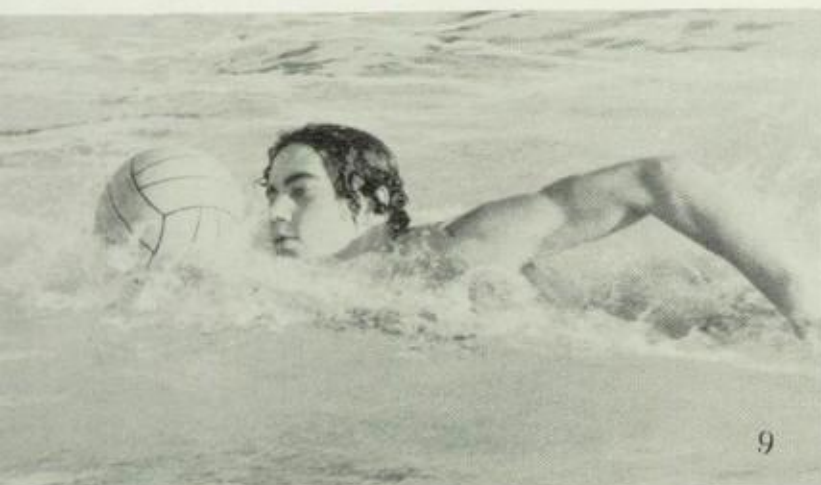

Charlie Robertson and Tom Leyen both played post very well.

Frosh-Soph Gain Experience

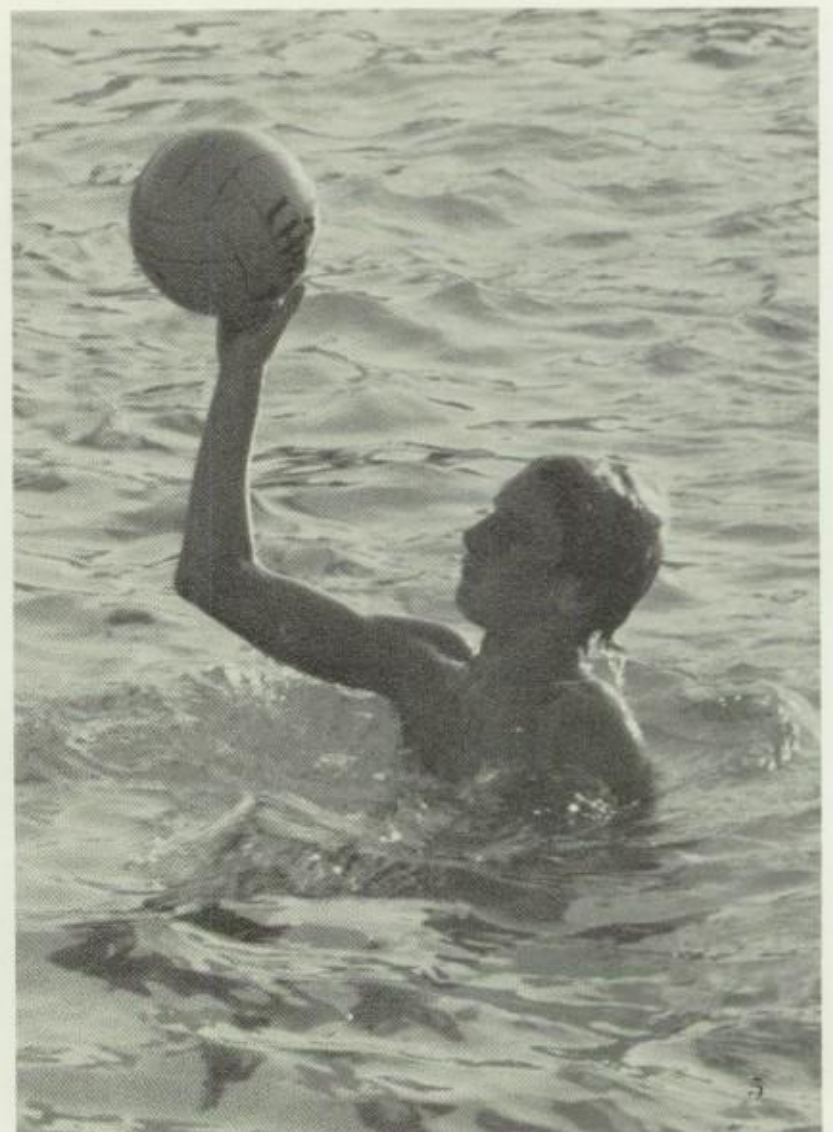

Row 1: Russel Sterner, Steve Williams, Jim Stolzman, Greg Arce; Front Row: John Haber, Doug Barkley, John Stark, Ken Bales, Ben Katzen; Row Two: John Wong, Mark Bennett;

This year's Frosh-Soph. water polo team had a record of zero and seven. The team was led by Jim Stolzman, who was the leading scorer and he shows a lot of potential for future years. The captain of the team was Russel Sterner, who played goalie. Doug Barkley led the team in assist. The team consisted of three Sophomores and seven Freshmen, and they improved a great deal during the regular season. These swimmers, if they put in as much work and dedication as they did last year, should become major contenders for the league title next year. But overall they had a very fun and exciting year.

The Highlander Basketball Team once again proved to be just as strong as ever. The team closed its season after a tough loss in their second C.I.F. game to second rated Downey. They finished with a fine 18-7 record overall. They beat six teams that went to C.I.F. play-offs, and that in itself should prove something to everyone.

Leading the Highlander team was ballhandler Korby Wadkins. Korby not only was the team captain, but he took control of each game to lead the Highlanders to victory. Another player, one of the best in Orange County, was John Pierce. John was the scorer and the rebounder of the team. Other players, who returned to play better than ever, were Scott Macis and Bobby Jones. The Highlanders also had two surprise players, Bryan Mendoza and Paul Prendiville. One of La Habra's assets was that the second team, made up of mostly Juniors, was able to score coming off the bench.

So with the Juniors returning for another year, La Habra's tradition of fine basketball will not be in danger.

Determined Junior Varsity

The 1978 - 1979 J.V. basketball team was coached by Mr. Chris Dennis. This was his first year at La Habra, and he coached the team to an overall record of 11-10. The team worked hard and demonstrated much ability. They were led by Captain Chris Thomas, whose performances were always excellent. The team competed as a whole, rather than as individuals, and this benefited their record. The athletes showed determination, pride, and technique throughout the entire year.

The sophomore basketball team was assisted by a new coach: Steve Marlatt. Although both the coach and the team were faced with many problems, they were able to overcome many of them. The teams captains were Todd Thompson and Paul Palmer, the later of whom led the team in scoring and achieved a season record of 202 points. The leading rebounder was Todd Thompson who ended the season with 78 rebounds. Bob Davis scored the most in free throws and Craig Wilkerson led the team in assists. As a team, the sophomores finished 0-18. Although they did not do well, they should be admired for their courage to fight and their pride for La Habra.

This year's freshman basketball team was an outstanding group of athletes. They were coached by Mr. Mike De George, who has achieved two league titles and a record of 39-1 after two years of coaching at La Habra. This year's freshmen had a league record of 13-1 and they won the Orange League title. The team showed much potential and enthusiasm throughout the entire year. The team was led by two captains: David Van Breeman and Greg Golden. Greg Golden led the team in shooting and David Van Breeman led in rebounds. David averaged twelve rebounds per game. However, each player should be noted for the outstanding job that was done. The players were not only talented, but they never gave up. This enabled them to win their games even in the most difficult situations. The freshmen basketball team has every reason to be proud and to look to a rewarding future.

Wrestlers Gain Valuable Experience

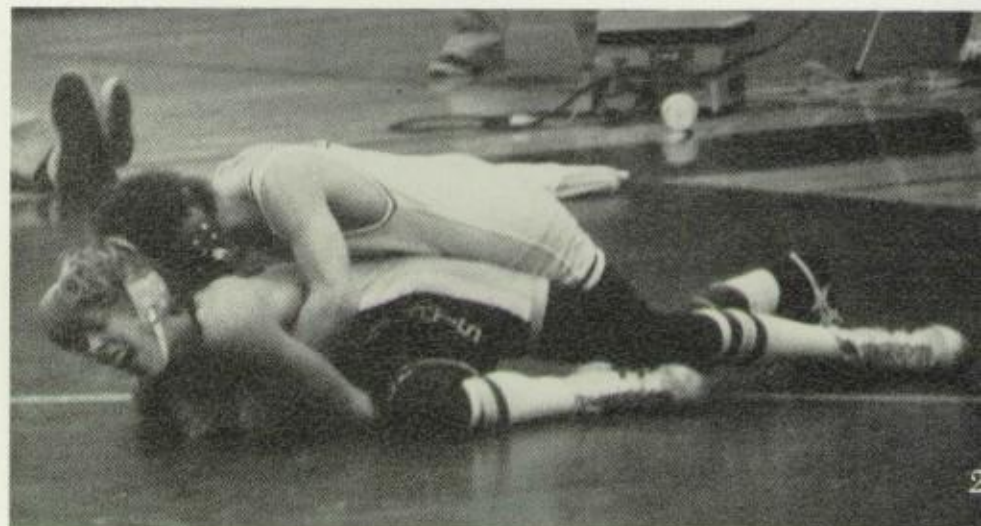

Front Row: Trung Tran, Ray Moody, Kent Santillan, John Kyrio, Tom Amadori, Tom Magdaleno, Row Two: Rick Scarborough, John Aguilar, Chris Bohne, Kevin Lockhart, Gary Payton, Kirk Matsushige, Row Three: Coach Harry Dolen, Tony Corina, Dave Stampfli, Coach Randy Worthington.

The 1978-79 Wrestling was a very young squad with only 5 returning letterman, 2 sophomores and 1 rookie.

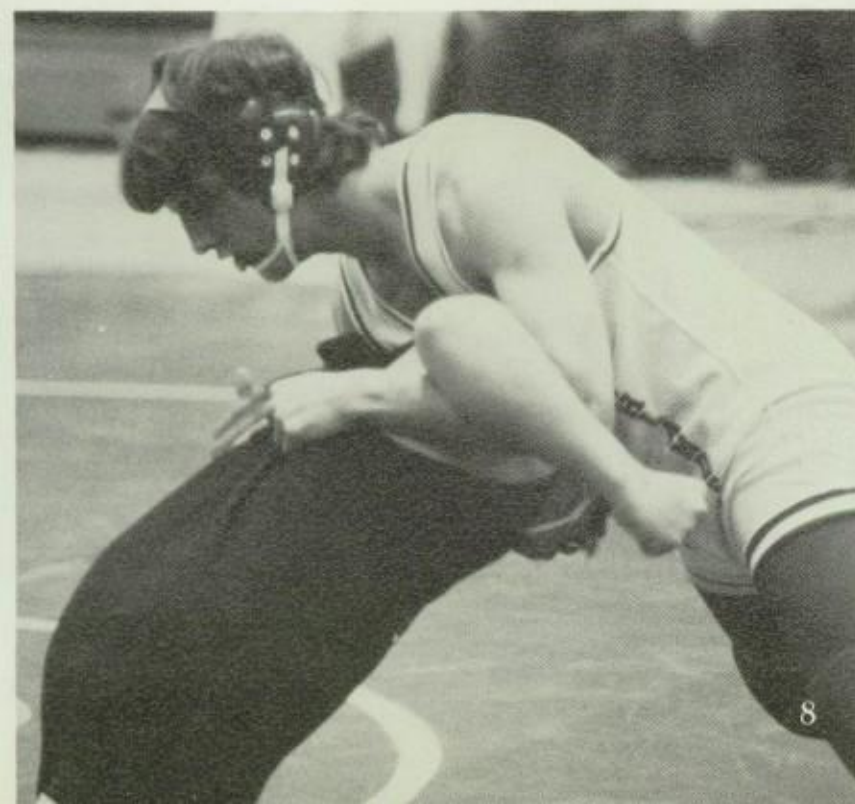

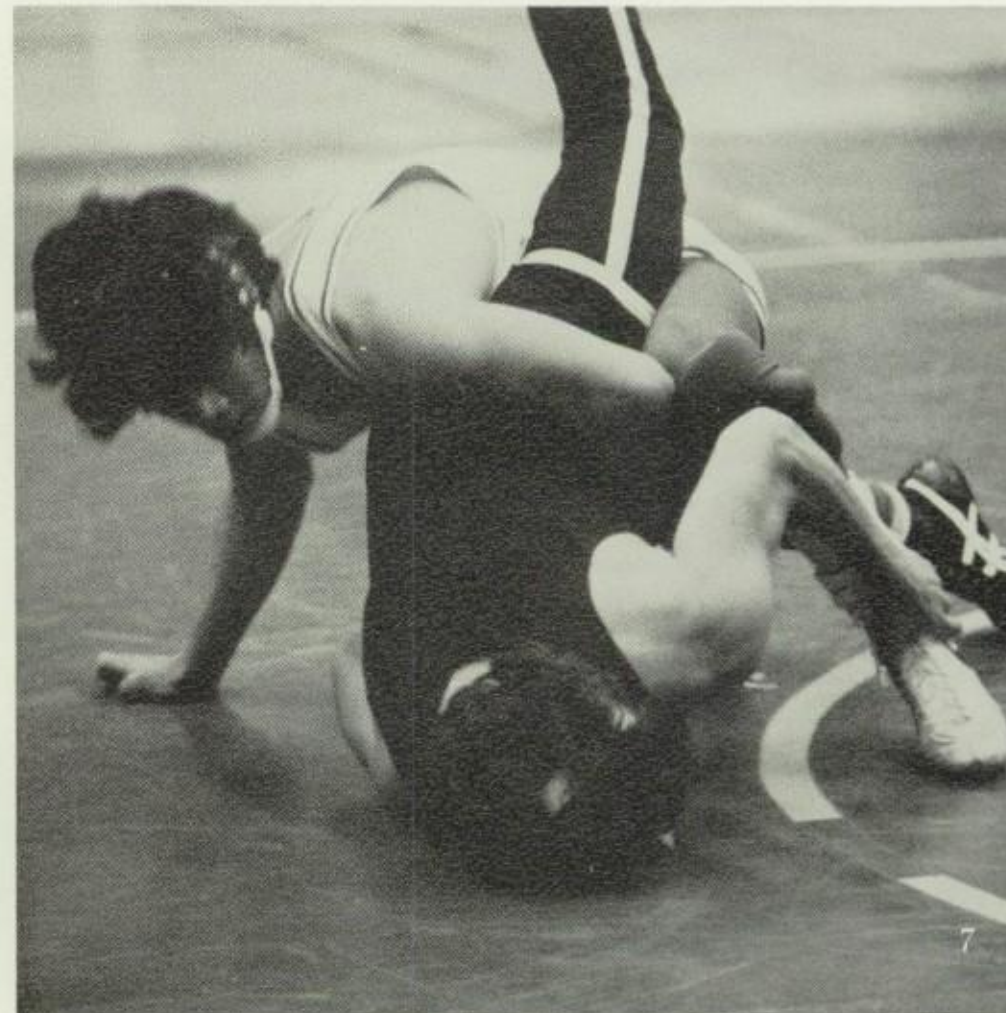

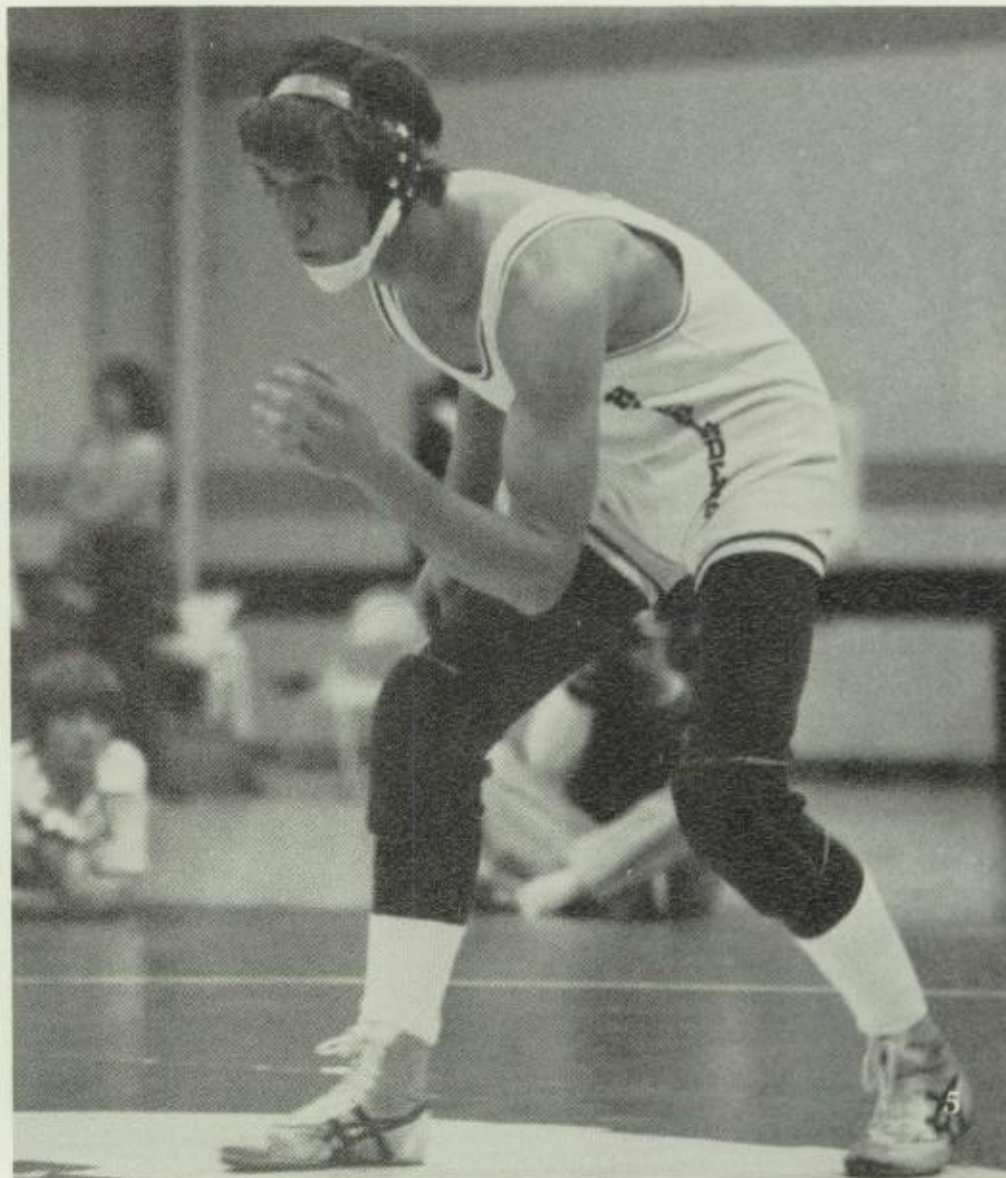

Though the overall record was not outstanding, many of the individual matches were very close. These close matches could have changed the outcome of the overall team score had we won.

An element which had an effect on the season was the changes in the lineup due to illness, injury, or not making weight, because of this many young clansmen got valuable experience. This season was highlighted by some impressive matches and outstanding wrestlers. The match against Fullerton in which the teams set two school records, most points scored, 66, and most consecutive pins, 8, was one of the outstanding matches. The El Dorado match, El Dorado being the defending Orange League Champs, was decided by a mere twelve points, the difference between winning one or two more matches. The outstanding individuals were, Kent Santillan with an 18-2 record and qualifier for CIF competition is one, followed by Tom Magdaleno 13-5, and Tony Corino, 13-7, and many others. These highlights were possible due to exceptional coaching. Coaches Randy Worthington, who put in his own time, and Harry Dolen, who stuck through the hard times with the team, should be credited for all the good that came out of this season.

J.V.'s Have Successful Season

Front Row: Dino Smith, Danny Kirylo, Louie Aguilar, Jim Collar, Robert Isaacson, Doug Horgan, Row Two: Dan Bryan, John Beals, Jay Edmonds, Dave Worthington, Andy Severe, Pat Flanagan, Row Three: Frank Super, Eddie Gaglia, Abe Zinburg, John LaVenture, Gary Klein, Randy Magdaleno, Row Four: Scott Mahan, John Carr, Dennis Delarosa, Row Five: Coach Harry Dolen, Jim Ellison, Jim LaVenture, Coach Randy Worthington.

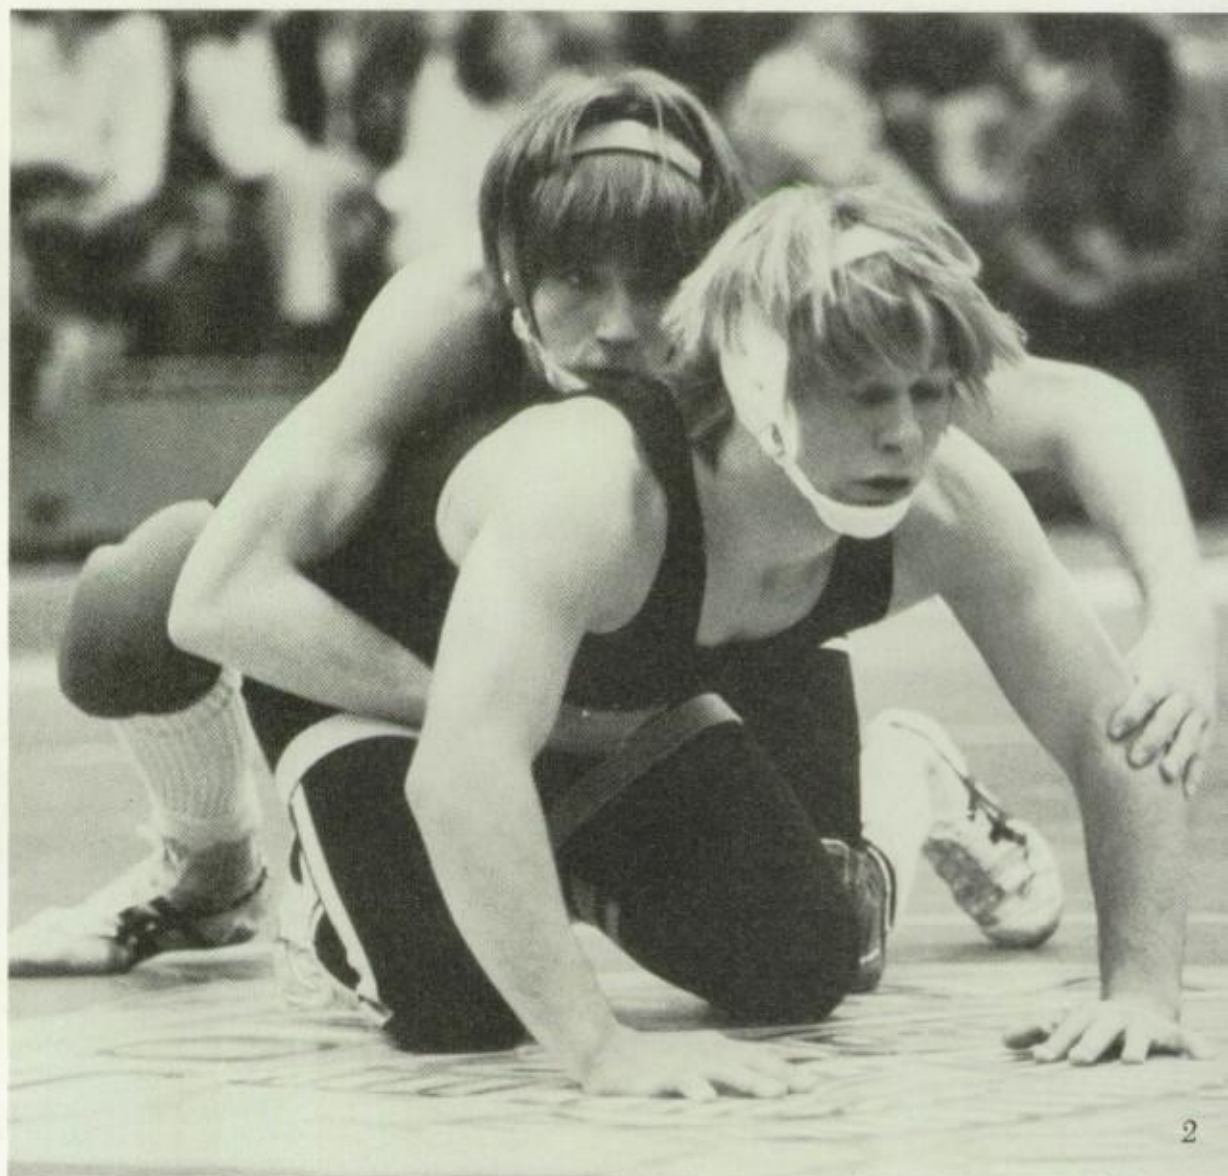

The 1978-79 Wrestling season was a fairly successful one. They had a record of 3-4 in league and 2-0 preseason, which combined for an overall record of 5-4.

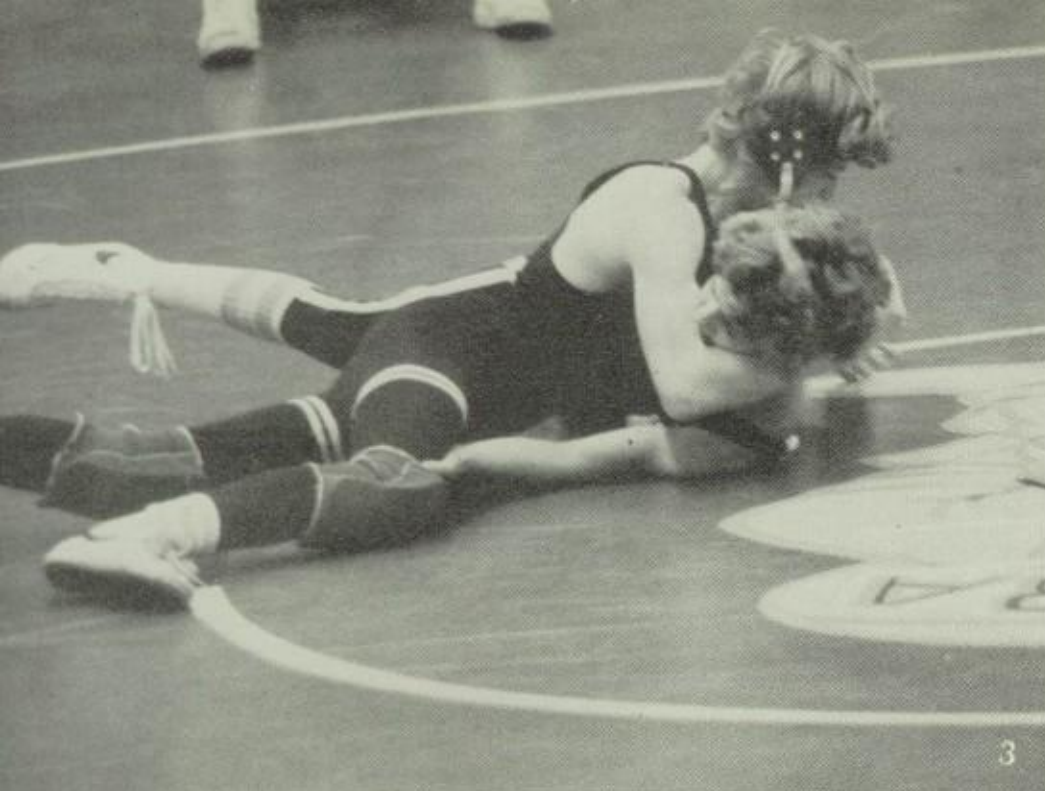

The team was led by Eddie Gaglia and Frank Super. Eddie Gaglia had a record of 6-1 while Frank Super put together a 5-1 record. Other standouts were Jay Edmonds with a 3-1 record and Gary Klein. Gary Klein set a school record for the fastest pin in twelve seconds! With this young talent coming up, the varsity should have a good future.

The fine coaching by Harry Dolen and Randy Worthington made this year an exciting one. With Randy Worthington putting in his own time, and Harry Dolen sticking it out through all the ups and downs of the 78-79 season, made it possible to have a successful one.

Swim Team Shows Improvement

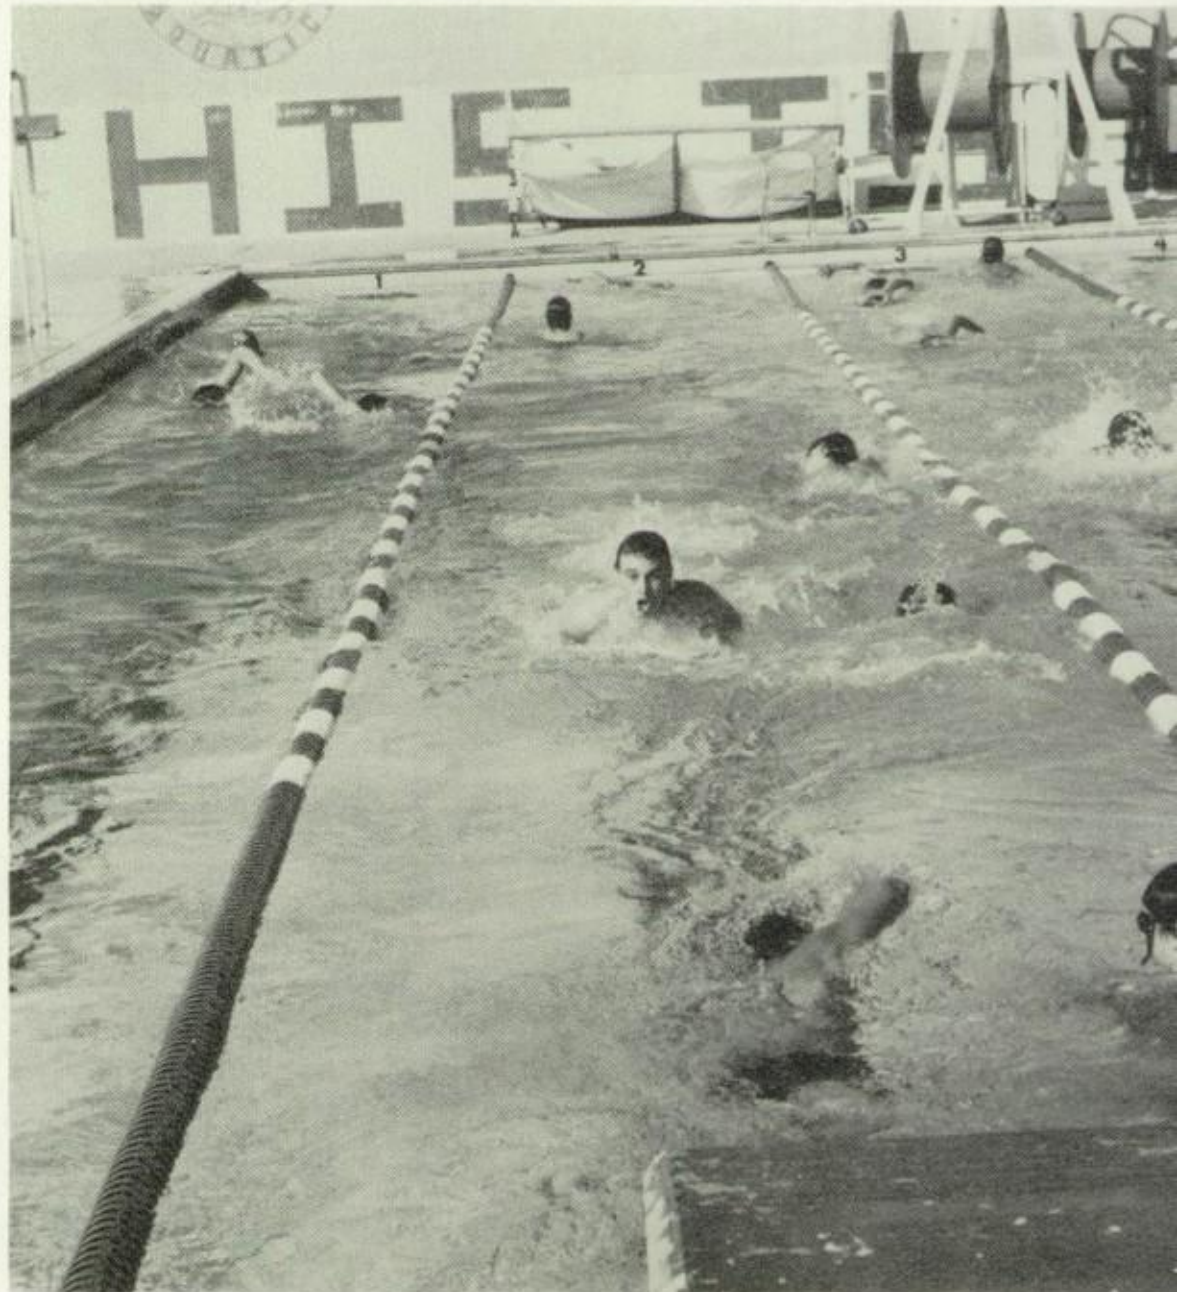

Front Row: Doug Barkley, Charley Robinson, Paul Gibbons, Row Two: Paul Jahn, Mike Glandorf, Tom Layen, Derek Gerber, Row Three: Dave Reilly, Fred Imhof, Brent Cross, Jim Imhof, Clayton Sedmock, Not Shown Matt Tapscott.

This year's swimming team was an improved one according to Coach Dale Lundin. In his first year as coach, he brought the team a 2-5 league mark and a 3-6 overall record. Which was better than the last two years in which they posted 0-7 records in league. The team was led by Fred Imhof, who was captain and Matt Tapscott. Fred Imhof and Dave Reilly are the only seniors on the team. So the team is a young one but very experienced. Matt Tapscott went to C.I.F. in diving. He is only a sophomore. Other swimmers are juniors Brent Cross, Jim Imhof, Mike Glandorff, Derek Gerber, Paul Gibbons, Sophomores Clayton Sedmock, Paul Jahn, Tom Layen, Doug Barkley and Charley Robinson. Charley Robinson broke the Sophomore's Breast Stroke record with a time of 1:14.6. Charley Robinson also was the most improved one on the team according to Coach Lundin.

If the team attitude stays good, they will get more accomplished next year, and if they keep working as hard as they've been, they could be contending for the league championship next year.

This year's Frosh.-Soph swimming team is greatly improved as compared to the teams in the previous two years. This year's accomplishment was placing third in Brea's 16 team invitational tournament. Charlie Robinson, a sophomore broke the school record in the Backstroke with a time of 1:14.6.

The team compiled a 2-4-1 record this year. The team was made up of three sophomores and two freshmen. They were sophomore's Greg Arce, John Haber, Russell Sterner, freshmen's Ben Katzan, and Ken Bales. Russel Sterner was the most valuable and improved swimmer.

If the team attitude stays good, they could improve more next year. And if they keep working as hard as they've been, they could be on varsity and contending for the league championship.

This year's Varsity Track Team has really improved over the past two years. Now that the team has more experience, they have put a tough fight against the other contenders for the league championship. This team was made up of five seniors, eighteen juniors and five sophomores. Some of the outstanding seniors were Roger Hovey, who ran the mile, the 440, and the 440 relay, Paul Croft who ran the mile, the 880 and the mile relay, Chris Bohne, who pole vaulted, and John Pierce, a high jumper. There were also many excellent juniors, including Frank Super who ran 330 LH, 120 HH, 440 relay, mile relay, and Dave Short who ran mile and two mile. Kevin Long, a sophomore ran well in the 100, 220, and the 440 and mile relays. Credit is due to all of these athletes for the tremendous improvement that they have made this year.

Frosh-Soph Show Spirit

With Todd Valdma, Kevin Long, John Perretta and Bill Delarosa going up to varsity, this year's Frosh-Soph track team did a great job in league this year. They had quite a few gifted athletes, particularly Jesse Bates, Dave Stampfli, Allan Fueng and Todd Thompson. The team should especially be congratulated for its spirit. All of the track team worked as hard as they could and supported the other athletes. With some work and dedication, this team could be in the race for the league championship next year.

Varsity Tennis is Number One

Front Row: Dave Smith, Dave James, Harold Rhodes, Russ Sprinkle, Eric Tice, Quade Wright, Mike Martin, Steve Gross, Jeff McHenry, Kirk Mott, Eric Quade. Coach Martin.

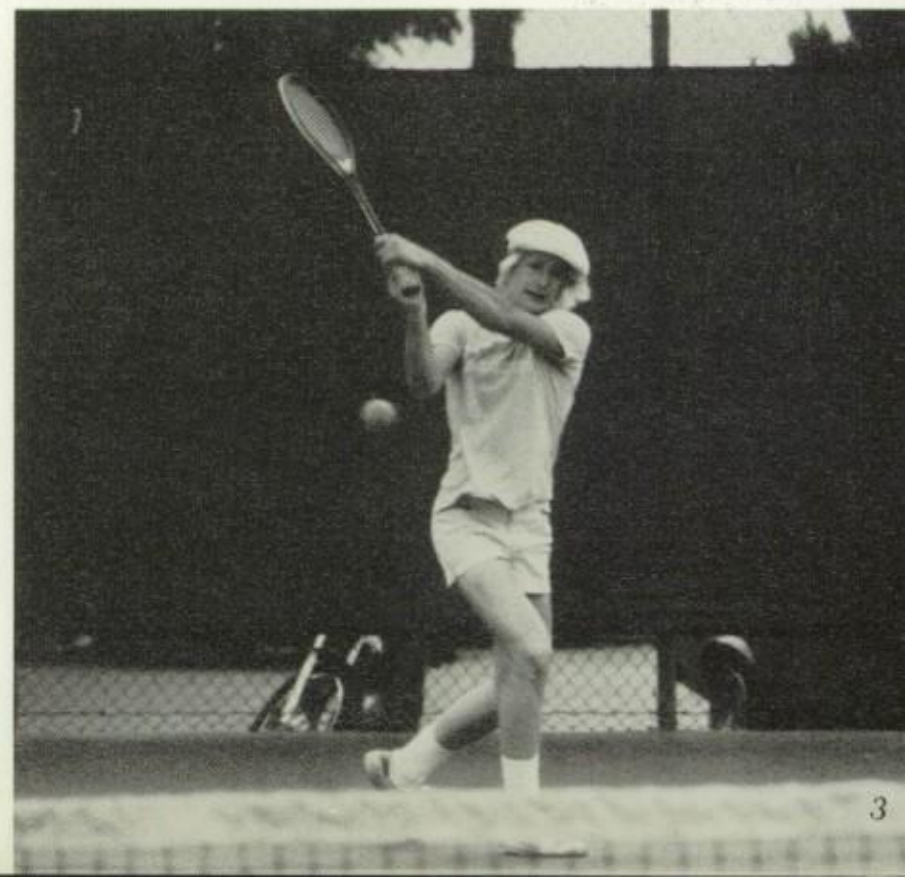

The Varsity tennis team is one of the best in the county. The key to this is that the players are so equal in ability with the exception of one; Eric Quade.

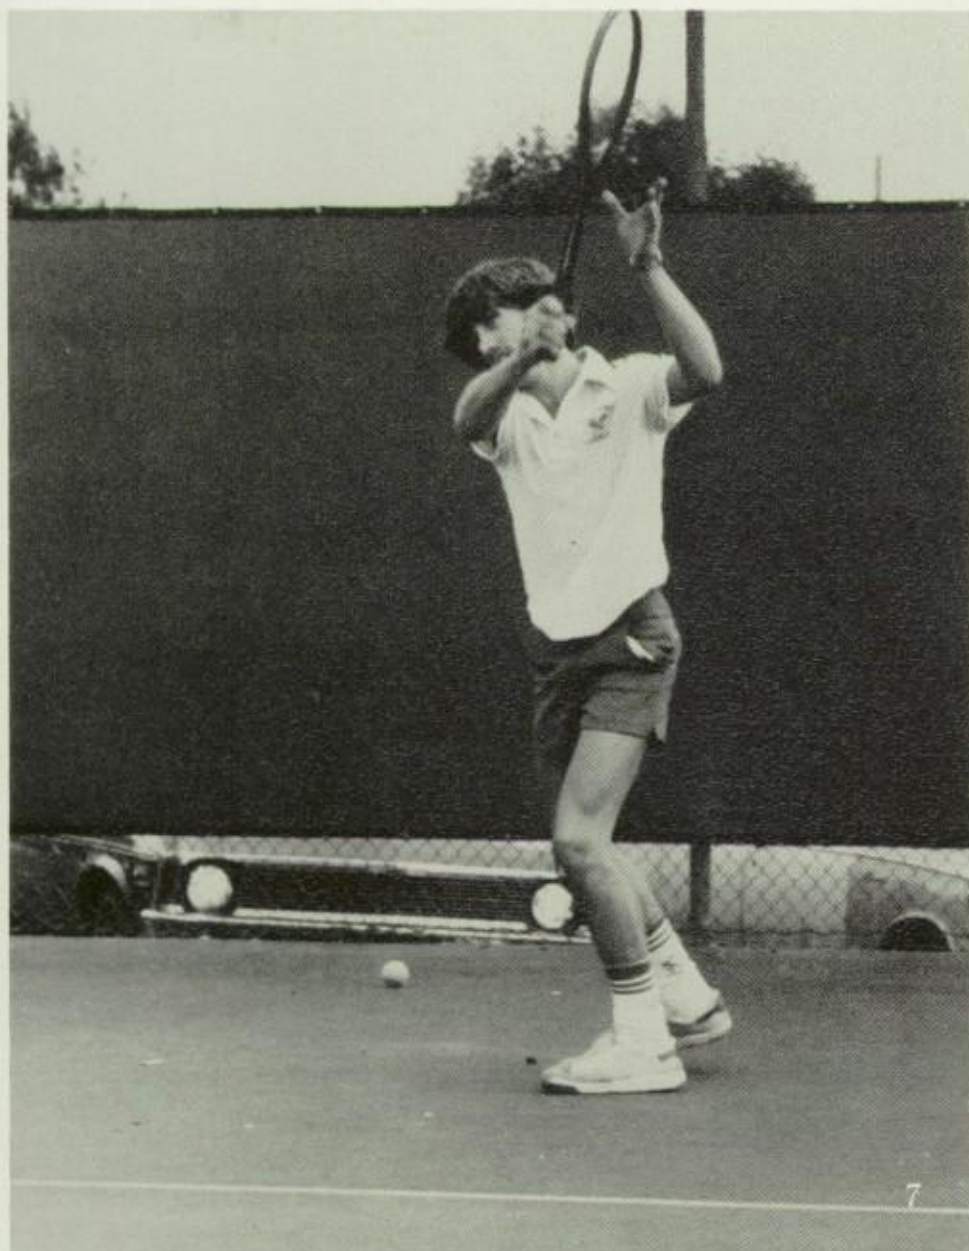

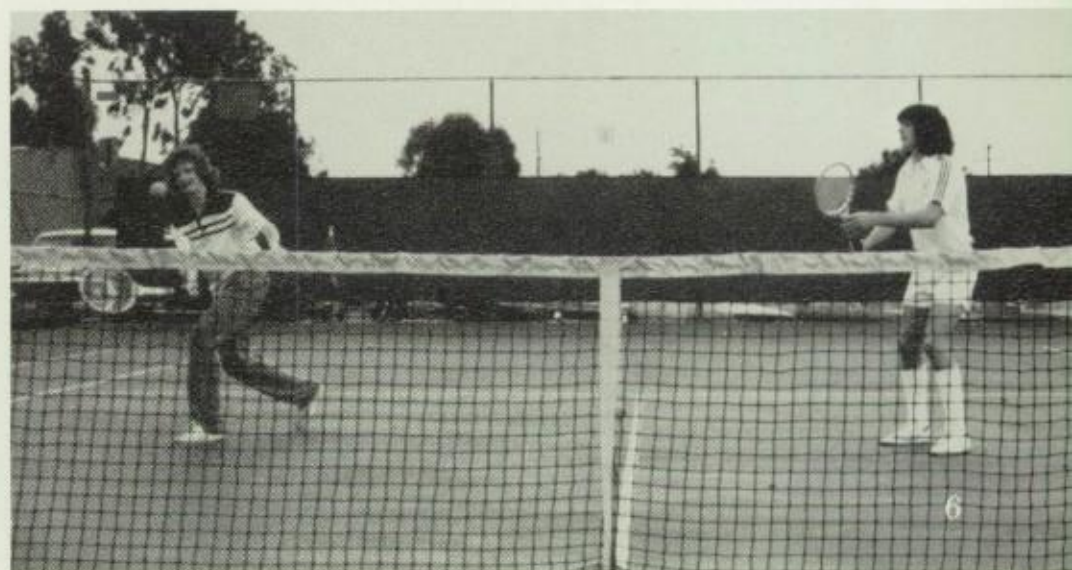

He has been the best tennis player in the history of La Habra High School. As a Freshman, he was the number two player on the team that lost in the second round of CIF playoffs. In his Sophomore year, he led the team to the finals of the CIF AA playoffs before losing. Eric Won 101 sets and lost 7 that year. In his junior year, Eric had a record of 98-2 and led the team to the CIF AA Tennis Championship. In two plus years in Orange League play, Eric has not lost a set and to date is 124-0. His career record is an almost unbelievable 300 sets won and 37 lost. Eric won the Orange League Singles Championship as a Sophomore and his Junior year was a member of the Orange League Doubles Championship team. Eric has been accepted to play in the prestigious Ojai Valley Tennis Tournament. This is quite an honor because there are 410 schools in the CIF-SS (3,280 players) and only 46 are selected to play singles. Needless to say, Eric holds many school records. Eric is not just a fine athlete but more importantly he is a dedicated, unselfish person who has always been willing to put the team before his own personal ambitions.

Thank you Eric Quade for your dedication and unselfishness to the tennis program.

Young Team Does Very Well

Front Row: Bill Green, Shawn McHenry, David Quirarte, Kevin Kuwabara; Row Two: Coach Wright, Jose Ferrino, Paul Dorado, Rick Partee, Scott Pape, Coach Marlatt.

This year's tennis team, which had only a little experience, did very well. With six of the eight J.V.'s with no J.V. experience, and many freshmen, they did well in keeping a three year winning streak alive for most of the season.

Their experience and team wins came from the leadership given by Rick Partee and Albert Franco, who often switched off with varsity players.

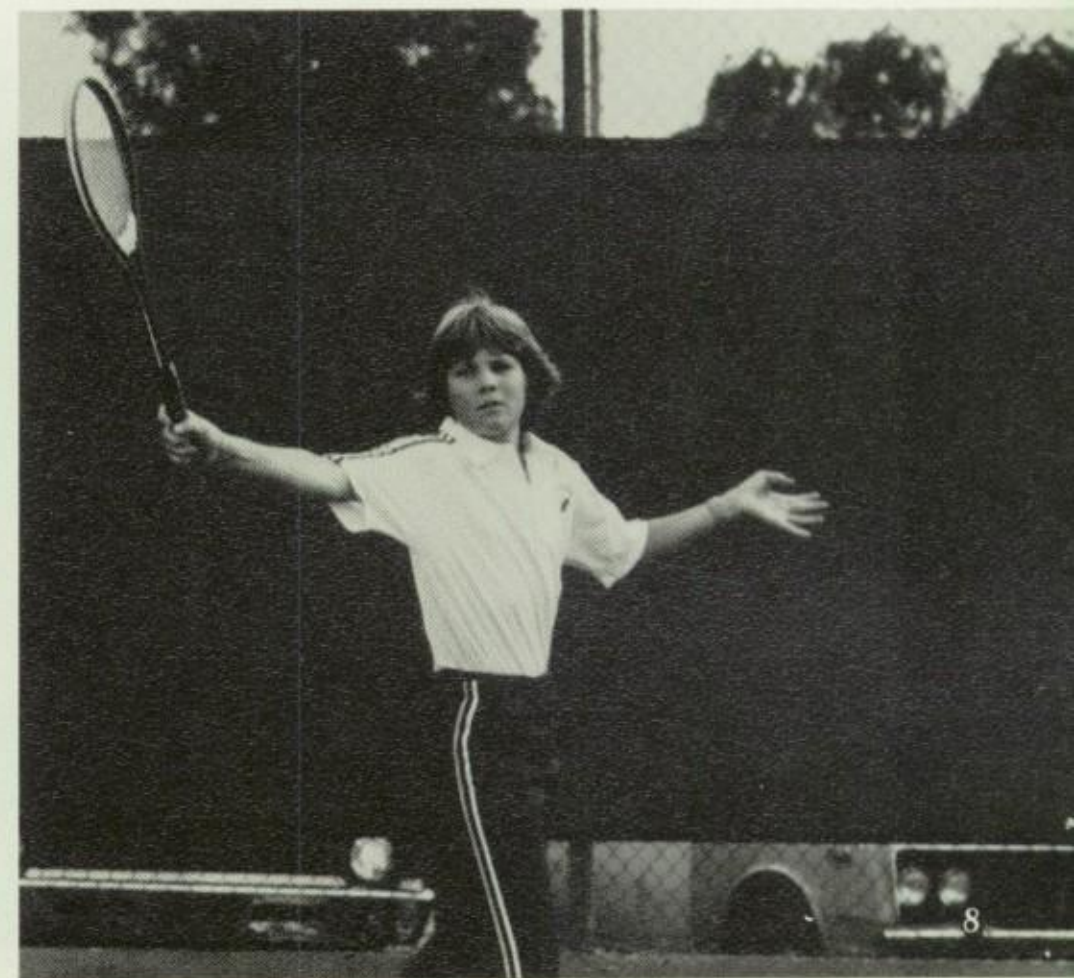

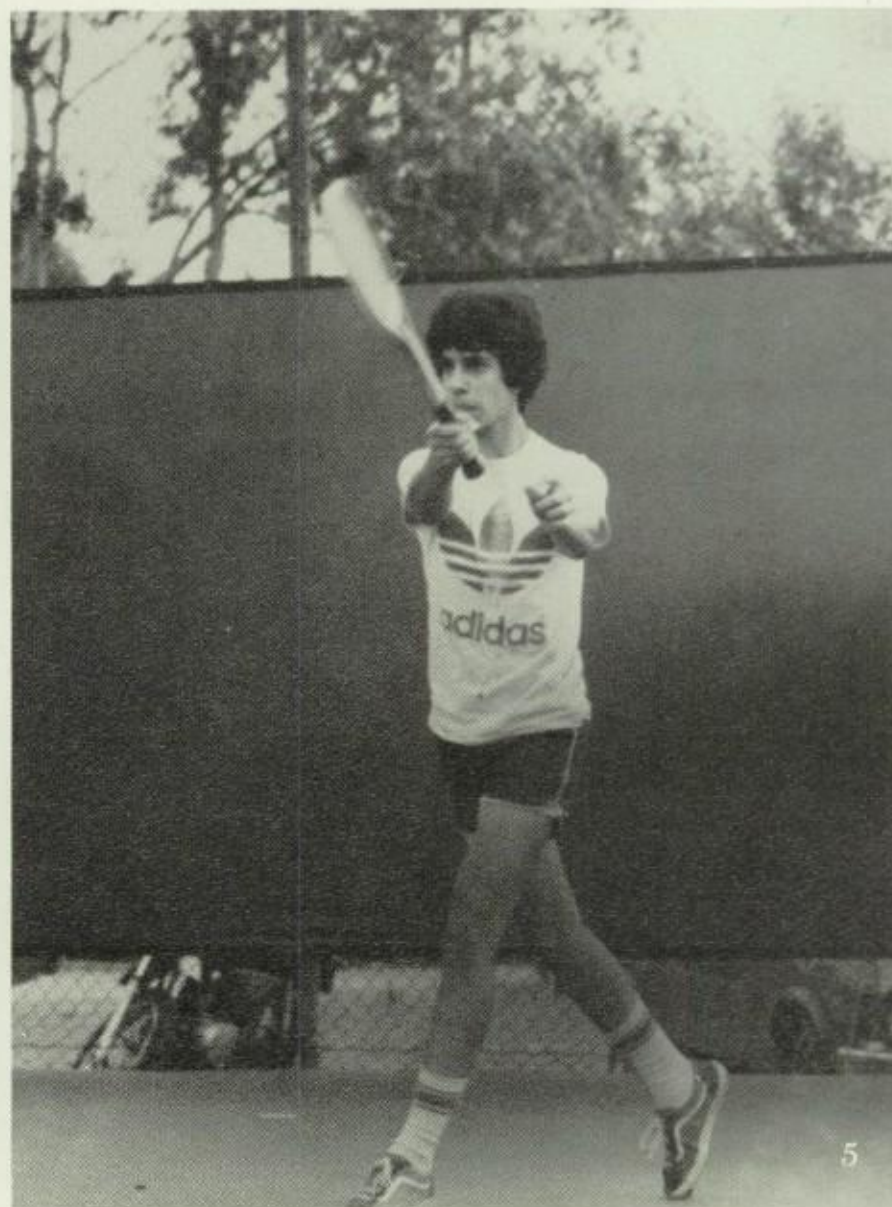

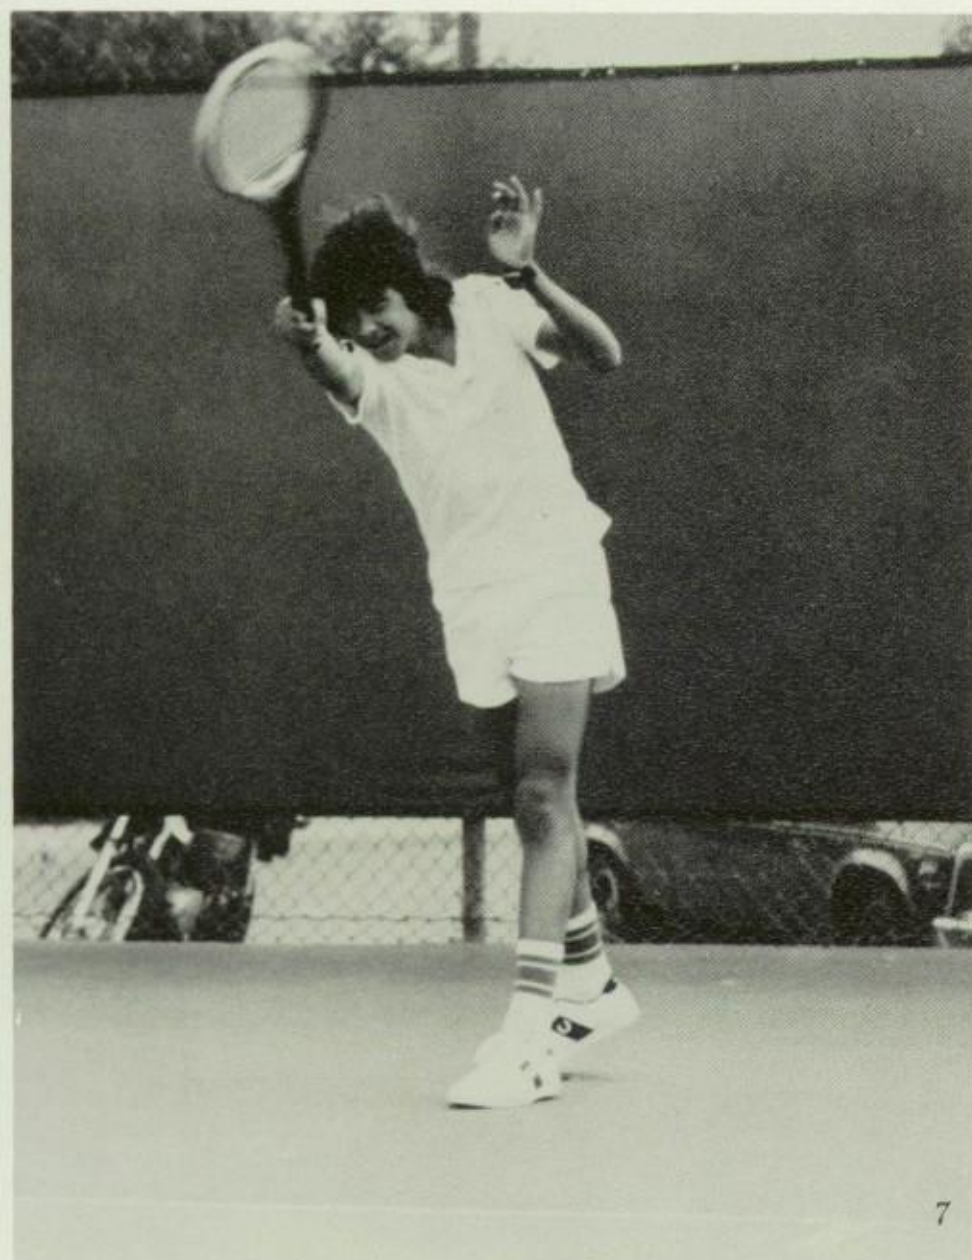

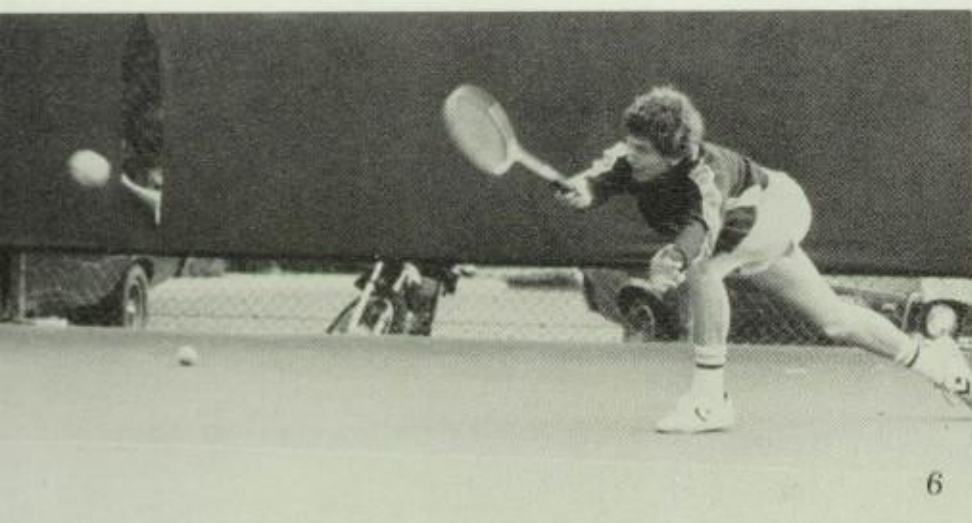

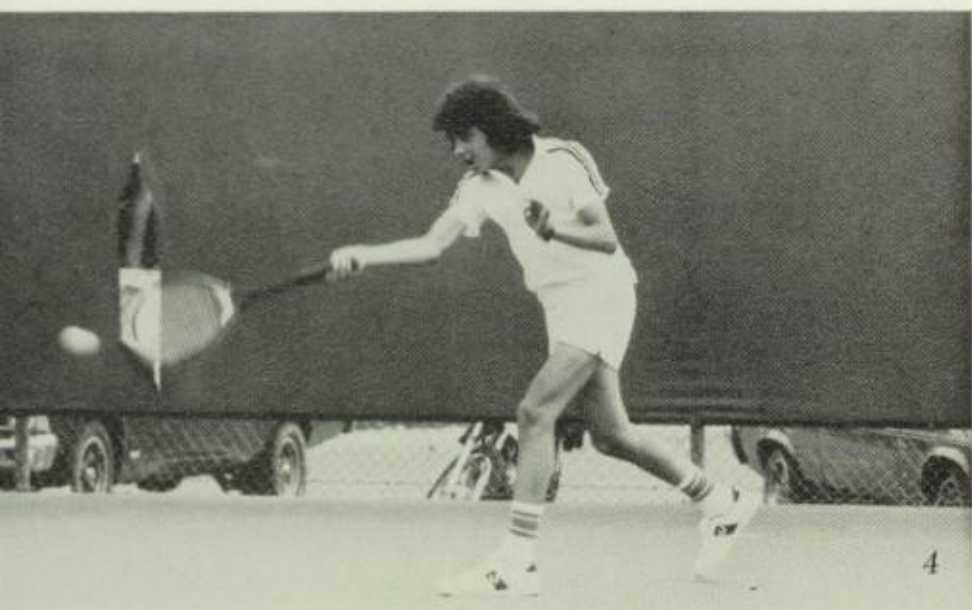

This team's good attitude and high spirits made the season extremely enjoyable. They were also very self-motivated and tried very hard, whether it be in practice or at a match.

These Clansmen followed well in the footsteps of their predecessors and leave a big role for any team to try and follow.

This is the first year that La Habra has had a Frosh-Soph tennis team. The team, which was coached by Mr. Wright, was excellent because of the abundance of players. These players developed their interest in tennis after watching the outstanding job that was done by last year's team. Other than those students who had played outside of L.H.H.S., the team had little experience, but they were led by Paul Dorado and David Quirarte, who both showed tremendous ability. This new tennis team should give L.H.H.S.'s Varsity tennis team another advantage, because the players in future will have had more experience. La Habra will be able to continue its history of excellence in tennis.

L.H. Hits Up A Storm in O.L.

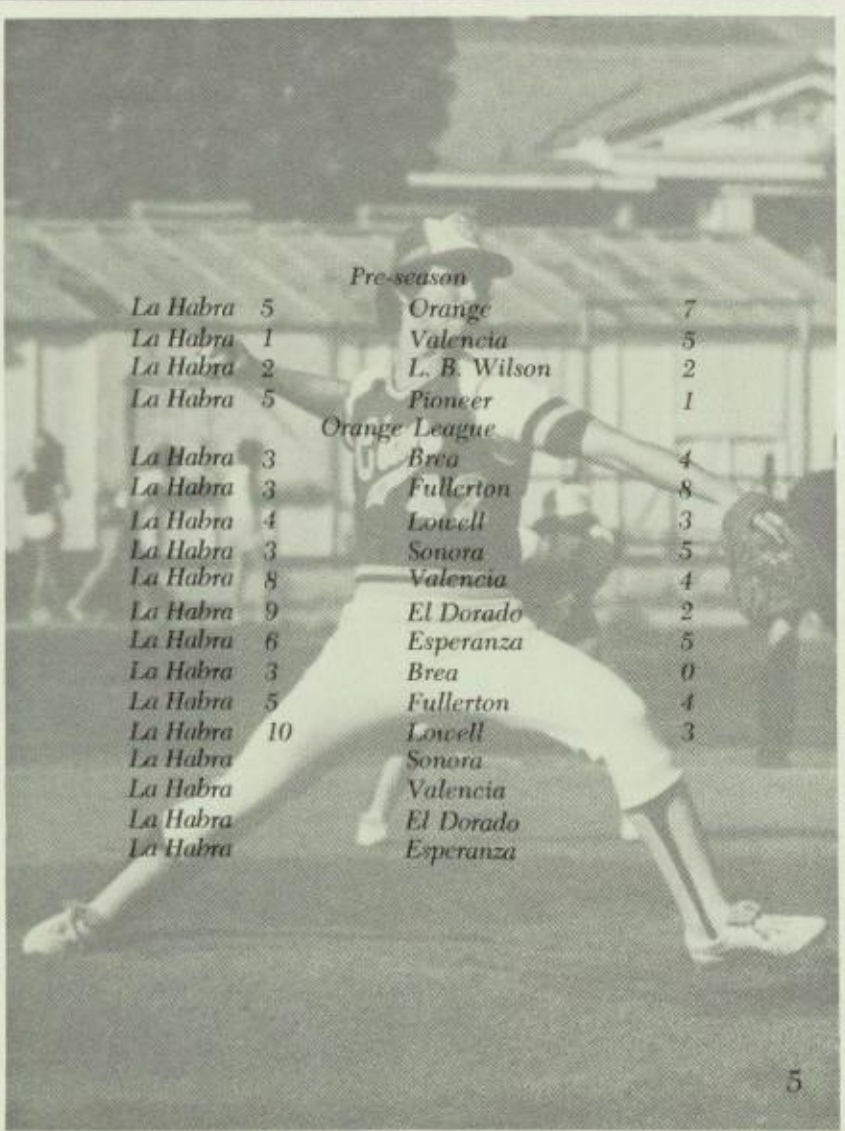

The Highlander Varsity baseball team was the finest in the past few years at La Habra. This team had the experience of ten returners, including two three year letterman, Jeff Ross and Vito Santoro. This is the kind of team that Coach Joe Quezada and Assistant Coach Steve Flores have been waiting for. This team had excellent hitting to get on the bases and great speed once they were on. The Highlander team played some solid defense to back up its fine pitching staff. The real team leaders on both defense and offense were Scott Shoup, Matt Sferrazza and Vito Santoro.

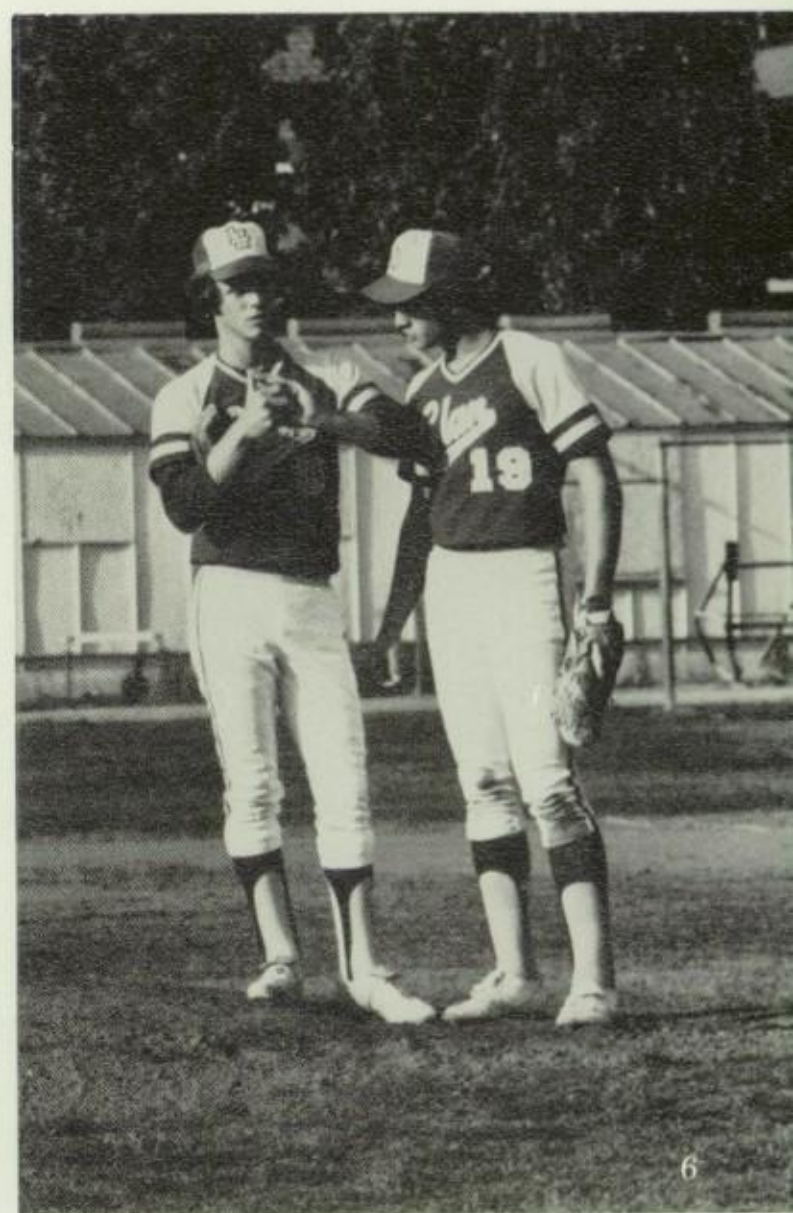

The team started out slowly, but as expected, it turned around to have a fine season. This team had to be near the top in hitting compared to past years at La Habra. On defense, La Habra was again solid, with Tom Hetzel, Jeff Ross, Scott Shoup and Bobby Sykes in the outfield. Behind the plate was Dirk Charron. At first was Co-Captain Vito Santoro, and the double play combination was Matt Sferrazza at second and Co-Captain Dave Arnold at shortstop. Playing the hot corner at third were Joey Valencia and Keith Fallon, and on the mound were Dennis Galaviz, Mark Kirk, Mike Lomeli, Richard Moody and Dave Williams.

J.V. Baseball Showed Good Effort

This is Coach O'Donnell's twenty-third year of coaching at La Habra and he has loved every minute. Coach O'Donnell has seen many students pass through L.H.H.S., including the Varsity baseball Coach, Joe Quezada. The Coach felt this year's J.V. baseball team has a good attitude and they showed concern for each other. The J.V.'s offensive power came from Craig McKenzie and Dennis Suttle. Gary Klein and Tom Andregg, the left and center fielders, gave excellent defensive performances. Steve Chacon led the pitching, and he was also a good hitter. This year's J.V. baseball team did a good job.

The 1978-79 Frosh-Soph baseball team began this year as an all freshman team with no experience, but very enthusiastically. They did exceptionally well, even though they had to play against older players who had more experience. Coach Senik commented that they were talented, hardworking and enthusiastic, but he foresees that they will face serious obstacles in the future. Next year, as a result of proposition 13, the J.V. baseball team will be eliminated. After 1980 the Frosh-Soph players will have to wait a year before they can try out again, losing valuable playing time. Although the team has this problem to deal with, next year L.H.H.S. should have a talented Frosh-Soph baseball team.

The Varsity Tennis team was a very young team, only having two seniors. They placed 6th in League with a 2-1-11 record, and they had season record of 3-1-11. The team was led by seniors Nancy Stoebe and Laura Classic, who were both doubles partners and contributed outstanding individual efforts. With a year of experience and a strong J.V. team, they can look forward to a strong season next year.

Field Hockey Has Rewarding Season

The Field Hockey team had a very rewarding season. They were a young team and didn't have the experience as teams in the past, but, they learned skills quickly and proved to be strong competition in the Orange League. They entered the Gladstone Tourney and the Edison Tourney and placed fourth and third respectively. They placed well among many potential C.I.F. contenders. Their season started in January and went through February. The team placed second in league and finished with an 8-2 record. They entered the C.I.F. playoffs with a 15-6-1 record, and came out with a first round victory against Bonita: 4-1. Their second round ended after a tough battle to Garden Grove: 1-0. All-League honors went to Bonnie Nash, Leslie Contreras, Stacey Strand and Kellie Robertson, and Honorable mention went to Eileen Jarmillio. A special honor was given to Leslie Contreras, who was named Most Valuable Offensive Player of the Orange League. The team held the tradition of a successful hockey season and with a years experience behind them, they should do well next year.

For the second year in a row, the La Habra girls basketball team earned Orange League Championship with a 14-2 league record and a C.I.F. berth. With 5 returning starters, their lineup possessed much experience as well as height and quickness. Coached by Tex Wallis and Mike DeGeorge the girls were undefeated in league until they suffered close losses to Sonora and Esperanza, who both shared the championship with La Habra. This three way tie meant a flip of a coin to decide who would be designated as the 1st, 2nd and 3rd place teams going to C.I.F. As luck would have it, the Highlanders were chosen as the 3rd place team and it was necessary to play a wildcard game even to qualify for CIF. They beat Holy Family 56-27 and then went to the CIF playoffs. Although the girls dominated the game, it was very rough in all aspects. California High managed to bring the Highlander season to an end with a one point victory 43-42. Honors went to Diane Tschasar, Lorraine Cota and Lori Kuwabara for being selected to the All-League team. Kristen Bowlin was given honorable mention. Although they will lose 5 seniors, the team can look forward to another good year.

Track Had a Spectacular Season

The girls' track team completed one of its most successful seasons this year. They combined the leadership of senior veterans, enthusiastic underclassmen and a feeling of overall team pride. The team members had to sacrifice many Saturdays, part of Easter vacation and many hours to achieve success. This year's team showed much dedication, and it resulted in an outstanding season. The team was one of the top three teams in league, with Sonora being one of their toughest competitors. They entered two invitationals: the Fullerton Union District meet and the Newport-Mesa invitational. There they gave outstanding performances. They had many talented Freshmen, including Audrey Cadwell, who did a superb job in the distance races, and Carol Tschasar, who excelled in the jumping events. The 440 relay team was very successful. It consisted of Sandi Lucas, Carolyn Slater, Donna Short, and Patti Lake. The Mile Relay team was also a stunning group. The senior shot putters had their round of glory, too. They took first in the Brea Rotary Relay Invitational. They consisted of Lori Gembka, Donna Short and Leslie Contreras, who broke the school record. With the excellent coaching of Coach Harry Dolen the team achieved many goals and great success. Also helping as assistant coaches were Abby Flanagan and Steve Parminter. Their help and knowledge was greatly appreciated.

Girls Achieve C.I.F. Goals

The La Habra Girls' Swim team had a good year with many girls qualifying for C.I.F.

The girls put in many hours of hard work, rain or shine. Through all their training, most of them achieved their goal of going to C.I.F. and did well. Helping the team out a tremendous amount was Senior and team Captain Eva Blomster, who qualified for C.I.F. in the 100 breaststroke and the 200 individual medley, at the first practice meet at Santa Fe. Another outstanding swimmer and Freshman to the Varsity team was Wendy Blake, showing an enormous amount of effort and also qualifying for C.I.F. These girls were a great asset to the team and hope to break a lot of records in the long run.

The Varsity team consisted of five seniors: Eva Blomster, Martina Eick, who were both exchange students, Caprice Hill, who is also one of the team Captains, Ann Marie Jahn and Julie Kaye. The Juniors for the Varsity team were Becky Caley, Rita Cobb, Kelly Higbee and Heidi Zavala. The Sophomores were Diane Carey, Julie Fall and Maria Hill. Wendy Blake and Connie Zavala were the Freshmen on the team.

The girls' Softball team had a tough season this year. Their team was small and young, but talented. They had a strong infield including a very talented freshman pitcher, Mary Cunningham. They had three returning players who were all-league last year. They were Stacey Strand, Bonnie Nash and Dena Hines, who was the only senior on the team. Her fine defensive and offensive playing contributed much to the team. Leading the team in batting was Bonnie Nash. Overall the team had good balance everywhere.

The J.V. team was a group of highly talented players. They were strong competitors in the Orange League. Maria Calabretta and Kathy Manriques were great assets to the team.

To give the cafeteria a disco effect, it was decorated with 1600 feet of tin foil. There was a fantastic light show to top it off, using strobe effects and colored lights. It took three weeks to plan and put together and it was worth it because 600 people showed up. The music was provided by Rich Barch from Mobile Disco. Everyone was filled with Disco Fever and loved it because they danced to the music from 8:00-11:00 P.M. All in all "The Event" turned out to be The Event of the year!

Something different took place this year when the Student League Cabinet tried out a couple of new ideas that brought in extra money. A wedding chapel with Mr. Deardorff as the chaplain-created romanticism in the atmosphere. Also greatly enjoyed was the Hang Town Jail, which imprisoned many couples.

The band "Phoenix" provided everyone with great music and the cleverly designed decorations added to the atmosphere.

Homecoming Queen Lori Kuwabara

Memories of a Silver Evening

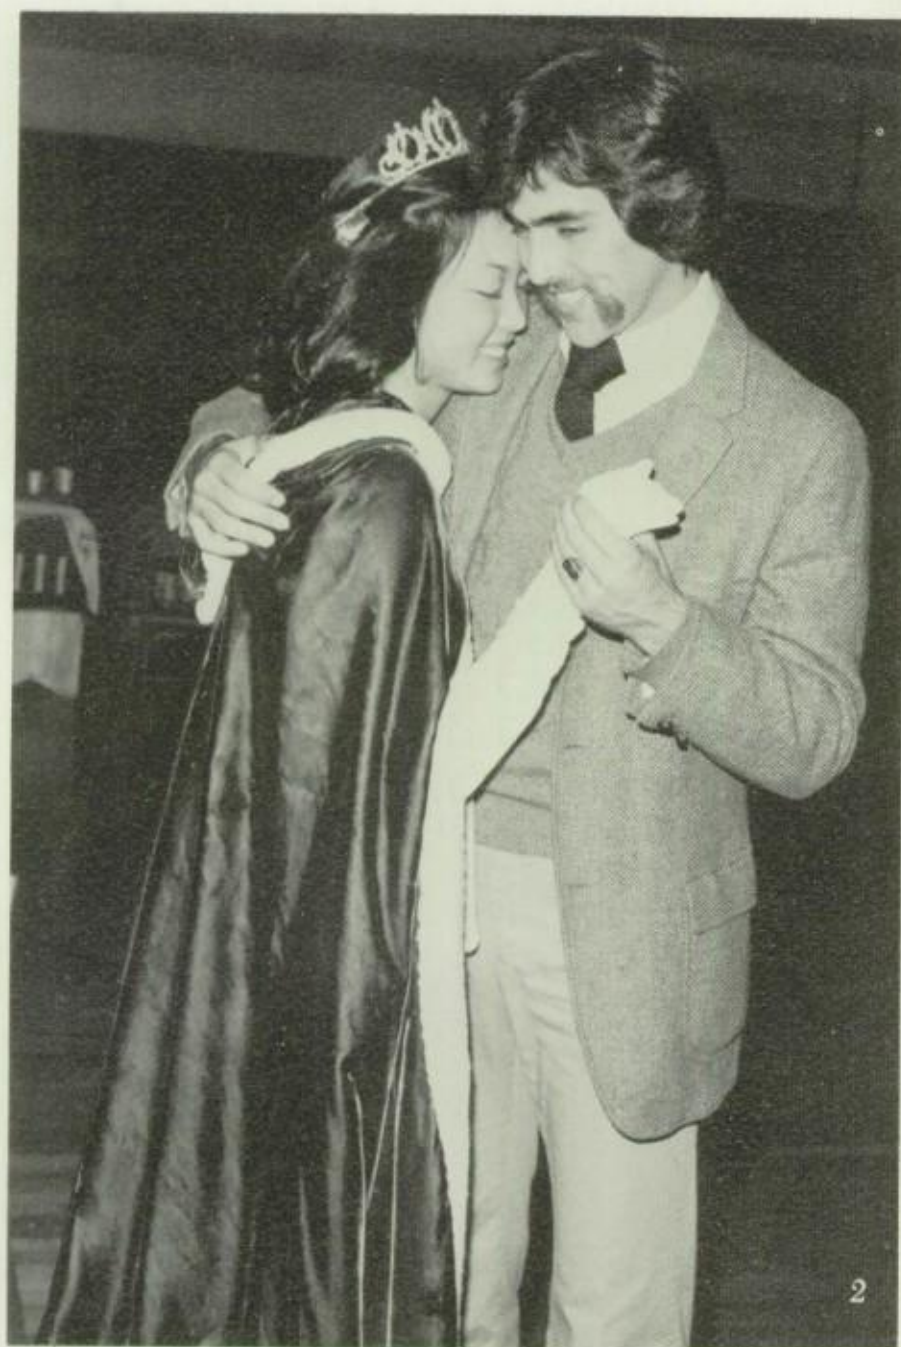

An Evening of Silver Memories shines on. It was 21 years ago that LaHabra's first graduating class celebrated their first Homecoming in LaHabra's history. Anna Marie Garibay was elected Homecoming Queen. They held a traditional pep rally and the game was played against Newport Harbor High School. The score was LaHabra 13 - Newport Harbor 0. This year's court rode on vintage cars from the past 25 years. Traditionally, LaHabra High School presents queens from Homecoming celebrations of the past and this year we welcomed back Miss Irene Alvarado 1975-76, Miss Jule Adams 1976-77, Miss Anne Ramsey 1977-78 and Queen Anna Marie Garibay Avila 1957-58.

As Dan Smith announced our new Homecoming Court, Lori Kuwabara's name lighted up in fireworks: our new 1978-79 Homecoming Queen.

To keep up with the theme of the evening, the Sterling Gym was decorated with sprays of silvery stars, a fountain with beautiful colors and a gorgeous throne. Miss Anne Ramsey crowned Lori Kuwabara. The couples danced to music by Primo and they thoroughly enjoyed An Evening of Silver Memories.

Last year's prom was entitled "Sands of Time" and the couples joyously danced to Mixed Blood. Following dinner at 10:00, the presentation of the coronation began. The mood was tense as everyone awaited the announcement that Vito Santoro and Siri Sporland were the 1978 Prom King and Queen. Everyone enjoyed the royal dance.

A Toymaker's Dream

This year's Christmas dance, "A Toymaker's Dream," was a great success. The dance which was a semi-formal and was held on December 9, was sponsored by the G.A.A. who put in many hours to create a Christmas atmosphere. The decorations included a Christmas tree, a Santa's workshop mural, and hundreds of lights all around the gym. All of the decorating was done by G.A.A. members. President Carolyn Slater was especially thankful to the G.A.A. Board, Deanne Maggie, and Lori Gembka for their extra effort. G.A.A. also selected the band, "Torsion," who gave their last performance together at the dance. The group has since divided and the members have gone their separate ways. Everyone enjoyed the music and Torsion's last performance was a memorable one. The entire dance was a success because of all the work of the G.A.A.

Love Is In The Air

Love was in the air on February 10, 1979. The Valentines Dance is put on annually by the Sophomore Class to raise money for the Prom. The dance started out heavenly, and how else could it, because the music was provided by Heaven. The Coronation ceremony commenced at 9:30. Master of Ceremonies was Mark Slama who announced this year's Valentine Court while last year's Queen Melanie Smith and King Curt Glandorf crowned Tim Rise and Alison Hawley as the 1979 King and Queen. Their court was Lynn Soltys- Senior Princess, Lindsey Osteen- Junior Princess, Theresa Smalling- Sophomore princess and Arlene Magdaleno Freshman Princess. Following the coronation, the court enjoyed a dance devoted especially to them. The Sophomore class deserves a lot of credit for carrying the dance off beautifully. Led by class President Debbie Sullivan.

The 2001 dance was a great success. This space odyssey took place on Friday, January 19, 1979 at 9:30 in the cafeteria. For "an outer" effect it was decorated with black plastic sheets covering the walls, shiny stars, black strobe lights, a disco ball and even a rocketship. Everyone danced enthusiastically to the rock and disco music played. This dance took two weeks for the A.S.B. Cabinet to plan and set up. Students agree this space odyssey, which hit La Habra, was worth while and great fun for everyone.

This year's annual P.T.A. dance was an evening of enjoyment for everyone who attended. It took place on Friday, January 26 in the cafeteria, after the basketball victory of La Habra vs. Valencia. No special arrangements were made, but this dance suited everyone perfectly, because it gave everyone a chance to get together, dance and have a good time. The music was a combination of disco and rock, so that the dance had variety. Everyone danced the night away with smiling faces, stomping feet and clapping hands, which made this year's P.T.A. dance a great success.

Energetic Students Express Rhythm

Rallies Energize Spirit

This year there were many enthusiastic rallies each generated a great amount of school spirit. The rallies were on behalf of the Girls and Boys Sports teams. They were designed to boost up the players for their upcoming competition.

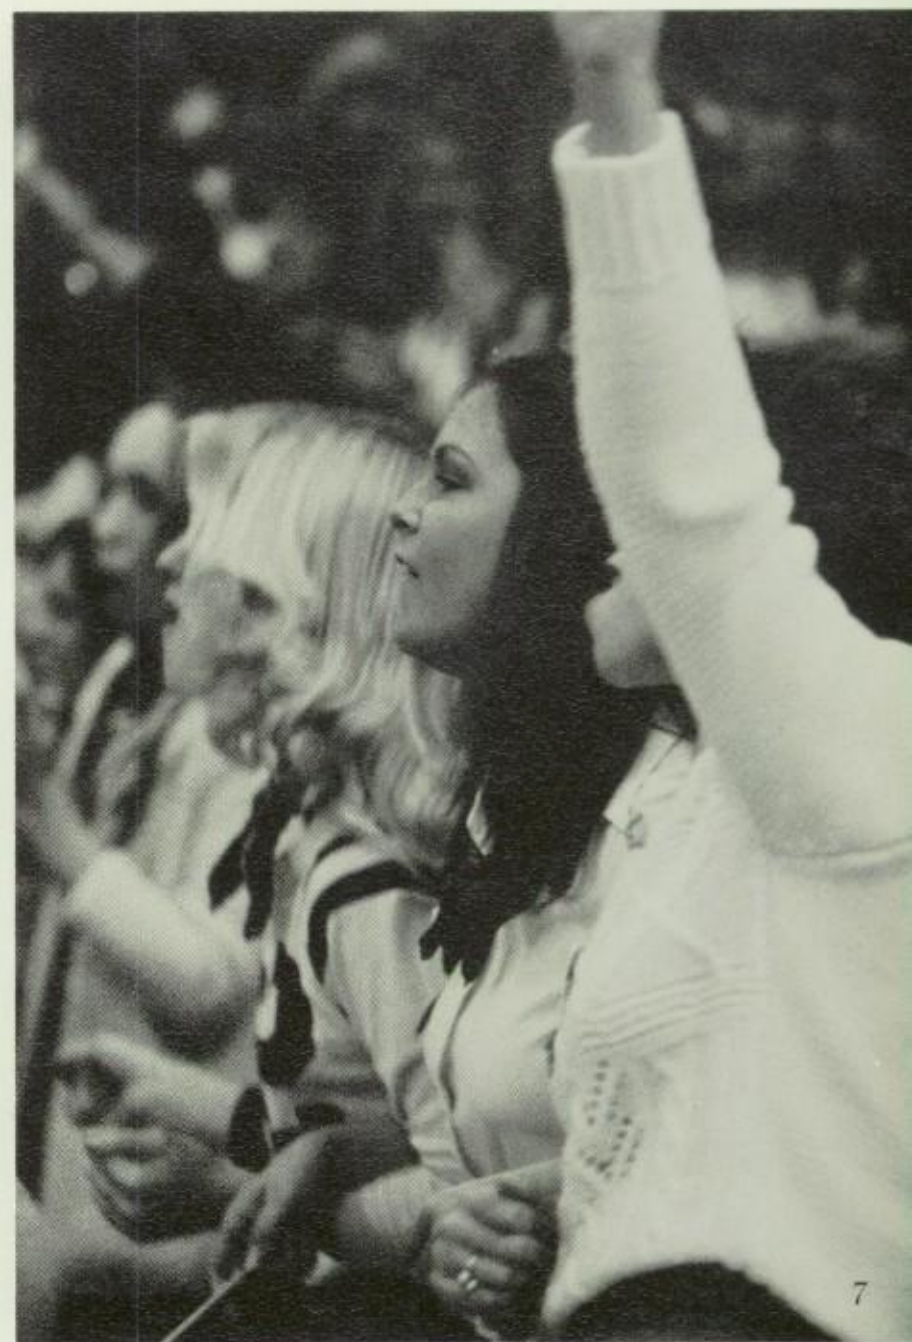

Students, Faculty and the team members themselves participated in such events as Basketball free throws for class points, cheering competitions, as well as many humorous skits.

There were also some special Pep Rallies. One of which was the Homecoming Rally where the Homecoming court was asked to run an obstacle course. Through sheer determination Mary Kay Foss was the victor

Rallies Generate Spirit

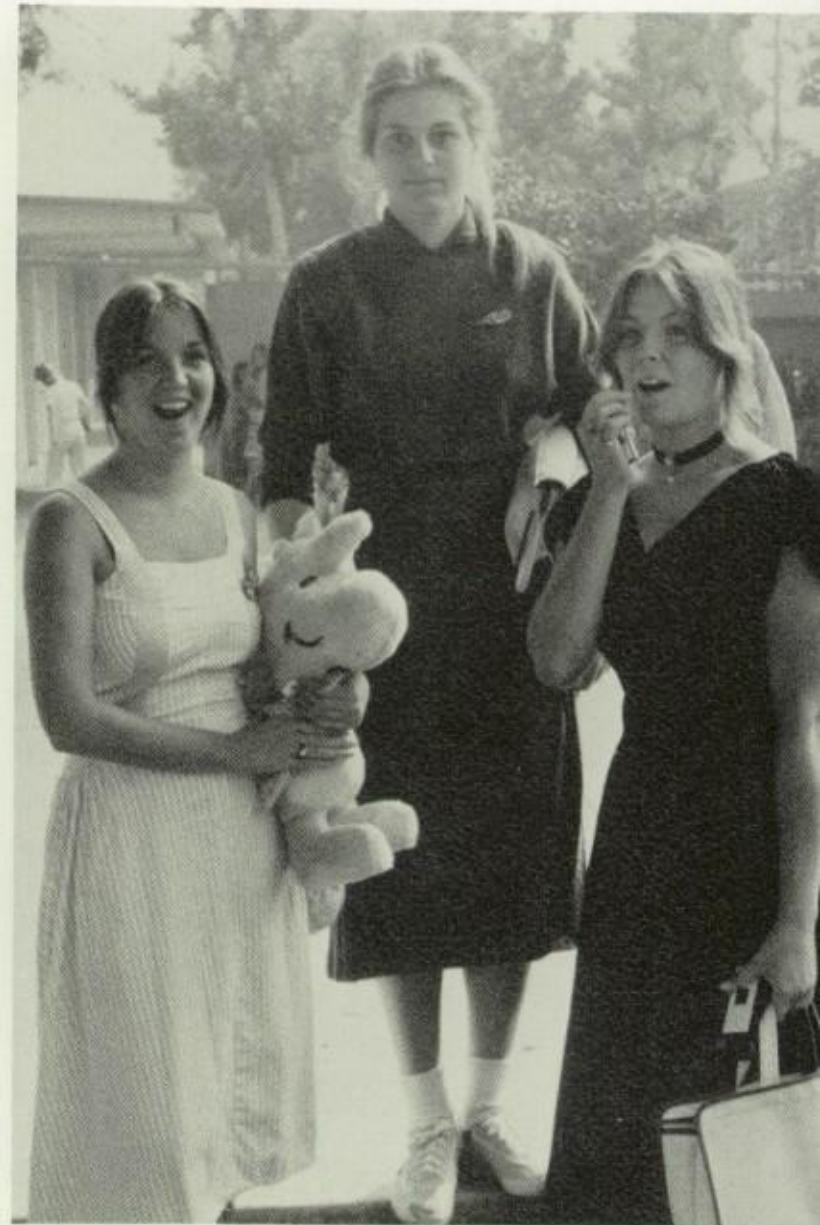

The pep rallies that were held this year were a definite improvement over previous years. The cheerleading squads found many ways to make the rallies more interesting. For example, the rallies had such themes as "Greased Lightning" and "Saturday Night Live". There were many class competitions, and they helped to increase student attendance. Thanks to good organization and fresh ideas, the pep rallies were a great incentive for the Highlander teams.

Grease Is Forever

Pegged pants and black leather jackets, felt skirts with felt poodles with rhinestone eyes, stolen kisses at the submarine races from girls who wear bobby sox and their steady's class ring.

If you were at L.H.H.S. on October 6, 1978 you would have seen some of these sights and a whole lot more. Grease Day was a series of events which included a sensational pep rally and a dance contest. Glenn and Lauren Brady were the winners of the contest and each received a Grease Album. It was an exciting day for all as Highlanders pretended to be like their parents or better yet like John Travolta and Olivia Newton-John, stars from the movie Grease, because Grease is the word.

Drill's Dazzle Spectator

This year's students, faculty, parents and spectators were treated to something special while watching the Drill Team. This squad of forty-two active members has a lot to be proud of.

Karen Sykes and Crystal O'neal were this year's Drill Team Captains. They worked along with the other girls under the direction of Mr. Scott MacIntyre.

The Drill Team put in many hours of practice. They were seen practicing every morning from seven until nine and then again twice a week after school. Even then they didn't quit. Every night before a performance they participated in a dress rehearsal with the band. All this work was done in preparation for half-time shows as well as their competition routines. Most of the competitions they attended were with the band. One which was held at Disneyland they attended without the band. This competition was held during Christmas Vacation. It was a two-day competition which included a day at the Disneyland Park.

Yells Form New Spirit

This year's Yell squad was very talented. These girls did their job to the fullest, because when they cheered, they certainly yelled. La Habra High was honored with such a squad this year. These girls brought so much spirit to the school, not only at games but at Pep Rallies and at other events, that La Habra took on a different atmosphere. The school all around was much more enthusiastic.

This squad attended "Hibbards Camp" in July and did very well. They enjoyed themselves while competing and had a great time.

This year's squad has been able to get a good response from the crowds at all events. They have created an all around good year both for themselves and for the other students. La Habra has been impressed. Thank you girls, for an excellent year.

Songs Spark The Stand

A kick, a smile, and a performance: these were our Songs! These girls were seen practicing only days after their tryouts. They have been enthusiastic since the start.

The Songs attended "Hibbards Camp" in July and were a big hit. They entered Song competitions and came home with many awards. Their most valued award was the Sweepstakes trophy. This is given each year to the squad that is the most outstanding in its category. This year our Songs were honored.

The Songs displayed their talents for us on numerous occasions; pep rallies, Football games, Basketball games. This squad really shinned.

These girls have had an exciting year that they will undoubtedly remember for a lifetime.

They brought lots of spirit back to La Habra and they did a great job. The Songs truly deserve a lot of praise for all their work this year.

Flags Display Talent

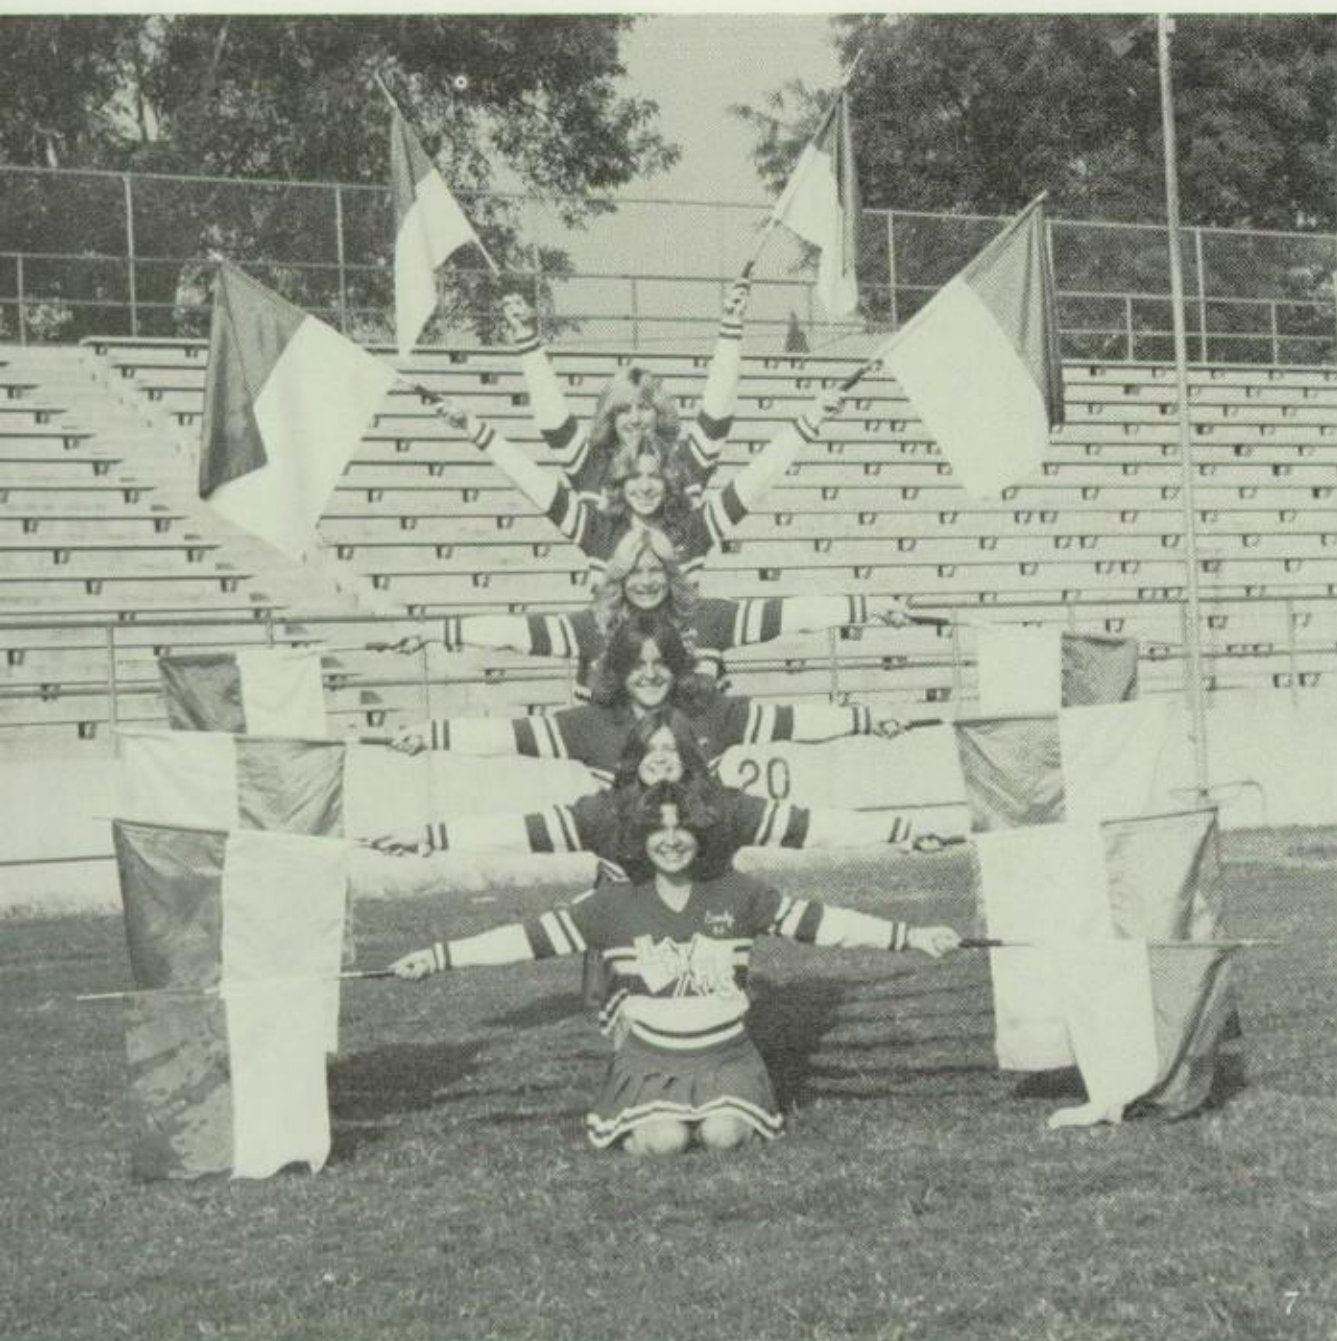

6

This year's Varsity Flags showed a skillful display of control and timing.

These girls worked extremely hard putting together routines. They started in early summer because they needed many routines for competition. These competitions they entered while attending "Hibbards Camp" in July. They did very well in their competitions bringing home one first, two seconds, three thirds, and one fourth. The girls were thrilled.

This squad made everyone smile when performing for the school. We watched them at Pep Rallies, Basketball games and Football games, each time they created a new look as well as a surprise ending.

La Habra will remember its 1978-1979 Varsity Flags for years to come.

JV's Earn Victory

This year's junior varsity cheerleaders had quite a job. They cheered for the Frosh-Soph teams as well as the JV teams in all sports. They traveled to at least one game a week and they also were at home cheering each week. These girls worked hard and there's no doubt that it showed.

They also attended "Hibbards Camp" and did very well in their competitions. The school watched them at pep rallies, games and their debut performance at one of the varsity football games.

They had many teams to cheer for but they tried to make sure they divided their time. These girls knew they had a big job, so when they were chosen they wasted no time in getting to work. All of the JV cheerleaders have a lot to be proud of!

Peps Paint Pride

Posters, Spirit, Enthusiasm and hard work: This clearly defines the 1978-1979 Pep squad. The squad consisted of four class representatives to lead and support their classes, and one Secretary Treasurer. This year there was also a new position, that of Pep Commissioner. This office was held by Lori Heronemus. She was also a member of the Pep squad.

The girls had a very busy year for which they started preparing in early summer. They stocked the A.S.B. office with posters before school started. Not stopping there, they raised money for more supplies by working at the Corn Festival. Each week it was visible that a game was scheduled by looking at the student body decorated with ribbons supplied by the Peps.

Let's thank the Peps for a very successful year!

The Band; A New Look

The new band for 1978-1979 was just that a new band. Under the faculty direction of Mr. Scott MacIntyre and the student leader Mike Murphy, who was Drum Major. The band was very entertaining to listen to as well as to watch.

In addition to La Habra's other musical talents there was a Bagpiper. He has been a welcomed addition since he brought back a feeling of pride in being a Highlander. Another addition was the baton twirler who added a bit of pizzazz.

The band worked hard in order to put together all the half-time shows. They marched into new and unique formations. While playing in the stands they created more and more spirit in people around them.

The band took part in some competitions this year one of which was marching in the Orange County Fair. The students were very impressed with this year's band. They allowed La Habra to develop a new feeling of pride both in their school and their band!

Fall Concert

The first appearance of Concert Choir and Mixed Chorus was on November 14, 1978 at 7:30 p.m. in the Sterling Gym. The Fall Concert went extremely well, according to Mr. Dunton and all those who attended. Mary Kay Foss sang "Zippity Do Da," Mike Murphy sang "Ain't Got Time to Die", and Victor Vendrell sang "Funny Girl". The pictures here are from a repeat performance given for La Habra's Womens Club. Robin Myrick sang Mary Kay's solo at the Womens Club. The Fall Concert is an important part of Concert Choir and Mixed Chorus because it gives the students the exposure and experience of being in front of a crowd.

1. Concert Choir brings out Yuletide Cheer.
2. Connie Salazar sings "Memories"
3. Crowd is silent during Concert Choir's "O' Holy Night".
4. Bobby Willard and Mike Murphy sing "I'm Dreaming of a White Christmas".
5. The Fall Concert turns out great.
6. Robin Myrick belts out Zippity Do Da.

Christmas Concert

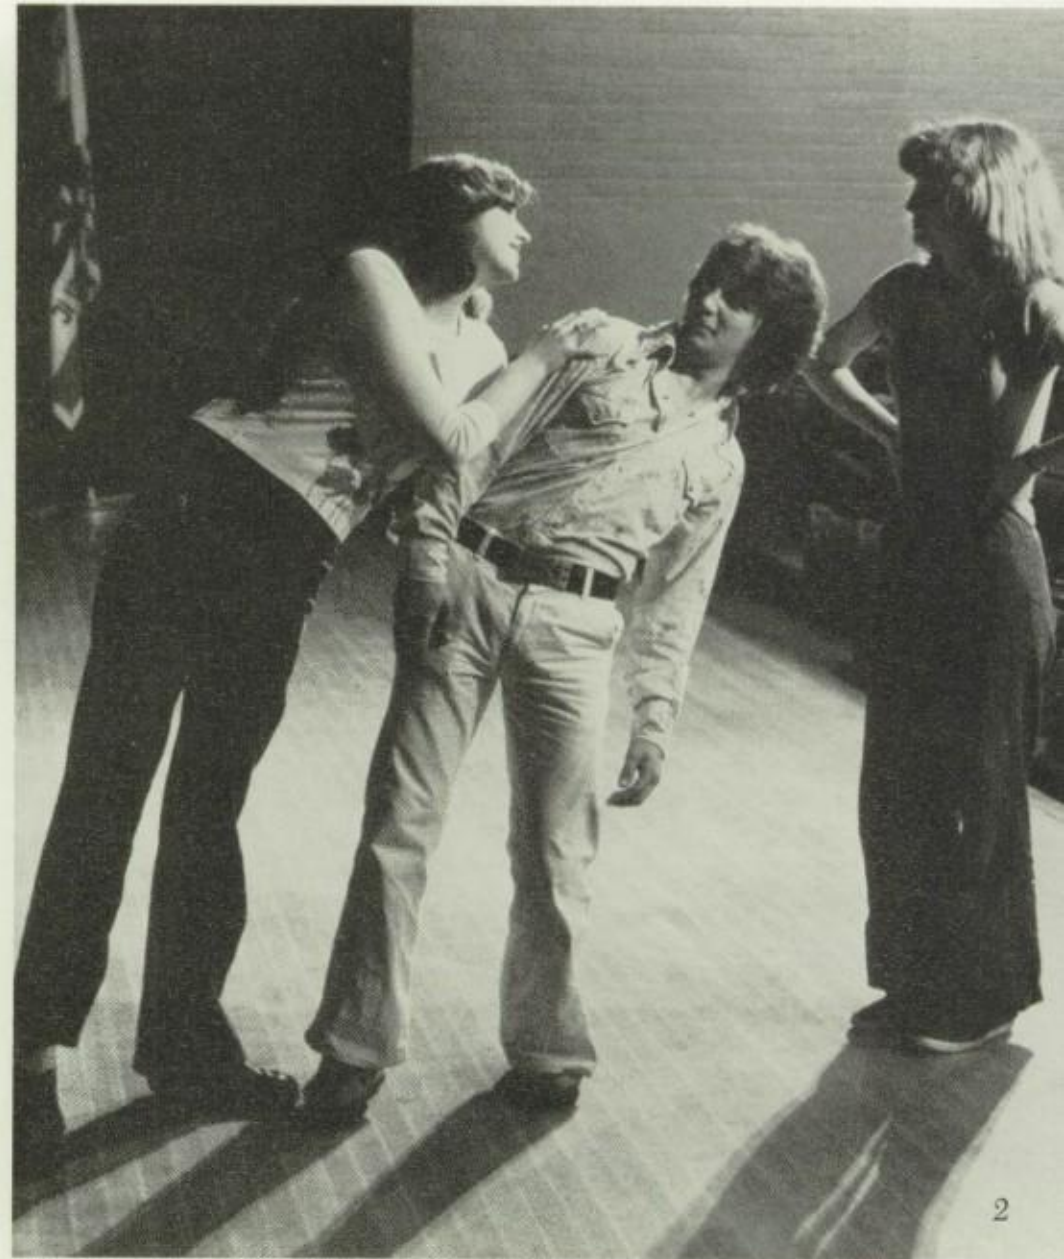

The Christmas Concert turned out to be an outstanding success. Mixed Chorus and Concert Choir both sang many different tunes. The alumni turned out and joined in on the festivities which turned out to be very enjoyable. Bobby Willard and Mike Murphy were very enthusiastic as they stood up and sang together. The concert included something different this year, the La Habra Drill Team.

The Drill Team performed well and everyone enjoyed them. Concert Choir and Mixed Chorus joined together and sang Hallelujah and did a fantastic job. This year's Christmas Concert was very entertaining and will be remembered for years to come.

1. Concert Chior puts on a show.
2. Alumni joins in.
3. Bobby Willard and Mike Murphy play.

Drama Three Performs Comedy

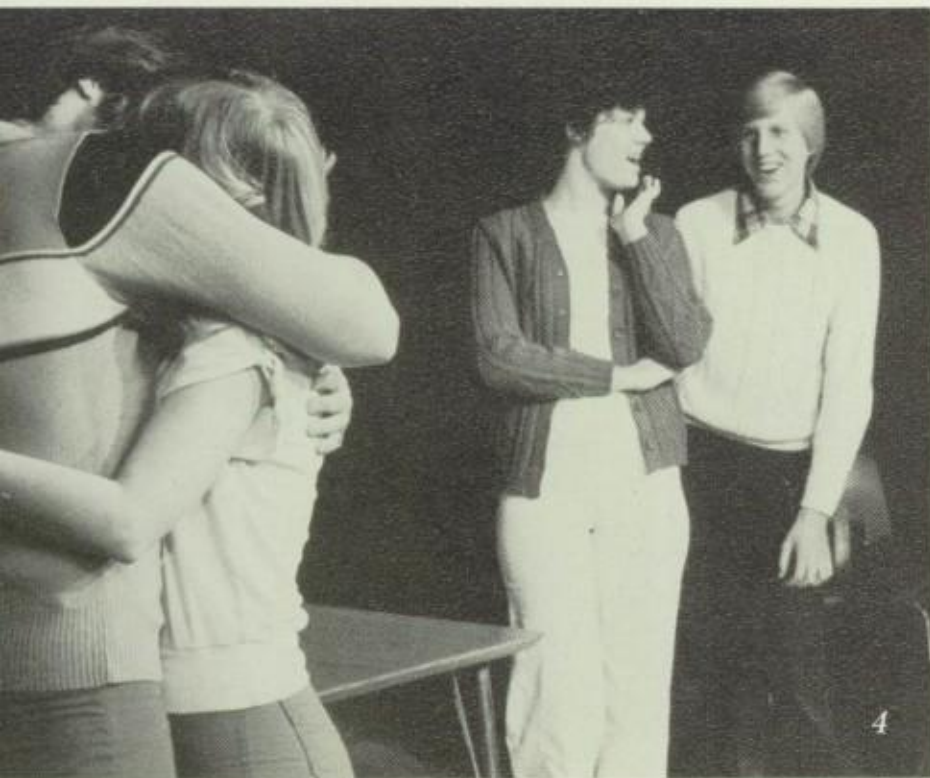

"You Can't Take It With You" was a three act play Directed by Jack Reule and Assistant Directed by Lori Graham. It was performed by the drama three and four students.

"You Can't Take It With You" was a comedy, about two people deeply in love, (Alice and Tony), who with the help of Grandpa find a way to solve their problems. The play was both humorous and enlightening to all who attended.

1. Ann Herring shows husband Darrel Whinery her new dance steps.
2. Pam Schwanbeck plays a drunk who embarrasses Mike Gualteri
3. Connie Johnson expresses her love towards Grandpa, played by Brian Philbin.
4. Vita Santoro and Connie Johnson show their love after their engagement, while Carolyn Clements and Mark Laskowski are left speechless.
5. The dinner prayer is led by Grandpa.
6. After a few unexplainable explosions the cast shows different stages of shock.
7. Dan Smith is a Russian Dance teacher who seems to have everything under control.

Talent Illuminates Stage

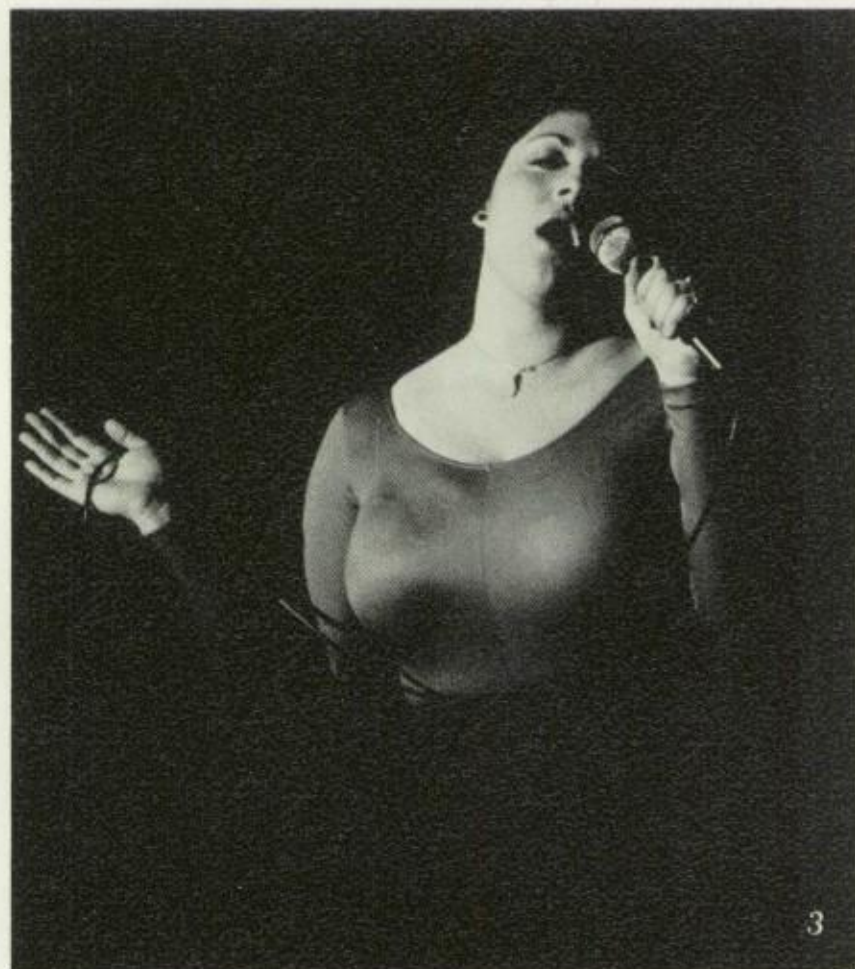

Fifth Ovation, produced and directed by Matt Marcy, was an evening of talent which illuminated the stage. Students tried out in early November for this excellent performance by selecting a song of their choice and learning a dance to be performed. They worked very hard through February to put on this excellent performance. A variety of songs were sung from a selection such as rock, pop, mellow, rhythm and blues, and country. This spectacular show was performed on the nights of February 14-17 and was a sell out every night. The proceeds went towards our annual Scotscapades Show. Fifth Ovation turned out to be an exciting spectacular show for everyone.

"Such is Creativity" 1978-1979 dance show was a dazzling display of student talent. The dancers had to audition in front of a panel of judges. Of the 32 groups that tried out, 25 were chosen for the show. There were many different types of dances: tap, jazz, balet, modern jazz and comedy skits. Dance 3 opened the show with a presentation that had a chorus line atmosphere. The dance show was performed in the Lecture Hall on March 28-31.

La Habra's production of the "The Diary of Anne Frank", which was produced November 30 through December 2, was a very moving presentation for all of those who saw it. The play is based on the life of a young Jewish girl who, while in hiding from the Nazis in a tiny attic with her family, dealt with her problems of growing up and falling in love. Although the play has a serious theme, it had many lighthearted moments, and the cast had an extra challenge in presenting the conflicting feelings. They spent weeks of rehearsing to make the drama a successful production. As a result of their hard work, "The Diary of Anne Frank" was a meaningful experience for everyone who attended.

Students Earn Monthly Honors

Each month of the school year, the Student League cabinet awards "Student of the Month" to deserving students. In previous years, the students were chosen by nominations from the student body, but since the nominations were never taken seriously, the cabinet tried a new procedure.

They began searching for accomplished individuals themselves. Students who had contributed to LHHS and the community were interviewed by the cabinet, and the students were chosen based on these interviews and their achievements. The acknowledged students were then presented with boutonniers or corsages. Later in the month, each student was recognized by the La Habra Women's Club.

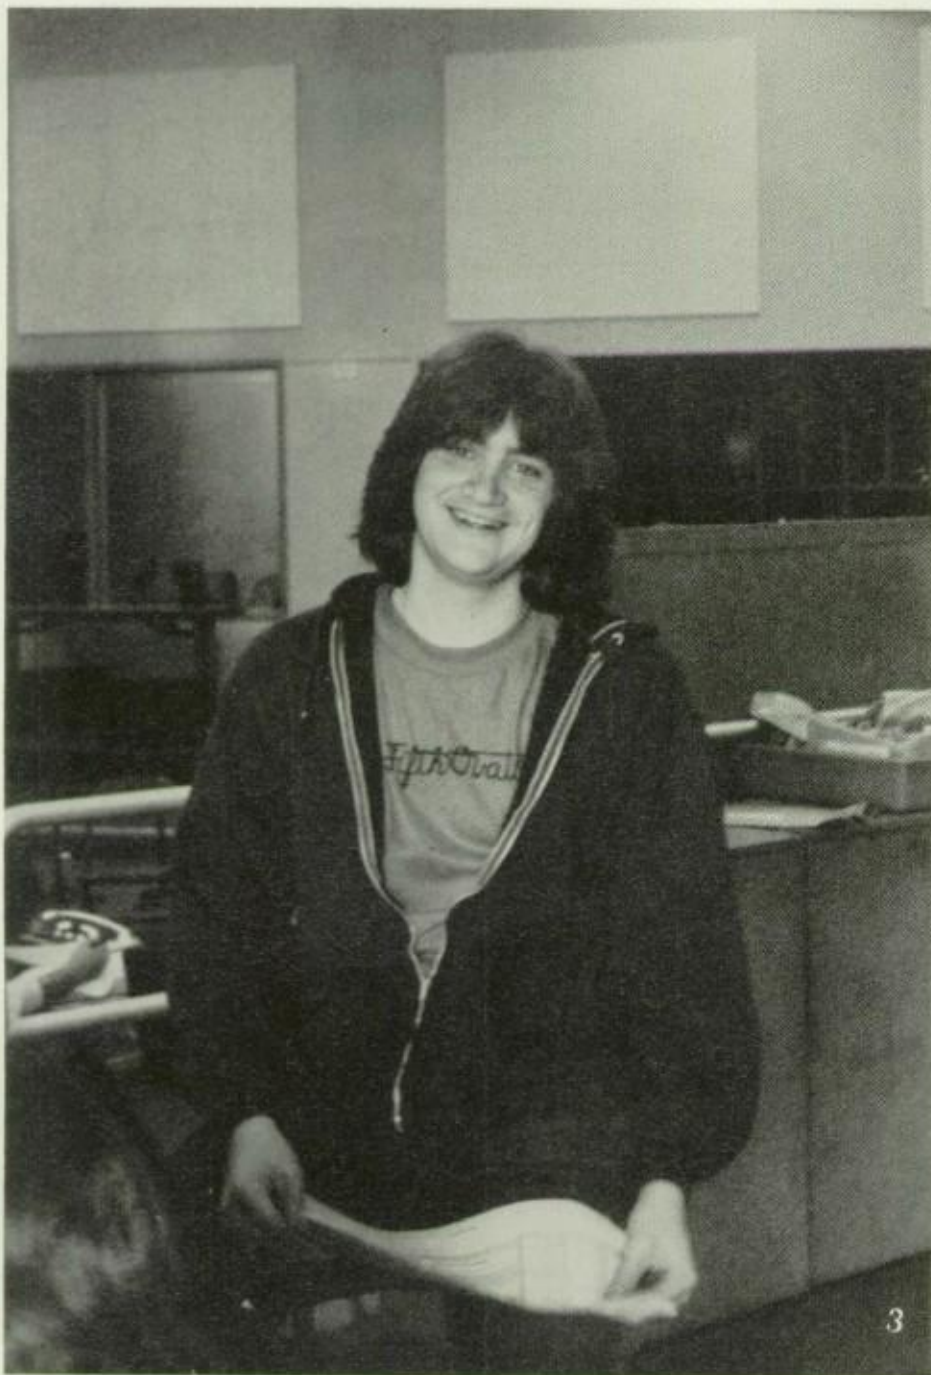

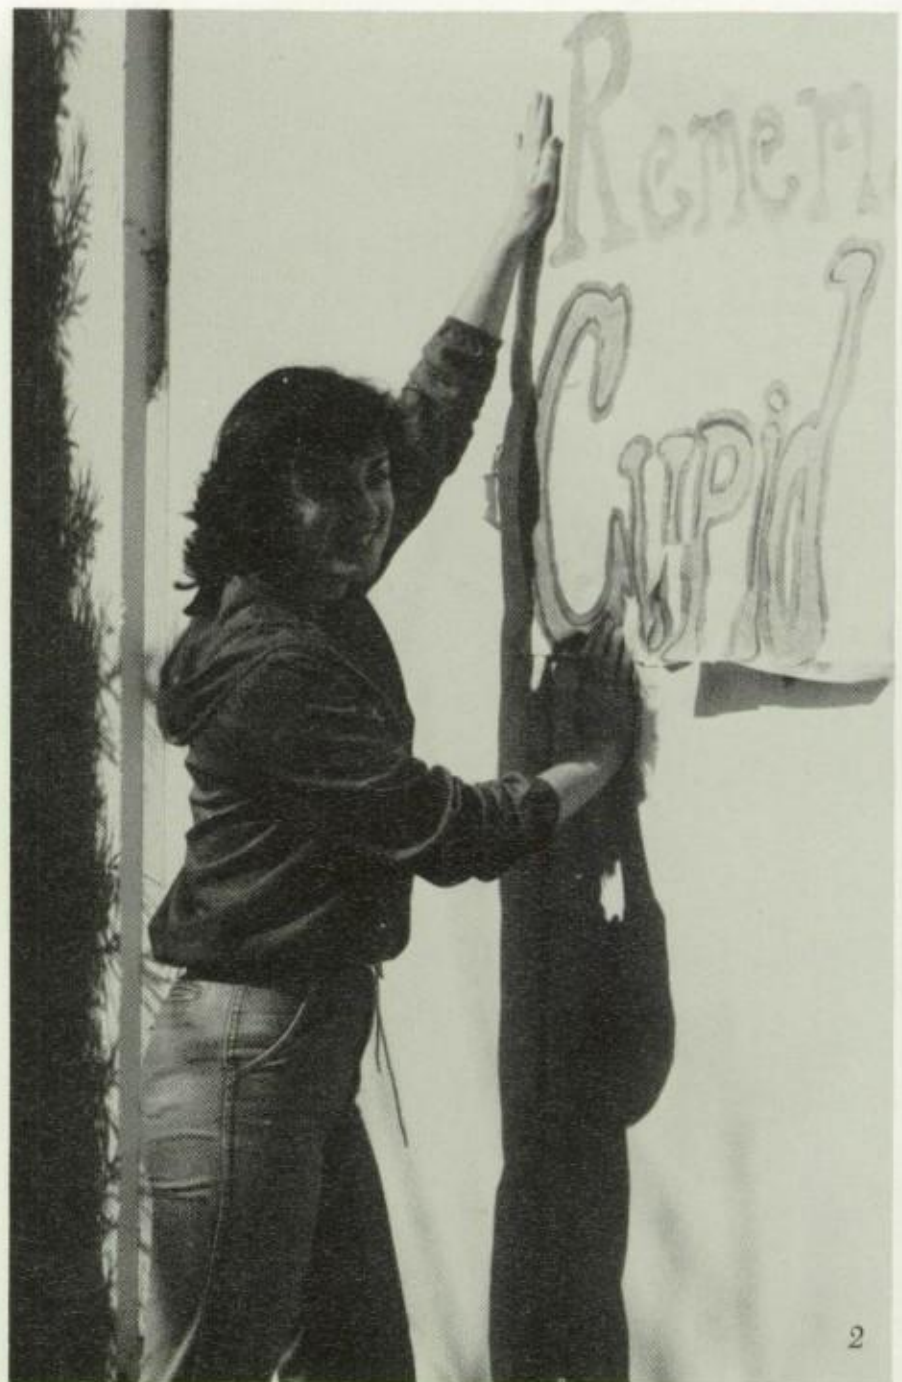

1. September; Jane Pearson: Jane was an enterprising Senior. As class president, President Pro-Tempore of the Senate, she was extremely attuned to campus happenings. Jane's other activities included organizing LHHS's first college night, Hieland Staff Member, Homecoming Halftime Chairperson, and Junior Achievement.
2. October; Craig Canfield: Craig was on many committees and helped to organize a smoking committee. Craig was commissioner of Community-Faculty Relations on the ASB cabinet, and he was also chosen FUHSD Student Representative. Completing his list were Top 100, and Junior Achievement.
3. November; Nancy Holmberg: Nancy's major responsibility was as Editor of the yearbook. As a Senior, she was also Synergy president, in Concert Choir, and Scotsapades. Her other involvements included Homecoming and Reflections Committees, and Quill and Scroll.
4. December; Mike Murphy: Mike, a Senior, was Drum Major for the LHHS band. He was also in Concert Choir, Scotsapades, and 5th Ovation. Mike also did much of the lighting for our school functions.

5. January; Debbie Sullivan: Debbie was an energetic Sophomore. As class president, her time was spent working with the Sophomore class. Debbie was also on the Varsity tennis team.
6. February; Margaret LaVenture: This seniors activities were highlighted with her enthusiasm. Margaret was in ASB, Senate, and was Commissioner of the Ways and Means Committee. Other accomplishments consisted of Homecoming and Reflections committees, Hieland Staff, and 4H club.
7. March; Leslie Contreras: Leslie was involved in a diverse amount of activity. Her sports record included Volleyball, Track, and many other teams, as well as AGSA and AYSL. Leslie was also very involved in FFA. Her other achievements consisted of GAA Publicity Person, FFA Reporter, Homecoming Committee, and Hieland Staff.

Deserving Students Are Recognized

1. April; Ann Marie Jahn: Ann was a diligent working senior. She helped to re-originate the Ecology Club and was President. Her many varied activities included Copy Editor of the Yearbook, swim team, Top 100, CSF, French club and an Explorer Scout.
2. May; Mary Woida: This diverse Junior held responsible positions in student activities. She was Junior Class Secretary, on the Prom Committee, and in Senate. Her other activities consisted of Synergy, Concert Choir, Fifth Ovation, Reflections Committee, Scotscapades, and Dance Shows. Concluding her accomplishments were Top 100, and a First Class Girl Scout.
3. June; Matt Marcy: As director of Fifth Ovation, Senior Matt Marcy found himself trying to meet the production dates. He was very involved in Scotscapades, Drama, Concert Choir, and Madrigals. Matt also did much of the lighting for the school productions.

Foreign Exchange Experiences

Hi!

A year has never gone by so fast as this year at La Habra High School and now when it's time to say goodbye. I just want to thank all of you friends and teachers, for being so nice and helpful.

To be an exchange student is a really neat experience. You take part of American family life and learn about American culture and lifestyle. I really enjoyed it, especially going to school, to see what it's like, to join the different activities and, of course, to watch all the football and basketball games.

I have also seen a lot of places in California, and it's a lot different compared to Sweden, but I can just say one thing about it, it's a fantastic place!

Of course, I feel sad now when I have to go back to Sweden, but at the same time I'm glad that I have had such a wonderful and exciting year here. I'll never forget it. It was just great and some day I'll come back, for sure.

Hejda! Vi ses!

Hi Everybody!

This is really a sad thing for me to write, because this means good-bye and the end of this very special year for me.

I want to thank you all so much for letting me be one of you.

I appreciated the way you welcomed me and accepted me right away.

I have had a terrific year here and that is thanks to you all.

Being an exchange student is a very neat experience that I wish more people could have. I have learned a lot during this period, not only about Americans and La Habra in particular, but I have also learned a lot about other people and myself.

*If anyone of you happened to visit Sweden, I hope that you won't forget to visit me and I will show you around.
Thank you all again and Hejsau alla efterkavlingar. La Habra ar ett gauska hyfsat stalle, ocli jag hoppas ui far det lora.*

Sincerely,

Anna Lönnberg

Foreign Exchange Bids Farewell

Hallo Freunde!

Hi Highlanders!

I thank all of you for a beautiful year in this school.

Last September, when the school year began, I was nervous and shy. My English was not good and so I thought I would have problems making friends at this school, but I found such friendly students in this school, and I made friends here very fast. I will also thank you, the students and teachers, who were so helpful and understanding to me.

The school year went so fast and I never will forget the good times I have had here at La Habra High School.

I really like football. I understand and enjoy the game. It is interesting but difficult for the players.

If you get the chance to come and visit Germany, come and visit me. Then I can show you a lot of nice places in Kiel. We have a nice beach and the water is a lot colder, but not as salty as California oceans.

Remembering you,

A.S.B. Produces Action

As the 1978-79 academic year comes to a conclusion, those of us who are seniors look back at the past four years and all we have learned. From our faculty, we hope to have received the preparation which allows us to continue in higher education; from our parents, we hope to have inherited responsibility and a sense of reality; from our peers, we have learned what to expect from people, and how to successfully deal with the problems we encounter.

This year student government did more than just sponsor activities and assemblies. Our primary goal was to promote involvement, school spirit, and unity was unparalleled compared with past years. Hopefully, this unity will continue in the future.

In closing, I truly hope your years at La Habra were as rewarding as mine have been. I hope that the decisions you are making turn out to be good ones, so that your life is one you are proud of living.

Sincerely,

James A. Harrigan
ASB President

3. Officer Of Constitutional Affairs, Tracy Schamber.
4. Treasurer, Lori Kuwabara.
5. Vice President, Kim D'Auria.

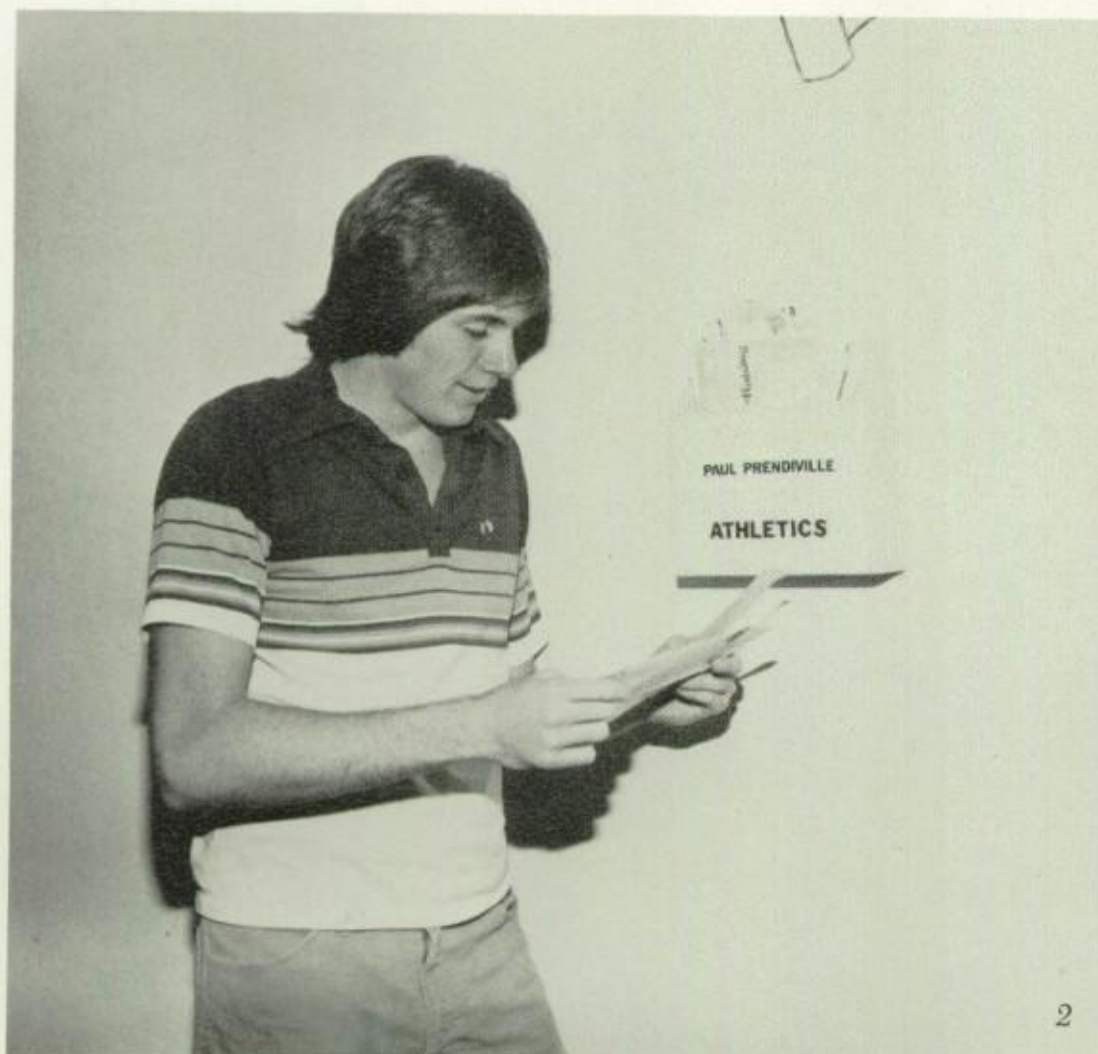

Commissioners Get Involved

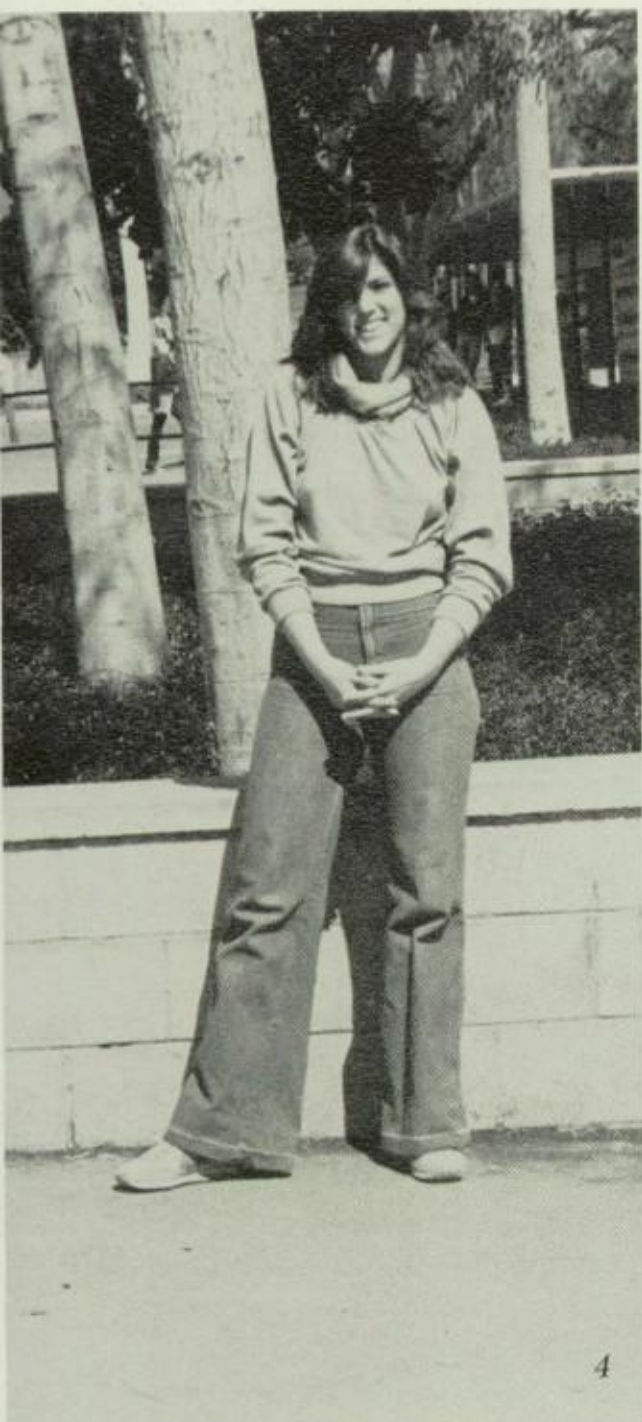

This year's ASB Commissioners found themselves involved in every aspect of La Habra High School.

Commissioner of Activities, Bobby Willard, put together several auspicious disco dances and assemblies. Craig Canfield, Commissioner of Community and Faculty Relations, worked with the PTA and faculty communications. He let the students and P.T.A. know what each other were doing. Commissioner of Student Relations, Greg Koch, ran the elections and convention this year. Greg and Craig also started a committee that was designed to let people know the effects of smoking. This year, Lori Heronemus was appointed as the first Pep Commissioner. She planned more pep rallies than there were before, and she improved the quality of the rallies. Lori worked with Mrs. Blumenthal, the new advisor, and they helped school spirit greatly. Paul Prendiville, Commissioner of Athletics, let ASB cabinet know what was going on in the Athletic department.

All the Commissioners worked hard to make this a productive year for the entire student body.

1. Lori Heronemus discusses pep strategy.
2. Paul Prendiville checks his mail box.
3. Craig Canfield works diligently.
4. Julie Beckman, Parliamentarian
5. Bobby Willard explains schedule to Magaly Baedaro, new Activities secretary
6. Greg Koch and Paul Jahn, Commissioners of Student Relations.

5. Mr. Dunton, Director

Concert Choir, conducted by Mr. Dunton, sang excellently this year! This choir worked hard all year long to put on shows like the fall and spring concerts and the Christmas show. They also sang for the Women's Club and at various schools. They sang a variety of songs, such as religious, spiritual, and jazz. La Habra High School is very proud to have such a talented group of people to represent their school!

Mixed Chorus Sings Out

This year's Mixed Chorus classes all had a very successful year. They sang in two very outstanding concerts the Christmas and the Fall Concert. Mixed Chorus worked on singing songs like the theme from Rocky, White Christmas and Hallelujah which they sang with the Concert Choir at the Christmas Concert. All of this year's Mixed Chorus classes worked hard to put together concerts and sang outstandingly the entire year.

Student League Honors Students

The purpose of Student League is to raise money for Senior Scholarships and also to honor outstanding students through "Student of the Month" awards. This year one of their big fund raisers was a Dance called the "Hillbilly Hootenanny" which was a great success. Some of their other fund raisers were Candy sales, Carnations for Friendship Day and a Father-Daughter Banquet. This year has been a great one for the Student League.

Ecology Club's Active

La Habra's Ecology Club has several objectives, two of which are to get students interested in nature and just to have a good time in the outdoors.

They have been a very active club this year. A few of their events were a hike to Mt. Lowe, a bike hike and barbeque at La Mirada Regional Park, and a very successful mistletoe sale. The club was also active in Spring Week. The Ecology Club is a very outgoing and busy group at La Habra.

F.F.A. Places High

The F.F.A. teaches students to raise and show their animals. This year F.F.A. has shown their animals at the L.A. Fair, Orange County Fair, and the Pomona Fair. They placed highly in all three competitions. F.F.A. raised money by having a car wash and by having a Farm Fling in May. The money they earn during the year goes toward a big banquet at the end of the year where they hand out awards to the outstanding students. Future Farmers of America has had an outstanding year.

Miller, Tony Minasian, Blake Mower, Richard Moody, Craig Mc Kenzie, Ed Maris, Brian Hovey, Mike McCarthy, Alex Martinez, Kirk Matsushige, Patty Morin.

The purpose of the Lennox Library club is to raise money for extra equipment that will enhance the library. This includes display cases, decorations, pictures, and special activities. The money is raised by holding a three day book sale in the spring which features prominent authors as speakers. Students, teachers, and friends were invited to the sale to support the Club.

Science Club: Fun Way to Learn

The purpose of the Science Club is to get more people interested in the field of science. The Science Club plans a lot of field trips to learn about science in an enjoyable way. They have gone to the Santa Ana Planetarium and Lazor Rock at Griffith Park.

They had a terrific time at Lazor Rock, which is a colored light show that is set to music. In the future the Science Club hopes to have more trips and more members.

Thespians Put on Banquet

The purpose of the Thespian Club is to support and promote drama. This club raised a lot of money this year and used it for many things, one of which was an awards banquet. They rented a movie for everyone who helped in drama. It was their way of saying "Thanks". They hired a professional actor, Jim Ryan, who acted for them and gave them tips on acting, and they also went on a overnight snow trip, which was a great success. Thespians is a very active club at La Habra High School.

1. Officers: Lisa Wolfe, Historian, Lori Graham, Vice President, Cathy Frazier, Secretary-Treasurer, Dan Smith, President.
2. Front Row: Carolyn Clements, Tina Davis, Bill Thomas, Debbie Sullivan, Dan Smith, Lisa Wolfe, Lori Graham, Cathy Frazier, Matt Marcy. Art-Photo Club Assists A.S.B.

The Art and Photo Club provided services to A.S.B. at activities. In this club, photographers can get together and share ideas about photography. They raised money by having a booth at Christmas time where anyone could get their picture taken with Santa. They did the same thing at Easter, with the Easter bunny. This money was used for photography equipment.

Art and Photo Club had a fantastic first year!

French Four 79

This year's French Four Club has been a very active group. One of their biggest activities was a French perfume sale, which was a great success. The money that they raised was put towards an outing to a French Restaurant, the "Ninety Fourth Air Squadron." The French Fours also enjoyed redecorating the room with a mural of Paris. All in all, the French Four Club had a terrific year.

Front Row: Ann Marie Jahn, Margaret LaVenture, Margo Dorado, Carl Cook. Row Two: Kim Clegg, Glenn Brady, Chris Thomas, Michelle White. Not Shown, Michelle Attwood.

G.A.A. Buys New Uniforms

The Girls Athletic Association, or G.A.A., tries to get girls involved in more than just being in a sport. This club is designed to meet other people in different sports. To be in G.A.A. you must be in one sport a semester. G.A.A. raised money by putting on a very successful Christmas Dance and by having candy sales. The money they raised went toward uniforms and sport equipment. G.A.A. did a great job for La Habra this year.

N.F.L. Promotes Debate

The National Forensic League is a national organization with 3,000 schools from all over the country belonging to it. The whole idea of N.F.L. is to promote speech and debate in United States high schools. Each year the national office sponsors a national tournament. Students join N.F.L. by competing in speech tournaments and by earning a certain amount of points. La Habra belongs to Orange County N.F.L. district, in which there are twenty schools. N.F.L. is a very active organization at La Habra.

Achieving Students Acknowledged

C.S.F. John Aguilar, Jody Amendola, Glenn Brady, Lauren Brady, Doreen Burks, Rebecca Caley, Craig Canfield, Marta Carrington, Joanna Chen, Diane Crandell, Susan Franco, Cathleen Frazier, David Golden, Valerie Houser, Leanora Huniu, Ann Marie Jahn, Barbara Jizba, Lora Kristianson, Margaret LaVenture, Patricia Lake, Susan Long, Sandra Lucas, Andrea Mark, Pamela Massey, Kathleen Murphy, Connie Neverman, Star Palmquist, Jane Pearson, Felicia Potter, Kathy Pugh, Terri Reilly, Janine Seymour, Craig Sievers, David Smith, Ken Stutzman, Frank Super, Dennis Suttle, Beverlee Van Dam, Advisor, Mr. Lennentz, Amy Webster, Michelle White, Sherri Wilkerson, Terri Wilkerson, Mary Woida.

C.S.F., the abbreviation for California Scholastic Federation, is an organization dedicated to honoring those students who have achieved in scholastics. To become a member of C.S.F. a student must take a complete curriculum including English, Foreign Language, Mathematics, Social Science and Science. The student must also maintain a certain grade average among these classes. Students who achieve this in each year of their high school career become life members. C.S.F is the same in California as the National Honor Society is in all other states.

Outstanding Students Awarded

Quill and Scroll Front Row: Ann Marie Jahn, Linda Giffin, Pam Castro, Mr. Pendell, Ms. Dodd, Monica Foxvog, Kathy Matter, Christy Garay, Laura Betz, Jeff Golden; Row Two: Steve Austin, Greg Koch, Leslie Contreras, Margaret LaVenture, Lora Kristianson, Jane Pearson, Nancy Holmberg, Alison Hawley, Chris Bohne, John Aguilar. In Tree: Steve Sherman, Larry Hurd.

Quill and Scroll has been an international organization for high school journalists since April 10, 1926. Since it has started, it has granted charters to more than 11,300 high schools. The purpose of Quill and Scroll is to encourage and reward individual students, who have made achievements in journalism, creative writing, or allied fields. To be in Quill and Scroll, the students must have the following qualifications: they must be a Junior or Senior, they must be in the upper third of their class, and they must have done superior work in some phase of Journalism or Publications. They also must be recommended by their advisor. Every year, La Habra presents several students with the honor of Quill and Scroll.

Deadlines Fatigue Hieland Staff

The 1978-1979 Hieland staff began working early this year, starting in the summer by selling ads. Assisted by advisor Mr. Pendell, and the four returning staff members, the inexperienced staff was taught the variety of techniques of drawing, layouts, writing copy, and cropping pictures. A Publications workshop in Chino was attended by five members of the staff, all of whom brought what they had learned back to share with the other staff members.

The main objective this year was to improve the quality of the copy and photography, while also trying to reflect the twenty fifth silver anniversary of LHHS throughout the yearbook.

With this in mind, the staff set out to accomplish the largest annual at LHHS. Deadlines neared each month, and the chaos and frustration became evident. Work parties after school and on weekends, provided with pizza, gave the staff the extra time to meet deadlines.

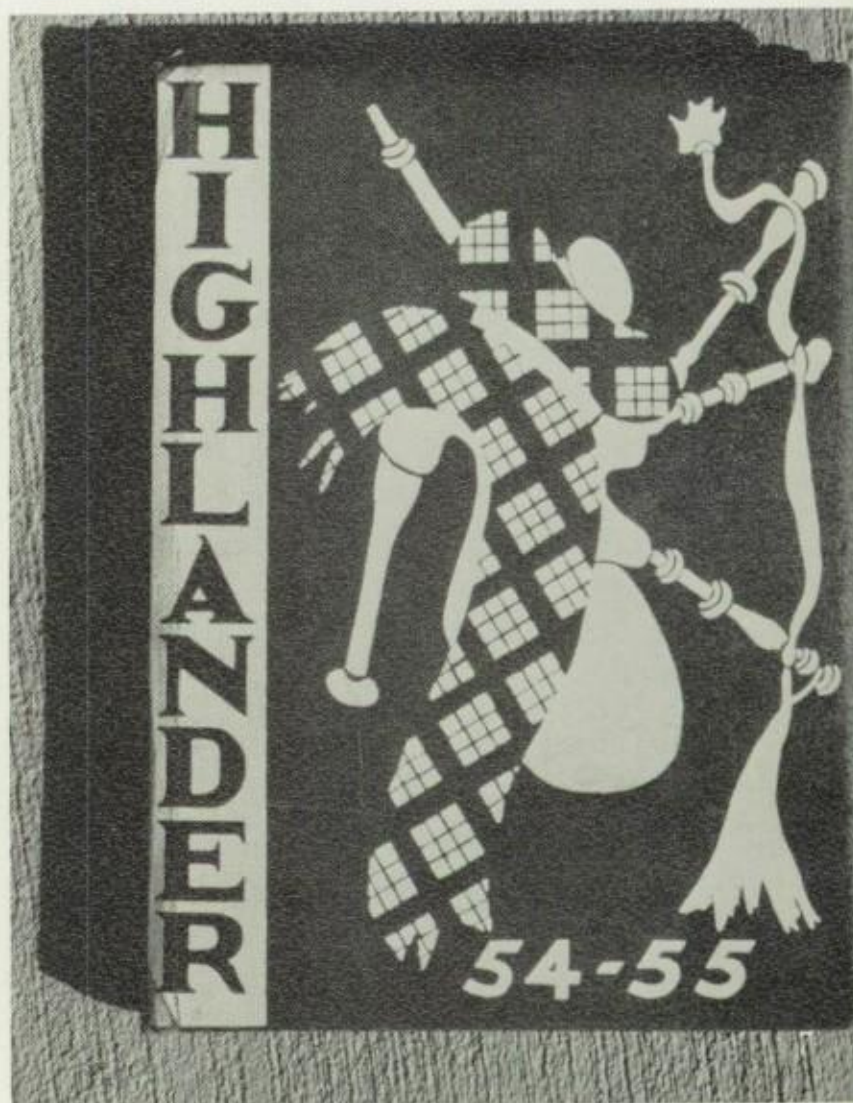

Page by page, the Hieland began falling into place, and in late March the yearbook was completed.

7. Laura Betz, editor, critiquing the latest edition of the "Scotch Tape."

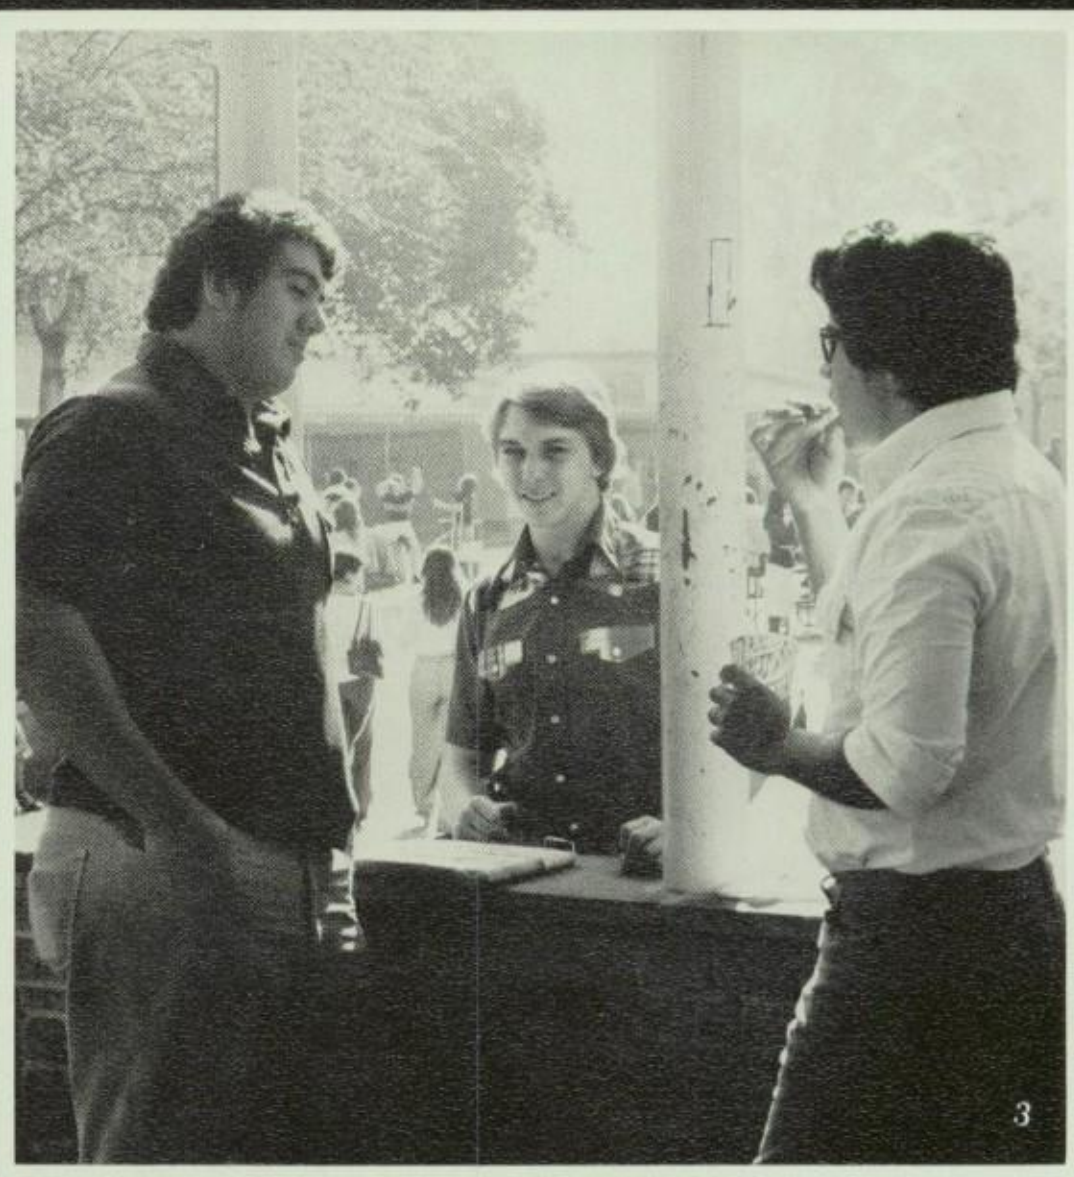

This year's newspaper staff, led by Laura Betz, did a fantastic job. The students who worked on the newspaper represented all facets of student life. The staff consisted of people from sports, A.S.B., Student League, and several clubs, which helped to make the paper interesting for all the students on campus. Although they agreed that deadlines were difficult to meet, the students were able to deliver a high quality newspaper every two weeks. The staff showed their appreciation of student input by publishing letters to the editor on various topics all year long. They also appreciated the help of Ms. Dodd, the newspaper's advisor, who was always there when the staff needed assistance. This year turned out to be a successful one for the whole student body because of the hardworking people on the newspaper staff.

Here Come the 80's

This year's Junior class was increasingly involved in the many school activities planned for the year. Among the fundraisers of the year were car washes, candy-grams, and bake sales, which were very successful. In September, class rings were received by a very eager Junior class. Their participation and spirit was shown at the pep rallies where the Junior class won many competitions. The much awaited prom was held at the Ambassador Hotel on April 28, 1979. It proved to be an exciting and memorable evening for all who attended. All in all the year turned out to be a very successful one.

Sophomores Take One More Step

This year's Sophomore class helped make the year a successful one. They held a bake sale at Zody's and a bagel sale at the Corn Festival. In November they had a candy sale. This year's Valentine's Dance was sponsored by the Sophomore class. They did a great job, for it proved to be an enjoyable evening, with Bamboo providing the music. This was the first year that Sophomores received their rings in June. A committee was set up to get ideas for a class ring design and submitted it to Balfour. The students were very satisfied with the results.

Freshmen Class Officers

1. Greg Golden, President; Jenny Robinson, Treasurer; Ricky Colosimo, Vice President; Liz Pacela, Secretary.

Freshmen are People Too

The class of "82" has started their first year here at La Habra High School. We give credit to our freshmen, for they had more spirit and enthusiasm than our former freshman classes. The main abjective of Greg Golden, the freshman president, and his cabinet was to raise a lot of money for activities and to get everyone involved in student government and all other student activities. They have raised money by cleaning the stadium, having car washes, bake sales, and candy and bagel sales. They sold refreshments at dances and at Convention "79". This year's freshman class mascot was the Tazmanian Devil. It fitted them well.

LaHabra has been tremendously spirited school from the very beginning. In 1954 the Fullerton Union High School District decided to start a new school by taking sophomores from Fullerton High and freshmen from Washington Jr. High. These students elected representatives to choose our colors and mascot: we were almost the Crusaders and dressed in green! When LaHabra opened, our first principal, Mr. Walter Pray, started programs to improve the school and create spirit. As the school grew, the students became more and more involved in school activities. Mr. Pray and the football team helped to sell the idea of wearing kilts by wearing them to all of the assemblies. One of the other activities that encouraged spirit was the bagpiper band, taught by Robert Hart, a volunteer. The band eventually had twelve bagpipers and eight drummers; they became known state-wide for their appearances at the local parades. The band instilled pride into the students at being a Highlander. Mr. Pray felt that his years at LaHabra were the most rewarding of his life. This could only be because the school had enthusiastic students and teachers.

This year La Habra has a new staff member: Dr. Carpenter, who is the new assistant principal and a graduate of U.S.C. Before she came to La Habra, she was the English Department Chairman of Sunny Hills. In her new position, she has many responsibilities, such as being in charge of several programs at La Habra: Drivers Education and Training, E.S.L., R.O.P., Special Education, Industrial Arts, Agriculture and attendance. In spite of all the responsibilities that she has, Dr. Carpenter has been delighted about her new job. She says, "La Habra has natural people. The students and staff are very friendly and open." Dr. Carpenter has done some wonderful things for La Habra, and we hope that she has enjoyed her first year here.

The students at La Habra High School will be sorry to see Mrs. Robinson leave after 13 years of teaching Physical Education. In the years that have passed, Mrs. Robinson has coached all the team sports including swimming, gymnastics, and track. Mrs. Robinson enjoys teaching gymnastics, swimming, and track more than the other sports because she enjoys working with each person individually so they can do "their best for themselves and the team." Mrs. Robinson will miss her friends and students, but she is excited about her new future. She will be working with her husband, who has just bought a car wash business in Modesto. Mrs. Robinson will help with the book keeping. We will miss her, and we hope that she has happy memories of La Habra.

We'll Miss You Nora

This year, La Habra is losing one of its best friends: Nora Frederick. Nora, who has been a secretary for the past nine years, has married and moved to San Clemente. Nora has been very involved in La Habra's activities. She has been the Staff Association Treasurer and was involved in several faculty plays, among them "You Can't Take It With You". Nora was always willing to assist the students and faculty in any way; she helped the A.S.B., campus clubs, the yearbook and newspaper staffs, and other organizations. In appreciation, the students voted Nora their September Person of the Month. Nora remembers one incident, the chorus' singing "Happy Birthday" to her in the office, as the highlight of her career. Nora is sad to have left her position at La Habra, but she feels that she needed a change. The students will certainly miss her, but everyone hopes the best for her in the future.

As this school year ended, 1979 marked a milestone for La Habra High School by honoring its 25th year. Many changes have taken place since La Habra opened its doors in 1953. With a student body of approximately 348 freshmen and sophomores, La Habra swelled to over 3,000 students in the early sixties! The first yearbook entitled the Highlander, too, began small with only 80 pages and with this anniversary edition and the diligent efforts of the yearbook staff, the Hieland has increased to become the largest book in the district!

This year's staff ably led by Editor Nancy Holmberg and Co-Editor Chris Bohne have earned many honors upholding the tradition of excellence in La Habra yearbooks. With pride, the Hieland staff received End Sheet of the Month and Signature Match awards by the printer Herff Jones nationwide!

Special thanks are extended to Albert and James Studio and their photographers Gordon and Dirk for their patient efforts and fine work in helping create a beautiful photo essay. Thanks too are extended to Mrs. Ashby, Librarian, for providing valuable pictures and information making the yearbook complete. Thanks to Ralph Serrano of Max's Bakery for executing our beautiful cover and division pages. The staff and I also want to thank Greg Hemsoth and Laura Anderson of Herff Jones Yearbooks for these past memorable years of fine service.

This 25th edition of the Hieland has been a happy and memorable experience for me personally and I hope all have experienced as much pleasure receiving it.

Mr. Bender

My Co-Editor, Chris Bohne, and I attended a yearbook conference in Santa Barbara last summer at which time we formed plans for this year's book. These plans included new ideas, high standards in copy writing, better quality photos, a larger book and a student index. All of these plans were well executed by the staff through long and hard hours of dedicated work.

Celebrating our 25th Anniversary at La Habra High set the theme for the 78-79 Hieland annual. By contacting our first Principal and Homecoming Queen, we gained more insight to how L.H.H.S. has grown allowing us to carry the theme throughout the yearbook.

The many hours put in by this year's staff truly reflects the quality of the book. I hope everyone enjoys and cherishes this 25th annual as there will never be another yearbook to match the workmanship put out by the 1979 yearbook staff. My appreciation to them could never be emphasized enough.
